## SETUP: CASE INSTALLATION

---

1. **Prepare your device:** Ensure your iPhone 14 Plus is clean and free of dust or debris.
2. **Insert the phone:** Align the top edge of your iPhone with the top of the case. Gently push the phone into the case, ensuring all corners are securely seated.
3. **Check fit:** Verify that all buttons, ports, and camera cutouts align correctly with your phone. The case should fit snugly without any gaps.

## OPERATING FEATURES

---

- **Drop Protection:** This case is designed with shock-absorbing air pocket technology to protect your iPhone 14 Plus from drops of up to 8 feet.
- **Camera Protection:** A 1.5 mm raised lip around the camera module helps prevent direct contact with surfaces, safeguarding your camera lenses.
- **MagSafe Compatibility:** The case is fully compatible with MagSafe accessories, allowing for secure attachment and efficient wireless charging.
- **Wireless Charging:** You can charge your iPhone wirelessly without removing the case.
- **Slip-Resistant Side Grips:** Textured side grips enhance hold, reducing the likelihood of accidental drops.
- **Easy Press Buttons:** Protected buttons maintain tactile feedback and ease of use.

## MAINTENANCE AND CARE

To maintain the appearance and functionality of your Casely iPhone 14 Plus case, follow these guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid harsh chemicals or abrasive materials, as these may damage the case finish.
- **Avoid Extreme Temperatures:** Do not expose the case to extreme heat or cold, as this can affect the material's integrity and

fit.

- **Inspect Periodically:** Occasionally remove the case and inspect both the case and your phone for any trapped dust or debris that could cause scratches.

## TROUBLESHOOTING

Most issues with a phone case are related to fit or compatibility. Here are some common points:

- **Case does not fit:** Ensure you have the correct model case for your iPhone 14 Plus. This case is specifically designed for the iPhone 14 Plus.
- **MagSafe accessories not attaching securely:** Verify that the MagSafe accessory is properly aligned with the magnetic ring on the case. Ensure there are no obstructions between the case and the accessory.
- **Buttons are stiff:** New cases may have slightly stiffer buttons. With regular use, they should become easier to press. Ensure the phone is seated correctly within the case.
