Gizoon 4pcs Set Grey

Gizoon 4-Piece Patio Furniture Set (Model: 4pcs Set Grey)

Instruction Manual

1. Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Gizoon 4-Piece Patio Furniture Set. Please read carefully before assembly and use to ensure proper function and longevity of your furniture. The Gizoon 4-Piece Patio Furniture Set is designed for outdoor use, featuring a durable metal steel frame, breathable textile fabric, and a tempered glass coffee table. It includes a loveseat, two single chairs, and a coffee table, making it suitable for various outdoor spaces such as backyards, balconies, lawns, gardens, and poolside areas.

2. Safety Information

Please observe the following safety guidelines to prevent injury or damage:

- Handle the tempered glass table with care to avoid breakage.
- Ensure all components are properly assembled and tightened to prevent tipping or instability.
- Do not overtighten bolts during initial assembly; follow the instructions for partial tightening first.
- Always place the furniture set on a stable, level surface.
- Keep children and pets away from the assembly area until the set is fully constructed.

3. Package Contents

Verify that all parts are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 x Loveseat Frame and Fabric
- 2 x Single Chair Frames and Fabric
- 1 x Coffee Table Frame and Tempered Glass Top
- Assembly Hardware (bolts, washers, Allen wrench)
- 1 x Instruction Manual

4. Setup and Assembly

Assembly requires two people and approximately 1-2 hours. An installation manual and a complete toolkit are included. Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Initial Fastening (Crucial Step):** For all chairs and the loveseat, attach the fabric sections to the frames. When inserting bolts, **only tighten them approximately 50%.** This partial tightening is essential as it allows for flexibility and alignment of all parts. If one side is fully tightened prematurely, it may be difficult to align the remaining holes.
3. **Assemble Chairs:** Attach the backrest and seat fabric to the chair frames. Ensure the enhanced backing support bars are correctly positioned. Once all bolts are loosely in place, gently push and adjust the frame to align all holes, then gradually tighten all bolts evenly until secure.
4. **Assemble Loveseat:** Follow the same partial tightening procedure as for the single chairs. Attach the loveseat fabric to its frame, ensuring all bolts are loosely inserted before fully tightening.
5. **Assemble Coffee Table:** Attach the legs to the coffee table frame. Place the tempered glass top securely onto the frame. The glass top is designed to fit snugly.
6. **Final Tightening:** Once all furniture pieces are fully assembled and all bolts are loosely in place, go back and tighten all bolts completely and securely. Do not overtighten.
7. **Check Stability:** Gently shake each piece of furniture to ensure it is stable. Adjust the spiral design at the bottom of the chairs if needed to enhance stability on uneven surfaces.

5. Operating and Usage

Your Gizoon 4-Piece Patio Furniture Set is designed for comfortable outdoor relaxation. Here are some guidelines for optimal use:

- **Placement:** This set is ideal for outdoor environments such as patios, decks, gardens, balconies, and poolside areas.
- **Weight Capacities:**
  - Loveseat: Up to 660 lbs (300 kg)
  - Single Chair: Up to 330 lbs (150 kg)
  - Coffee Table: Up to 110 lbs (50 kg)
- **Comfort:** The breathable textile fabric provides a comfortable and airy sitting experience, allowing for quick drying

after rain.

- **Safety Features:** The set features anti-collision handrails and rounded desktop edges on the coffee table to reduce the risk of accidents.

Image: Close-up view highlighting the breathable textile fabric, anti-collision handrails, and the rounded edges of the coffee table for user safety and comfort.

6. Maintenance

Proper care will extend the life and appearance of your patio furniture set.

- **Cleaning:** Wipe down the metal frames and textile fabric with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used, followed by rinsing with clean water and air drying. The tempered glass tabletop is scratch-resistant and easy to clean with standard glass cleaner.
- **Rust Prevention:** The metal frames are coated with rust-resistant layers. To maintain this protection, avoid prolonged exposure to standing water and extreme weather conditions. Inspect regularly for any signs of wear or damage to the coating.
- **Storage:** During harsh weather conditions or off-season, consider covering the furniture or storing it indoors to protect it from elements and prolong its lifespan.

Image: Visual comparison demonstrating the integrated rust-proof steel used in Gizoon furniture versus untreated steel, highlighting its resistance to corrosion.

7. Troubleshooting

If you encounter any issues, refer to the following common problems and solutions:

- **Issue:** Difficulty aligning screw holes during assembly.
  Solution: This is often resolved by ensuring all bolts are only partially tightened (approximately 50%) until all components are loosely assembled. This allows for necessary flexibility in alignment. Once all parts are connected, gradually tighten all bolts evenly.
- **Issue:** Instability or wobbling after assembly.
  Solution: Check that all bolts are fully tightened. Verify that the adjustable spiral design at the bottom of the chairs is correctly set and adjusted to compensate for uneven surfaces.
- **Issue:** Water pooling on seats after rain.

Solution: The textile fabric is designed to be breathable and quick-drying. While minor pooling may occur initially, water should drain and evaporate quickly. Ensure the furniture is not placed in an area where water accumulates underneath.

- **Issue:** Missing or damaged parts upon delivery.
  Solution: Do not attempt to assemble the product with missing or damaged parts. Contact Gizoon customer support immediately for assistance and replacement parts.

8. Specifications

Feature	Detail
Brand	Gizoon
Model	4pcs Set Grey
Color	Grey
Material	Metal Steel, Textile Fabric, Tempered Glass
