Wielio 2025 New Smart Projector

Wielio 2025 New Smart Projector User Manual

Model: 2025 New Smart Projector | Brand: Wielio

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, and maintenance of your Wielio 2025 New Smart Projector. Designed for versatile use, this projector features a built-in Android OS, Native 1080P resolution with 4K support, automatic keystone correction, and a portable design for both indoor and outdoor environments.

Image: The Wielio 2025 New Smart Projector, a compact white and black device with a lens on the front.

PRODUCT OVERVIEW

Key Features

- **Smart Projector with Built-in Apps:** Integrated Android OS allows direct access to streaming services like YouTube, Netflix, and Prime Video without external devices.
- **Native 1080P Full HD & 4K Support:** Delivers sharp, detailed visuals with enhanced contrast and color accuracy.
- **Automatic Keystone Correction:** Enjoy instant clear images with 4-point keystone adjustment ($\pm 30^\circ$ range) and 50-100% zoom.
- **Portable Mini Projector:** Features a 180° rotatable stand for flexible projection angles, including ceilings, with screen sizes from 40 to 240 inches.
- **Connectivity:** Supports WiFi and Bluetooth for seamless integration with various devices and external audio.

PACKAGE CONTENTS

- Wielio 2025 New Smart Projector
- Power Adapter
- Remote Control
- HDMI Cable
- AV Cable
- User Manual
- Cleaning Accessories (e.g., lens cloth, swabs)
- Projector Screen (100-inch diagonal)
- Mini Tripod / Mounting Hooks

INITIAL SETUP

1. **Unpack:** Carefully remove all components from the packaging.
2. **Power Connection:** Connect the power adapter to the projector and a power outlet.
3. **Lens Cap:** Remove the protective lens cap.
4. **Placement:** Position the projector on a stable surface. Utilize the 180° rotatable stand for optimal projection angle.
5. **Power On:** Press the power button on the projector or remote control.
6. **Network Connection:** Follow on-screen prompts to connect to your Wi-Fi network.
7. **Focus & Keystone:** The projector features automatic keystone correction. Fine-tune focus using the manual adjustment dial near the lens if needed.

OPERATION GUIDE

1. **Navigation:** Use the provided remote control or the control panel on top of the projector to navigate the interface.
2. **Input Source Selection:**
 - **Built-in Apps:** Access pre-installed applications like YouTube, Netflix, and Prime Video directly from the home screen.
 - **HDMI:** Connect external devices (e.g., laptop, gaming console) via the HDMI port. Select 'HDMI' as the input source.
 - **USB:** Insert a USB drive into the USB port to play media files. Select 'USB' as the input source.

- **AV:** Connect older devices using the AV port and cable. Select 'AV' as the input source.

3. Screen Mirroring:

- Ensure your smartphone and the projector are connected to the same Wi-Fi network.
- Select the 'Screen Mirroring' option on the projector's interface.
- On your smartphone, activate screen mirroring/casting and select the projector from the list of available devices.

4. Bluetooth Audio:

- Go to 'Bluetooth Settings' in the projector's menu.
- Put your Bluetooth speaker into pairing mode.
- Select your speaker from the list of nearby devices to connect.

CARE AND MAINTENANCE

- **Lens Cleaning:** Use a soft, lint-free cloth or the provided cleaning swabs to gently wipe the projector lens. Avoid abrasive materials.
- **Dust Removal:** Regularly clean the ventilation grilles to prevent dust buildup, which can affect performance.
- **Storage:** When not in use, store the projector in a cool, dry place, ideally in its original packaging or a protective case.

COMMON ISSUES AND SOLUTIONS

- **No Image:** Ensure the power cable is securely connected and the projector is turned on. Verify the correct input source is selected.
- **Blurry Image:** Adjust the focus ring near the lens. Check the keystone correction settings.
- **No Sound:** Increase the volume on the projector and the connected device. If using Bluetooth, ensure the speaker is paired and powered on. Check audio output settings.
- **Wi-Fi/Bluetooth Connectivity Issues:** Restart the projector and your device. Ensure both are within range of the Wi-Fi router or Bluetooth device.

TECHNICAL SPECIFICATIONS

- **Brand:** Wielio
- **Model:** 2025 New Smart Projector
- **Product Dimensions:** 3 x 5 x 6 inches
- **Display Resolution:** 1920 x 1080 (Native 1080P, 4K Supported)
- **Special Feature:** Short Throw, Auto Keystone Correction, Built-in Apps, WiFi, Bluetooth
- **Connectivity Technology:** Ethernet (also WiFi, Bluetooth, HDMI, USB, AV)
- **Recommended Uses:** Indoor
- **Color:** Grey
