Onerbl 24V AC-DC Adapter Instruction Manual

Compatible with Pure Daily Care PDC-AD10-BNDL-JP Aroma Diffuser

1. Introduction

This instruction manual provides important information for the safe and effective use of your Onerbl 24V AC-DC power adapter. This adapter is designed as a replacement power supply for the Pure Daily Care Aroma PDC-AD10-BNDL-JP Diffuser and similar compatible devices requiring a 24V DC power input.

Please read this manual thoroughly before using the product and retain it for future reference.

2. Safety Instructions

To prevent injury or damage to the product, observe the following safety precautions:

- **Indoor Use Only:** This adapter is intended for indoor use in dry locations. Do not expose it to rain, moisture, or extreme temperatures.
- **Proper Voltage:** Ensure the wall outlet voltage matches the adapter's input specifications (100-240V AC).
- **Correct Device:** Only connect this adapter to devices that require a 24V DC input and have a compatible barrel connector. Using it with incompatible devices may cause damage.
- **Avoid Overloading:** Do not overload the power adapter. Ensure the connected device's power requirements do not exceed the adapter's output capacity.
- **Unplug When Not in Use:** Disconnect the adapter from the power outlet when not in use for extended periods or during electrical storms.
- **Handle with Care:** Do not drop, disassemble, or attempt to repair the adapter. Refer all servicing to qualified personnel.
- **Keep Away from Children:** Store the adapter out of reach of children.
- **Inspect Regularly:** Periodically inspect the adapter and its cable for any signs of damage. Discontinue use if damage is observed.

3. Product Overview

The Onerbl 24V AC-DC adapter is a compact, black power supply unit designed for reliability and safety. It features a standard US plug and a barrel connector for device attachment.

Key Features:

- **Over Voltage Protection:** Safeguards your device from excessive voltage.
- **Over Heat Protection:** Prevents the adapter from overheating during operation.
- **Short Circuit Protection:** Protects against damage from short circuits.

Adapter Components:

Image 3.1: Front and side view of the Onerbl 24V AC-DC adapter. The front shows input specifications (100-240VAC, 0.3A, 50/60Hz) and regulatory marks. The side view highlights the compact design and the attached power cord with a barrel connector.

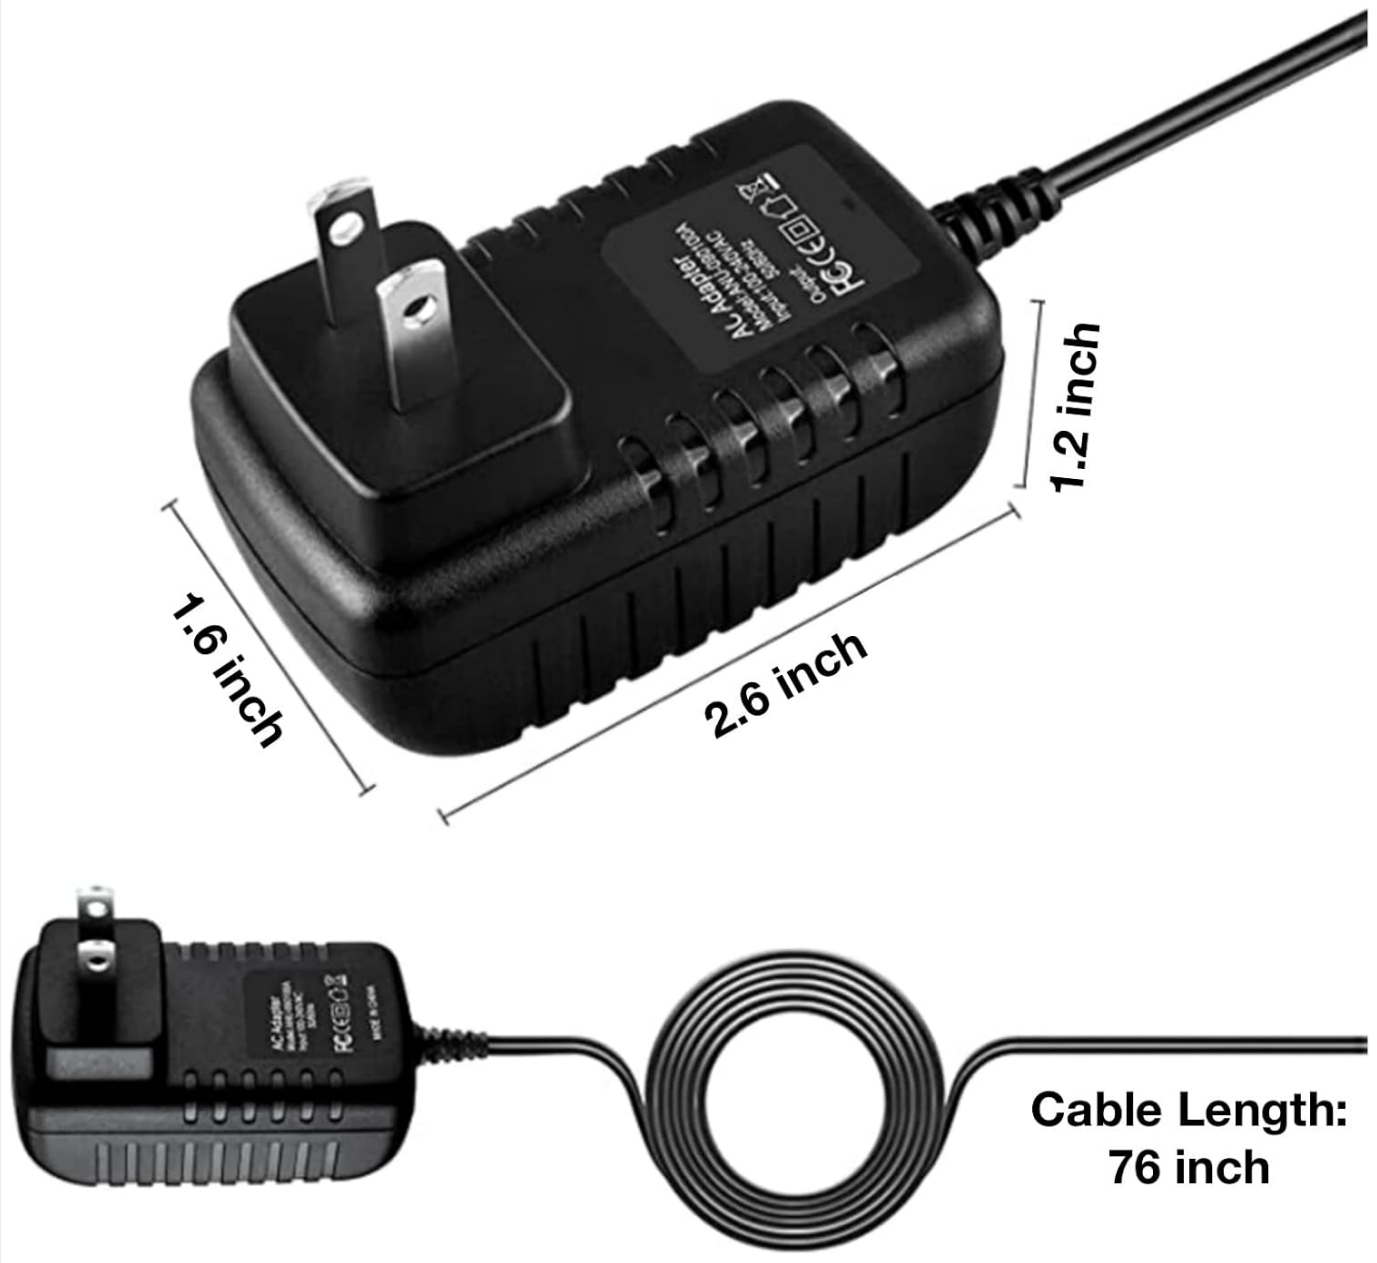

Image 3.2: This image illustrates the physical dimensions of the adapter body (approximately 2.6 inches long, 1.6 inches wide, and 1.2 inches high) and the total cable length (approximately 76 inches).

4. Setup

Follow these steps to set up your Onerbl AC-DC adapter:

1. **Unpack:** Carefully remove the adapter from its packaging.
2. **Connect to Device:** Insert the barrel connector end of the adapter cable into the power input port of your Pure Daily Care Aroma PDC-AD10-BNDL-JP Diffuser or other compatible device. Ensure the connection is firm and secure.
3. **Connect to Power Outlet:** Plug the AC prongs of the adapter into a standard 100-240V AC wall outlet.

Image 4.1: The adapter is shown plugged into a power strip, with its cable extending to connect to a device, demonstrating a typical setup for use.

5. Operating Instructions

Once the adapter is correctly connected to both the device and a power outlet, it will automatically supply power to your device. The adapter itself does not have any user-operable controls.

- Ensure the device (e.g., aroma diffuser) is switched on according to its own instruction manual.
- The adapter will continuously provide power as long as it is plugged into a live outlet and connected to the device.
- To power off the device, either switch off the device itself or unplug the adapter from the wall outlet.

6. Maintenance

Proper maintenance ensures the longevity and safe operation of your adapter:

- **Cleaning:** Disconnect the adapter from the power outlet and the device before cleaning. Use a soft, dry cloth to

wipe the surface. Do not use liquid cleaners or abrasive materials.

- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid wrapping the cable too tightly around the adapter body.
- **Cable Inspection:** Periodically check the power cable and connectors for any signs of fraying, cuts, or bends. If any damage is found, discontinue use immediately and replace the adapter.

7. Troubleshooting

If you encounter issues with your adapter, refer to the following common problems and solutions:

- **Device Not Powering On:**
  - Ensure the adapter is securely plugged into a working wall outlet. Test the outlet with another device.
  - Verify that the barrel connector is fully inserted into your device's power input port.
  - Confirm that your device is compatible with a 24V DC power supply and that this adapter is the correct replacement.
  - Check the device's power switch or controls.
- **Adapter Feels Warm:**
  - It is normal for power adapters to become slightly warm during operation.
  - If the adapter becomes excessively hot to the touch, unplug it immediately. This could indicate an overload or internal fault. Ensure adequate ventilation around the adapter.
- **Flickering Power/Intermittent Connection:**
  - Check for loose connections at both the wall outlet and the device.
  - Inspect the cable for any visible damage. A damaged cable can cause intermittent power.

If these steps do not resolve the issue, please contact customer support.

8. Specifications

Brand	Onerbl
Product Model (ASIN)	B0DWK4JLW6
Input Voltage	100-240V AC, 50/60Hz, 0.3A
Output Voltage	24V DC
Connector Type	Barrel Connector
Cable Length	Approx. 76 inches (193 cm)
Dimensions (Adapter Body)	Approx. 2.6" L x 1.6" W x 1.2" H (6.6 cm L x 4.1 cm W x 3.0 cm H)
Safety Features	Over Voltage Protection, Over Heat Protection, Short Circuit Protection
Compatible Device	Pure Daily Care Aroma PDC-AD10-BNDL-JP Diffuser

9. Warranty and Support

For warranty information or technical support, please refer to the documentation provided with your purchase or contact the seller directly through the platform where the product was acquired. Please have your order number and product ASIN (B0DWK4JLW6) ready when contacting support.
