LICAEVEY LICAEVEYyzvtf2wiqb-11

LICAEVEY True Wireless Earbuds Instruction Manual

Model: LICAEVEYyzvtf2wiqb-11

1. INTRODUCTION

Thank you for choosing the LICAEVEY True Wireless Earbuds. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance and longevity. Please read this manual thoroughly before using the product.

2. PACKAGE CONTENTS

Ensure all items listed below are present in your package:

- 1 Pair x True Wireless Earbuds (Left and Right)
- 1 x Charging Case
- 1 x Data Cable (USB)

3. PRODUCT OVERVIEW

Familiarize yourself with the components of your LICAEVEY True Wireless Earbuds.

Figure 3.1: Earbuds in Charging Case. This image displays the two earbuds securely placed within the open charging case, with visible charging indicator lights on the front of the case.

Figure 3.2: Individual Earbud Components. This image highlights the design of the earbuds, showing the touch control surface on one and the ear tip with speaker mesh on the other, along with the microphone opening.

- **Earbuds:** Left and Right earbuds with integrated touch controls and microphones.
- **Charging Case:** Stores and charges the earbuds, also acts as a power bank. Features LED indicators for battery status.
- **Charging Port:** Located on the charging case for connecting the data cable.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge both the earbuds and the charging case.

1. Connect the provided data cable to the charging port on the charging case.
2. Plug the other end of the data cable into a USB power adapter (not included) or a computer's USB port.
3. The LED indicators on the charging case will illuminate to show charging status. Once fully charged, the indicators may turn solid or turn off, depending on the model.
4. Place the earbuds into the charging case. They will automatically begin charging. The earbuds'

indicators will show charging status and turn off when fully charged.

Figure 4.1: Charging Port Location. This image shows the side of the charging case with the micro-USB charging port clearly visible.

Figure 4.2: Charging the Case and Earbuds. This image shows the charging case open with earbuds inside, and the USB charging cable connected to the case's charging port.

4.2 Pairing with a Device

Follow these steps to pair your earbuds with your smartphone or other Bluetooth-enabled device:

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode. You may see indicator lights flashing on the earbuds.
3. On your device, enable Bluetooth and search for new devices.
4. Select "LICAEVEY Earbuds" (or similar name) from the list of available devices.
5. Once connected, the earbud indicator lights will typically stop flashing or change to a solid color. A voice prompt may confirm the connection.
6. After initial pairing, the earbuds will automatically connect to the last paired device when removed from the case, provided Bluetooth is enabled on the device.

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on. Alternatively, if powered off outside the case, press and hold the touch control area on both earbuds for approximately 3 seconds.
- **Power Off:** Place the earbuds back into the charging case and close the lid; they will automatically power off. Alternatively, press and hold the touch control area on both earbuds for approximately 5 seconds until you hear a power-off prompt.

5.2 Touch Controls

The earbuds feature touch-sensitive controls for various functions:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap the right earbud.
- **Previous Track:** Double tap the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call or active call.
- **Reject Call:** Press and hold either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud (e.g., Siri, Google Assistant).

6. MAINTENANCE

Proper maintenance ensures the longevity and performance of your earbuds.

- **Cleaning:** Use a soft, dry, lint-free cloth to clean the earbuds and charging case. Do not use harsh chemicals or abrasive materials. Gently clean the ear tips and speaker mesh with a cotton swab if necessary.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Keep the product in a cool, dry place, away from extreme temperatures and direct sunlight.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and charging case frequently. Charge them regularly, even if not in constant use.

7. TROUBLESHOOTING

If you encounter issues with your earbuds, try the following solutions:

Problem	Possible Solution
Earbuds not pairing with device	<p>Ensure earbuds are charged and out of the case.</p> <p>Turn off and on Bluetooth on your device.</p> <p>Forget/delete the earbuds from your device's Bluetooth list and re-pair.</p> <p>Restart your device.</p>
Only one earbud is working	<p>Ensure both earbuds are charged.</p> <p>Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again.</p> <p>Try resetting the earbuds (refer to specific product instructions if a reset procedure is available).</p>

Problem	Possible Solution
No sound or low volume	Check the volume level on both your device and the earbuds. Ensure the earbuds are properly connected to your device. Clean any debris from the earbud speaker mesh.
Charging case not charging	Ensure the charging cable is securely connected. Try a different USB port or power adapter. Check the charging cable for damage.

8. SPECIFICATIONS

Technical details of the LICAEEVEY True Wireless Earbuds:

- **Bluetooth Version:** V5.0
- **Charging Case Battery Capacity:** 200mAh
- **Earbud Battery Capacity:** 45mAh (each earbud)
