## SETUP AND ASSEMBLY

Assembly is required for this patio furniture set. Follow these steps carefully:

1. Attach legs to each furniture piece using the provided screws.
2. Tighten all screws using the included tool.
3. Insert dowels into pre-drilled holes where indicated.

4. Align panels and secure them with bolts.
5. Repeat these steps for all pieces of the set.
6. Once frames are assembled, place cushions on the assembled seats.

**Important Tip:** Do not fully tighten all bolts until every bolt is in place for a given piece. This allows for minor adjustments to align holes, preventing misalignment issues.
