

Fenge G04C1

Fenge 42.5 Inch White Monitor Stand Riser Instruction Manual

Model: G04C1

1. INTRODUCTION

Thank you for choosing the Fenge 42.5 Inch White Monitor Stand Riser. This product is designed to elevate your monitor to an ergonomic viewing height, reduce neck and shoulder strain, and optimize your desk space. Its robust construction of thickened panels and metal legs ensures stability and durability. This manual provides essential information for assembly, operation, maintenance, and troubleshooting.

2. SAFETY INFORMATION

- Ensure the monitor stand is placed on a stable, flat surface.
- Do not exceed the maximum load capacity of 66 pounds (30 kg).
- Keep small parts away from children during assembly.
- Avoid placing the stand in direct sunlight or near heat sources to prevent material damage.
- Regularly check all screws and connections to ensure they remain tight.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- 1x Top Shelf Panel (White)
- 2x Metal Support Legs (White)
- 4x Screws
- 1x Allen Wrench
- 4x Non-slip Pads

Easy assemble

Install in less than 2 minutes

Step 1

Tighten the screws

Step 2

Apply non-slip pads

4. SETUP AND ASSEMBLY INSTRUCTIONS

The Fenge Monitor Stand Riser is designed for quick and easy assembly, typically taking less than 2 minutes.

1. Step 1: Attach the Support Legs

Align the two metal support legs with the pre-drilled holes on the underside of the top shelf panel. Insert the screws and tighten them securely using the provided Allen wrench. Ensure the legs are firmly attached to prevent wobbling.

2. Step 2: Apply Non-slip Pads

Peel the backing from the four non-slip pads and apply one to the bottom of each metal support leg. These pads protect your desk surface and enhance stability.

5. OPERATING INSTRUCTIONS

This versatile monitor stand can be used in various configurations to enhance your workspace.

5.1 Ergonomic Monitor Placement

Place your computer monitor(s) on the top shelf. The stand elevates your screen by 3.9 inches, promoting a comfortable line of sight and reducing strain on your neck and spine. This improved posture can lead to increased focus and comfort during extended use.

5.2 Space Optimization

Utilize the space beneath the stand to store your keyboard, mouse, notebooks, or other peripherals when not in use. This helps to keep your desktop tidy and organized, maximizing your available workspace.

5.3 Multipurpose Use

The Fenge monitor stand is adaptable for various applications:

- **Dual Monitor Setup:** Accommodates two monitors side-by-side for an expansive viewing area.
- **Printer Station:** Provides a stable platform for a printer, with space underneath for paper or supplies.
- **TV Stand:** Can be used to elevate a television, creating storage space below for media devices.
- **Laptop Stand:** Elevates a laptop for improved ergonomics or to connect to an external monitor.

6. MAINTENANCE

To maintain the appearance and longevity of your Fenge Monitor Stand Riser:

- Wipe the surface with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- Periodically check and retighten any loose screws to ensure stability.

7. TROUBLESHOOTING

If you encounter any issues with your monitor stand, consider the following:

- **Stand is wobbly:** Ensure all screws are fully tightened. Verify that the stand is on a flat, even surface.
- **Stand appears scratched:** The non-slip pads are designed to prevent scratches to your desk. Ensure they are properly applied to the bottom of each leg.
- **Cannot support weight:** Confirm that the total weight of items placed on the stand does not exceed the 66-pound (30 kg) load capacity.
