#### 4. WEARING INSTRUCTIONS

For optimal comfort and sound quality, follow these steps to properly wear your Micool BT-X Easy headphones:

1. **Step 1:** Open the ear-hook at a 30-degree angle.
2. **Step 2:** Rotate the ear-hook around your ear to the bottom.
3. **Step 3:** Gently press the headphones to clamp them lightly onto your ears.
4. **Step 4:** Adjust the angle of the headphones to achieve the most comfortable fit.

#### 5. SETUP: BLUETOOTH PAIRING

To connect your Micool BT-X Easy headphones to your device:

1. Ensure the headphones are charged.
2. Open the charging case. The headphones will automatically enter pairing mode.
3. On your device (smartphone, laptop, tablet), go to Bluetooth settings.

4. Select "BT-XEASY" from the list of available devices to connect.
5. Once connected, you will hear an audio prompt, and the LED indicator on the headphones will change.

## 7. CHARGING

The Micool BT-X Easy headphones come with a portable charging case to keep your headphones powered throughout the day.

- **Charging the Headphones:** Place the headphones into their respective slots in the charging case. They will automatically begin charging.
- **Charging the Case:** Connect the provided USB-C cable to the charging port on the case and to a power source.
- **Battery Indicator:** The charging case features a 4-stage power indicator. Each light represents approximately 25% of the battery capacity. The lights will blink during charging and remain solid when

fully charged.

- **Battery Life:** Enjoy up to 18 hours of listening time on a single charge for the headphones, and up to 52 hours total with the fully charged case.

## 8. MAINTENANCE

To ensure the longevity and optimal performance of your Micool BT-X Easy headphones, follow these maintenance guidelines:

- **Cleaning:** Regularly wipe the headphones and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and

damage. Keep them in a cool, dry place away from extreme temperatures.

- **Water Resistance:** The headphones are water-resistant. Avoid submerging them in water or exposing them to heavy rain for extended periods. Dry them thoroughly if they get wet.

## 9. TROUBLESHOOTING

If you encounter any issues with your Micool BT-X Easy headphones, please refer to the following common solutions:

- **No Power:** Ensure both headphones and the charging case are fully charged. Connect the charging case to a power source using the USB-C cable.
- **Pairing Issues:** Make sure Bluetooth is enabled on your device and the headphones are in pairing mode (open the charging case). If issues persist, try forgetting "BT-XEASY" from your device's Bluetooth list and re-pairing.
- **No Sound/Low Volume:** Check the volume levels on both your device and the headphones. Ensure the headphones are properly seated on your ears.
- **Intermittent Connection:** Move closer to your connected device to avoid interference. Ensure there are no obstructions between the headphones and your device.
- **One Headphone Not Working:** Place both headphones back into the charging case, close it, and then reopen it to reset the connection between them.
