Hzuaneri DFC84314B

Hzuaneri 69 cm Dog Crate Side Table Instruction Manual

Model: DFC84314B

INTRODUCTION

Thank you for choosing the Hzuaneri 69 cm Dog Crate Side Table. This product is designed to provide a comfortable and secure space for your small dog while also serving as a functional piece of furniture in your home. This manual provides essential information for the safe assembly, operation, and maintenance of your new dog crate.

This dog crate features a modern design with two doors, including a space-saving front sliding door and a side door with multiple locks for enhanced security. Constructed from engineered wood and high-strength iron tubes, it offers durability and resistance to chewing and wear.

SAFETY INFORMATION

- **Indoor Use Only:** This dog crate is designed exclusively for indoor use. Do not use it outdoors.
- **Child Safety:** Children are not permitted to climb on or play with the product. Ensure children are supervised around the crate.
- **Proper Sizing:** Ensure the crate size is appropriate for your dog. Refer to the 'How to Measure Your Dog' section to confirm your pet's size before use.
- **Secure Assembly:** Always ensure all components are correctly assembled and tightened according to the instructions to prevent instability.
- **Regular Inspection:** Periodically check all locks, hinges, and structural components for any signs of wear or damage. Replace or repair damaged parts immediately.
- **Avoid Overloading:** Do not place excessive weight on the top surface of the crate.

PRODUCT COMPONENTS

Before assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Dog Crate (Disassembled Panels)

- 1 x Accessory Bag (containing screws, bolts, and tools)
- 1 x Assembly Instructions Manual

Doors	2 (1 sliding front, 1 hinged side)
Special Feature	Lockable, Anti-chew, Anti-impact
Recommended Breed Size	Small dogs (e.g., Chihuahuas, Pugs, Bichon Frise, Poodles)

PRODUCT SIZE

How to Measure Your Dog for a Crate:

Step 1: Measure Length

1. Ensure that your dog is standing on all four feet.
2. Measure from the tip of its nose to the base of its tail.

Step 2: Measure Height

1. Have your dog sit down.
2. Measure from the top of its head to the floor.

Warm Tips:

Please follow the instructions to confirm your pet's size and add an additional 3-4 inches for optimal comfort before purchasing.

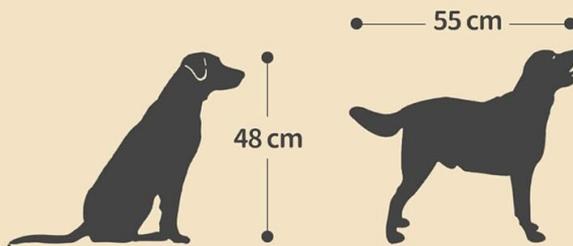

Figure 1: Product dimensions and dog measurement guide. The crate measures 69 cm (L) x 49 cm (W) x 64.5 cm (H) externally, and 62.6 cm (L) x 43 cm (W) x 54 cm (H) internally. It is suitable for dogs weighing up to 13 kg. To measure your dog, measure length from nose to tail base while standing, and height from head to floor while sitting. Add 3-4 inches for optimal comfort.

SETUP AND ASSEMBLY

Please follow the detailed assembly instructions provided in the included manual. Ensure you have enough space and all tools (screwdriver, etc.) ready before starting. It is recommended to assemble the crate on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out. Check against the component list.
2. **Identify Parts:** Each part is typically labeled. Familiarize yourself with the different panels, doors, and hardware.
3. **Assemble Frame:** Begin by connecting the main frame components using the provided screws and connectors. Ensure all connections are secure.
4. **Attach Doors:** Install the hinged side door and the sliding front door according to the instructions. Ensure they open and close smoothly and the locks function correctly.
5. **Final Tightening:** Once all parts are assembled, gently tighten all screws to ensure stability. Do not overtighten.

Figure 2: Example assembly diagrams for the metal frame. Refer to your specific instruction manual for detailed steps.

HEAVY-DUTY FURNITURE STYLE DOG CRATE

Anti-chew & Anti-impact

OPERATING INSTRUCTIONS

The Hzueneri Dog Crate is designed for ease of use and pet security.

- **Front Sliding Door:** To open the front door, slide it horizontally along its track. This design saves space and allows your dog to enter and exit without obstructing the surrounding area.
- **Side Hinged Door:** The side door opens outwards on hinges. It is equipped with multiple locks for secure closure.

- **Locking Mechanism:** Both doors feature secure locking mechanisms to prevent your pet from escaping. Always ensure the doors are properly latched and locked when your pet is inside.

DOUBLE DOOR DOG CRATE

Door is on the left side for dog to get in and out easily

Front sliding door, open the door without occupying the front space

MAINTENANCE

Proper maintenance will extend the life of your dog crate and ensure a hygienic environment for your pet.

- **Cleaning:** The engineered wood surfaces are easy to clean. Wipe down regularly with a damp cloth and mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Metal Parts:** The iron tubes can be wiped clean with a damp cloth. Ensure they are dried thoroughly to prevent rust.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary. Inspect the doors and locks for smooth operation and any signs of wear.
- **Ventilation:** Ensure adequate air circulation around the crate.

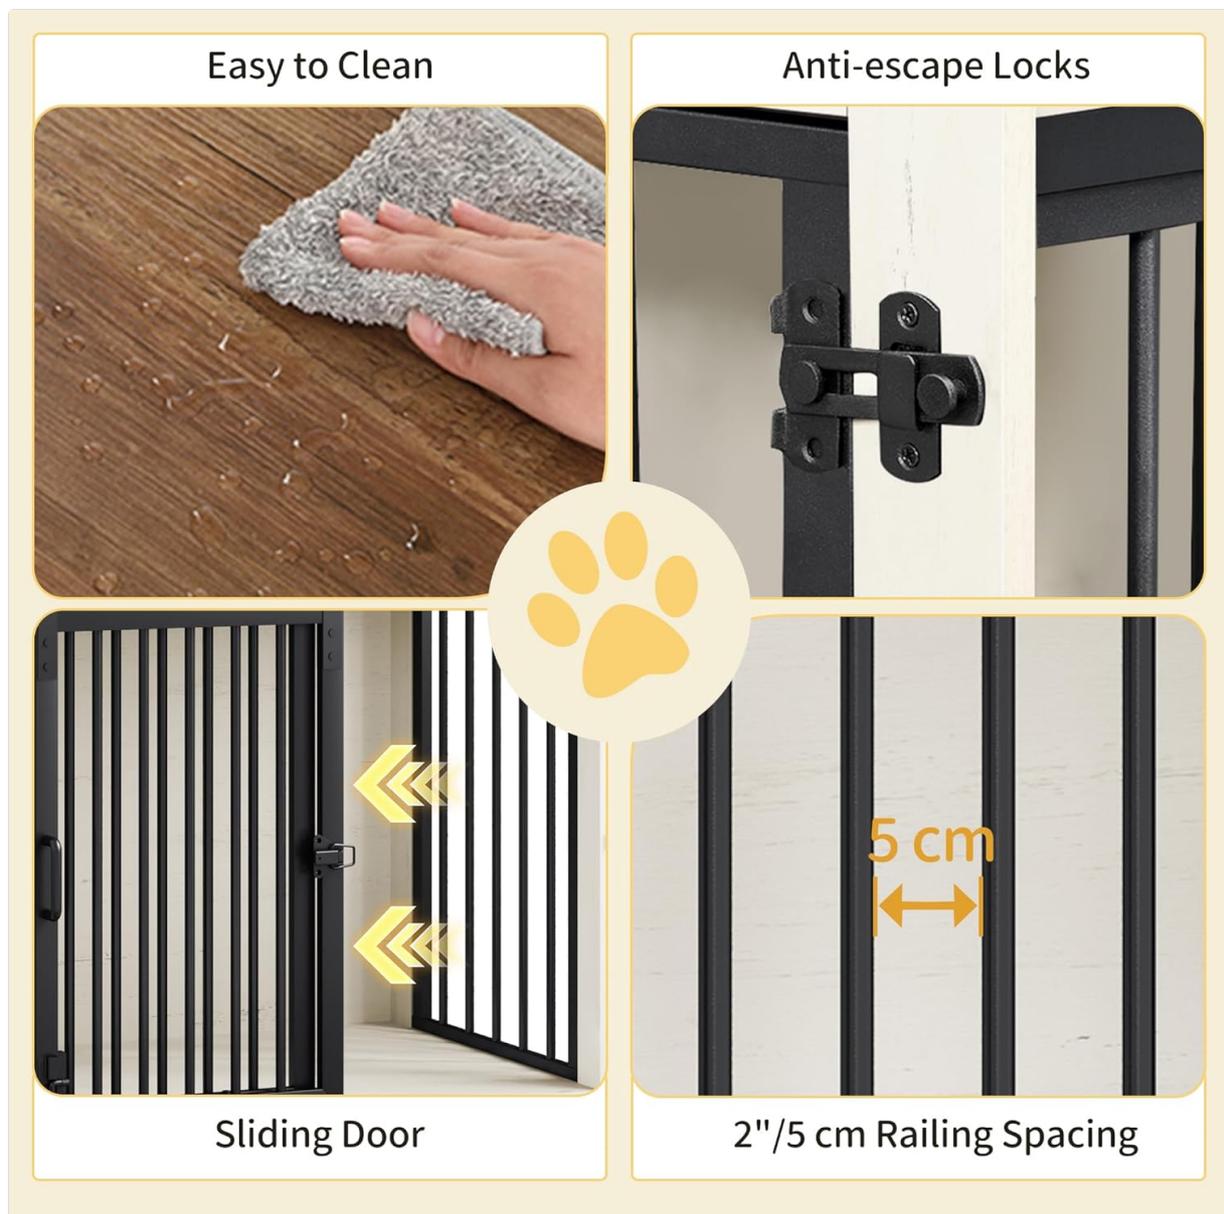

Figure 6: The smooth surfaces of the crate are designed for easy cleaning with a damp cloth.

TROUBLESHOOTING

If you encounter any issues with your Hzueneri Dog Crate, please refer to the following common solutions:

- **Crate feels wobbly:** Ensure all screws are fully tightened. Check that all panels are correctly aligned and seated.
- **Door not closing/locking properly:** Inspect the hinges and sliding tracks for any obstructions. Ensure the door is correctly aligned within its frame. Check the locking mechanism for any damage or misalignment.
- **Missing parts:** If you find any parts missing upon unpacking, please refer to the 'Product Components' section and contact customer support immediately.
- **Pet attempting to escape:** Ensure all doors are securely locked. If your pet is persistently trying to chew or force their way out, consider additional training or consulting a professional pet trainer.

WARRANTY AND SUPPORT

For any questions, concerns, or assistance with your Hzueneri Dog Crate Side Table, please contact

Hzueneri customer support. While specific warranty details are not provided in this manual, standard consumer rights and return policies apply.
