## 4. INITIAL SETUP

### 4.1. Installing SIM/TF Card

1. Locate the SIM/TF card slot on the side of the device.
2. Use the provided SIM ejector tool to open the tray.
3. Carefully place your Nano-SIM card(s) and/or TF card into the designated slots on the tray. Ensure

correct orientation.

4. Gently push the tray back into the device until it is flush.

## 4.2. Powering On/Off

- **To Power On:** Press and hold the Power button (located on the side) until the DOOGEE logo appears.
- **To Power Off:** Press and hold the Power button, then select 'Power off' from the options on the screen.
- **To Restart:** Press and hold the Power button, then select 'Restart' from the options.

## 4.3. Initial Configuration

Upon first power-on, follow the on-screen prompts to set up your device. This includes selecting your language, connecting to Wi-Fi, setting up your Google account, and configuring security features like fingerprint and face unlock.
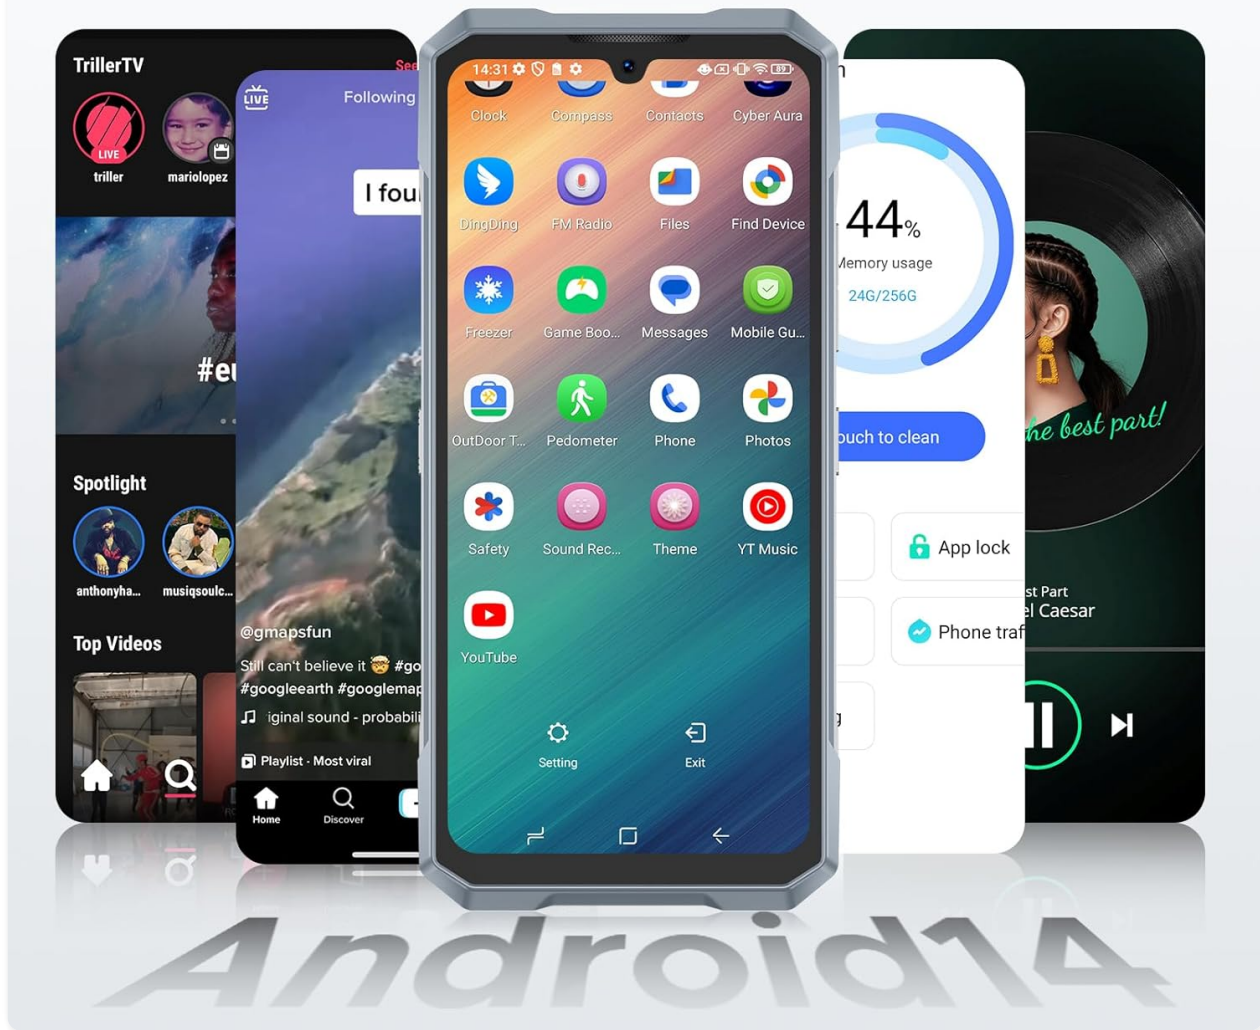

# 5. OPERATING INSTRUCTIONS

## 5.1. Android 14 Operating System

Your DOOGEE Blade GT Play runs on Android 14, offering a secure, smooth, and responsive user experience. It includes features such as App Cloning, Anti-Peeping mode, Anti-theft Alarm, and Fingerprint App Lock for enhanced privacy and security.

*Image: Multiple screens of the Android 14 interface on the DOOGEE Blade GT Play, demonstrating various applications and system features.*

## 5.2. RGB LED Light Effect

The device features an RGB LED light effect panel on the rear, offering 8 lighting modes and 3 flashing styles. These can be customized via the 'Cyber Aura' app to sync with music, notifications, calls, messages, gaming, and charging status. You can also adjust brightness and lighting speed.

- **Customization:** Access the 'Cyber Aura' app to select lighting modes (e.g., Call, Message, Music, Gaming, Charging), color combinations, and notification styles (Flicking, Breathing, Flowing).
- **Brightness & Speed:** Adjust the intensity and speed of the light effects within the app settings.

## 6. DURABILITY AND CARE

The DOOGEE Blade GT Play is built to withstand challenging conditions, featuring:

- **IP68/IP69K Certification:** Provides resistance against dust, dirt, and water immersion.
- **MIL-STD-810H Standard:** Military-grade durability for shock and drop protection.
- **Reinforced Construction:** Four-corner tire-style design and reinforced rubber for superior impact protection.

## 6.1. General Care

- Keep all ports and covers securely closed to maintain water and dust resistance.
- Clean the device with a soft, damp cloth. Avoid harsh chemicals.
- Avoid exposing the device to extreme temperatures for prolonged periods.

## 8. TROUBLESHOOTING

If you encounter issues with your DOOGEE Blade GT Play, consider the following common solutions:

- **Device Not Powering On:** Ensure the battery is charged. Connect the device to the charger and wait a few minutes before attempting to power on again.
- **Apps Crashing/Freezing:** Close background applications. Clear the cache of the problematic app (Settings > Apps > [App Name] > Storage > Clear Cache). Restart the device.
- **Poor Network Connectivity:** Check if your SIM card is properly inserted. Ensure mobile data is enabled. Try toggling Airplane Mode on and off.
- **Fingerprint/Face Unlock Not Working:** Ensure your fingers/face are clean and dry. Re-register your fingerprint or face data in Settings > Security.
- **Battery Draining Quickly:** Reduce screen brightness, disable unnecessary features like GPS or Bluetooth when not in use, and close background apps. Check battery usage in Settings to identify power-hungry apps.
- **Device Unresponsive:** Perform a force restart by pressing and holding the Power button for approximately 10-15 seconds until the device restarts.
- **Factory Reset (Last Resort):** If issues persist, you may need to perform a factory reset.**Warning: This will erase all data on your device. Back up important data before proceeding.** Go to Settings > System > Reset options > Erase all data (factory reset).
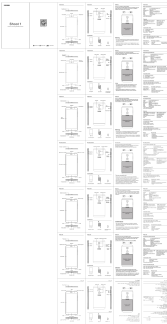

## 9. WARRANTY AND SUPPORT

Your DOOGEE Blade GT Play comes with a standard manufacturer's warranty. Please refer to the included Warranty Card for specific terms, conditions, and duration of coverage. For technical support, service, or warranty claims, please contact DOOGEE customer service through their official website or the contact information provided in your warranty documentation.
Keep your proof of purchase for warranty validation.
