## 5. SETUP AND ASSEMBLY

This coffee table requires assembly. Please follow the included assembly guide carefully. A detailed video instruction is also available to assist you.

### Assembly Video Guide

Video 1: Comprehensive installation guide for the Homary Lift-Top Coffee Table. This video demonstrates

step-by-step assembly of all components, including the frame, drawers, and lift mechanism.

## Key Assembly Tips:

- Identify all parts and hardware before starting.
- Ensure screws are tightened correctly, paying attention to alignment as shown in the video.
- Do not fully tighten all bolts until all components are loosely fitted to allow for adjustments.
- Use recommended tools for efficient and secure assembly.

## 6. OPERATING INSTRUCTIONS

### Lift-Top Mechanism:

To raise the tabletop, gently pull the front edge upwards. The hydraulic lift mechanism will assist in smoothly elevating the surface to a comfortable height for dining or working. To lower, push the tabletop down with controlled force until it rests in the coffee table position.

### Storage Access:

The table features three pull-out drawers and two open shelves for easy access to items. The hidden compartment is located beneath the lift-top surface, accessible when the top is raised.

### Lockable Wheels:

The coffee table is equipped with 360° swivel wheels for easy repositioning. To secure the table in place, engage the locks on the wheels. To move the table, disengage the locks.

## 7. MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may

damage the finish.

- **Spills:** Clean spills immediately to prevent staining, especially on the engineered wood surfaces.
- **Hardware:** Periodically check and tighten all screws and bolts to ensure stability.
- **Lift Mechanism:** Keep the lift mechanism free of debris. If it becomes stiff, apply a small amount of silicone-based lubricant to the moving parts.
- **Wheels:** Keep wheels clean and free of hair or debris to ensure smooth movement.

## 8. TROUBLESHOOTING

---

- **Tabletop is wobbly:** Check all assembly screws and bolts, especially those connecting the lift mechanism to the tabletop and base. Tighten as necessary.
- **Drawers stick or do not slide smoothly:** Ensure drawer slides are properly aligned and free of obstructions. A small amount of silicone spray can improve smoothness.
- **Lift mechanism is stiff:** Apply a silicone-based lubricant to the pivot points and hydraulic arms of the lift mechanism. Ensure no objects are obstructing its movement.
- **Wheels do not roll smoothly:** Check for debris (e.g., hair, lint) caught in the wheels. Clean as needed. Ensure wheel locks are disengaged.
