DOOGEE Blade GT Pro

DOOGEE Blade GT Pro 5G Rugged Phone User Manual

Model: Blade GT Pro
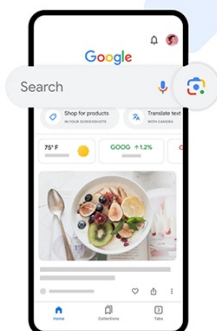

1. GETTING STARTED: INITIAL SETUP

This section guides you through the initial setup of your DOOGEE Blade GT Pro 5G Rugged Phone.

1.1 Package Contents

Verify that all items are present in your product packaging:

- 1 x BLADE GT PRO Rugged Smartphone
- 1 x Type-C USB Cable
- 1 x 18W Charger
- 1 x Screen-printed Protective Film (Pre-applied)
- 1 x Anti-explosion film
- 1 x Phone Case
- 1 x Packing Box
- 1 x User Manual and Warranty Card

1.2 SIM Card and MicroSD Card Installation

The device supports dual SIM cards and a MicroSD card for expandable storage up to 2TB. Locate the SIM card tray on the side of the phone. Use the provided SIM ejector tool to open the tray. Insert your Nano-SIM cards and/or MicroSD card into the designated slots, ensuring correct orientation. Gently push the tray back into the phone until it clicks into place.

1.3 Initial Power On and Basic Setup

Press and hold the power button located on the side of the device until the DOOGEE logo appears. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account. It is recommended to connect to a stable Wi-Fi network during the initial setup for faster downloads and updates.

1.4 Security Setup

For enhanced security, set up your preferred unlock methods:

- **Fingerprint Unlock:** The Blade GT Pro features a side-mounted fingerprint sensor. Follow the on-screen instructions to register your fingerprints.
- **Face ID:** Utilize the front camera for facial recognition unlock. Ensure you are in a well-lit environment during setup.
- **PIN/Pattern/Password:** Set up a traditional unlock method as a backup.

2. OPERATING YOUR DEVICE

This section details the key operational features of your DOOGEE Blade GT Pro.

2.1 Dynamic LED Light Effects

The Blade GT Pro features a customizable LED light bar on the back. This light bar can pulse for various notifications and scenarios, including calls, messages, music sync, charging, gaming mode, and party mode. You can adjust brightness and choose from lighting styles such as constant-on and strobe via the phone's settings.

2.2 Camera Features

The DOOGEE Blade GT Pro is equipped with a versatile camera system:

- **Main Camera:** 108MP Ultra-clear main camera for high-resolution photos.
- **Wide-Angle Lens:** 8MP wide-angle lens for capturing broader scenes.
- **Macro Camera:** 2MP macro camera for detailed close-up shots.
- **Front Camera:** 32MP selfie camera for clear self-portraits.

Supported camera modes include HDR, Night Mode, 360° Panorama, and Underwater Mode. AI tools assist in optimizing image quality across various settings.

2.3 Connectivity

The device offers robust connectivity options:

- **5G Network:** Supports various 5G frequency bands for high-speed mobile data.
- **Wi-Fi 6:** Provides ultra-fast and stable internet connections.
- **NFC:** Enables contactless payments via Google Pay and other NFC-enabled services.
- **Bluetooth:** For connecting wireless accessories.
- **GPS:** Integrated GPS for navigation and location services.

2.4 Battery Management

The Blade GT Pro is equipped with a 5800mAh battery, providing extended usage. It supports 18W fast charging for quick power replenishment. Additionally, OTG reverse charging allows you to use your phone as a power bank to charge other compatible devices.

2.5 Rugged Features

Designed for durability, the Blade GT Pro meets stringent industry standards:

- **IP68/IP69K:** Certified for water and dust resistance, allowing submersion and protection against high-pressure water jets.
- **MIL-STD-810H:** Complies with military-grade standards for shock and drop resistance, ensuring resilience in harsh environments.
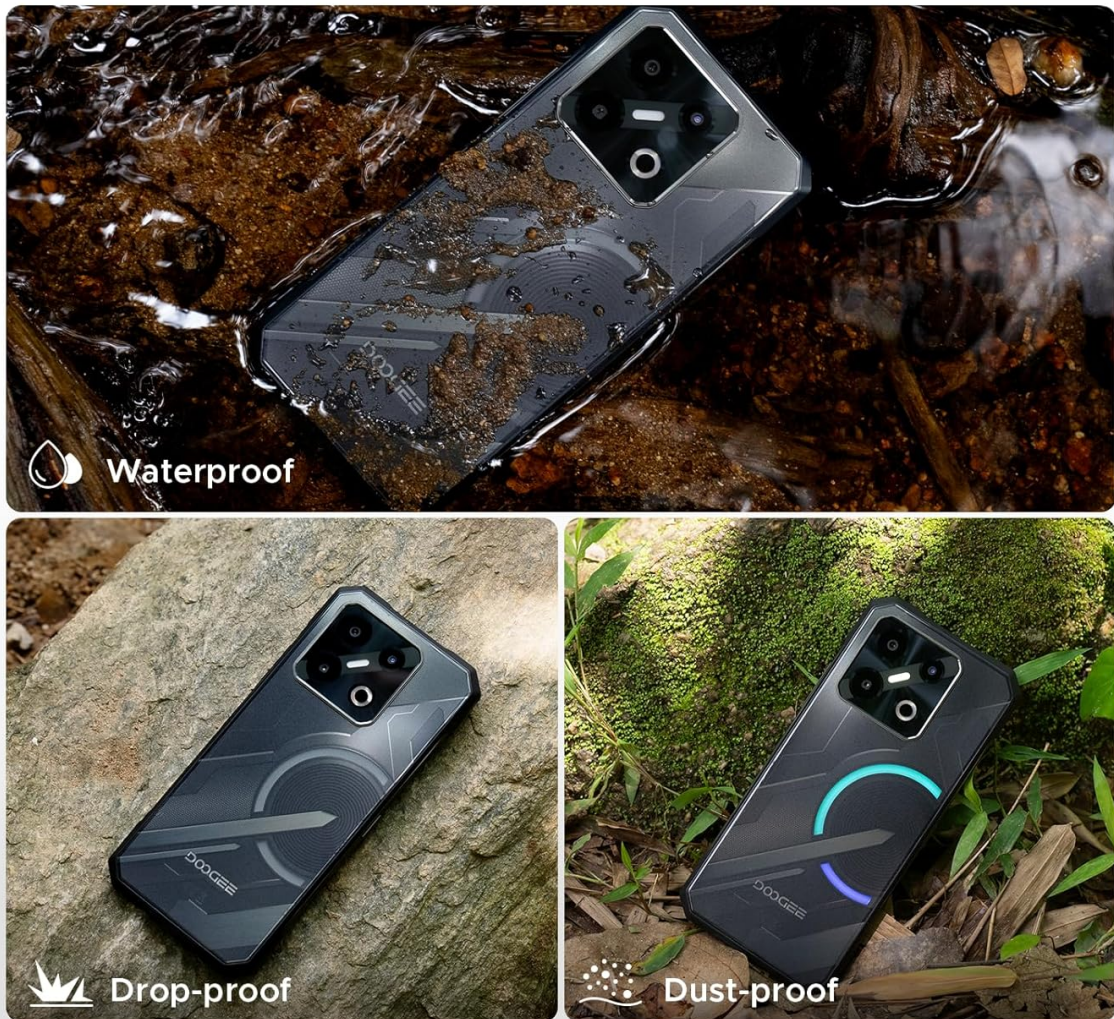

For Outdoor Enthusiasts

3. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your DOOGEE Blade GT Pro.

3.1 Cleaning Your Device

Despite its rugged design, regular cleaning is recommended. Use a soft, lint-free cloth to wipe the screen and body. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials, as these can damage the screen or seals. Ensure all ports are dry before charging.

3.2 Software Updates

Periodically check for system updates to ensure your device has the latest features, security patches, and performance improvements. Navigate to **Settings > System > System update** to check for and install available updates. Ensure your device is sufficiently charged and connected to Wi-Fi before initiating an update.

3.3 Battery Care

To maximize battery lifespan:

- Avoid extreme temperatures.
- Do not fully discharge the battery frequently.
- Use the original charger and cable provided.
- Unplug the charger once the battery is full.

4. TROUBLESHOOTING

This section addresses common issues you might encounter with your DOOGEE Blade GT Pro.

4.1 Network Compatibility

Issue: Device not connecting to certain networks (e.g., Verizon, AT&T).

Solution: The DOOGEE Blade GT Pro does not support Verizon and AT&T networks. Please verify compatibility with your local frequency bands before purchasing or using the device. Supported frequencies include: NR: N1/N3/N7/N8/N28/N38/N41/N77/N78/N79, FDD: 1/2/3/4/5/7/8/12/17/18/19/20/25/26/28AB/66, TDD: B34/38/39/40/41, WCDMA: B1/2/4/5/8, GSM: B2/3/5/8, EDGE/GPRS.

4.2 Performance Issues

Issue: Phone is slow or apps are crashing.

Solution:

- Close unused background applications.
- Clear cache for problematic apps (Settings > Apps > [App Name] > Storage > Clear cache).
- Ensure sufficient storage space is available.
- Restart the device.
- If issues persist, consider a factory reset (backup your data first).

4.3 Charging Problems

Issue: Device not charging or charging slowly.

Solution:

- Ensure the charging cable and adapter are securely connected.
- Use the original DOOGEE 18W charger and Type-C cable.
- Check the charging port for any debris or damage.
- Try charging from a different power outlet.

5. SPECIFICATIONS
