vidaXL Patio Storage Bench with Cushion (Model 4103838) Instruction Manual

Brand: vidaXL | Model: 4103838

1. SAFETY INFORMATION

Attention: Please follow the instructions for safe installation and use a waterproof cover to ensure the longevity of your garden bench.

Always ensure the bench is placed on a stable, level surface to prevent tipping. Do not exceed the maximum load capacity of 110 kg per seat.

2. PRODUCT OVERVIEW

The vidaXL Patio Storage Bench with Cushion is a versatile outdoor furniture piece designed to provide both comfortable seating and convenient storage. Constructed from durable PE rattan with a powder-coated steel frame, this bench is built for outdoor use.

Key features include:

- Integrated storage space with a waterproof bag, ideal for cushions, tools, or other outdoor items.
- Gas spring mechanism for safe and easy opening and closing of the lid.
- Thick padded cushion for enhanced seating comfort.
- UV-resistant and weather-resistant PE rattan material.

3. SETUP AND ASSEMBLY

Assembly of your vidaXL Patio Storage Bench is required. Please ensure all components are present before beginning. Refer to the included assembly instructions for detailed steps. The package includes:

- 1 x Garden bench with storage space
- 1 x Waterproof bag for storage compartment
- 1 x Seat cushion with removable and washable cover

Important: During assembly, ensure all screws and fasteners are tightened securely. Do not overtighten. Place the bench on a flat, stable surface.

4. OPERATING INSTRUCTIONS

Using your storage bench is straightforward:

1. **Seating:** Place the padded cushion on the bench seat for comfortable use. Ensure the bench is on a stable surface before sitting.
2. **Accessing Storage:** To open the storage compartment, gently lift the lid. The integrated gas spring will assist in opening and holding the lid securely in place, preventing accidental closure and finger entrapment.
3. **Using the Waterproof Bag:** The storage compartment includes a waterproof bag. Secure this bag inside the compartment using the Velcro fasteners to prevent movement. This bag is designed to protect your stored items from moisture.
4. **Closing Storage:** To close the lid, gently push it down. The gas spring will smoothly guide the lid back into its closed position.

5. MAINTENANCE

Proper maintenance will extend the life and appearance of your vidaXL Patio Storage Bench:

- **Cleaning the Rattan:** The PE rattan material is easy to clean. Wipe down the surface with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The seat cushion features a removable and washable cover. Follow the care instructions on the cushion label for washing. Allow the cover to air dry completely before reattaching.
- **Waterproof Bag:** Periodically check the waterproof bag for any damage. Clean it with a damp cloth as needed.
- **Weather Protection:** Although the bench is UV-resistant and waterproof, using a waterproof cover when not in use or during prolonged periods of adverse weather conditions is recommended to ensure its longevity.
- **Frame Inspection:** Regularly inspect the powder-coated steel frame for any signs of rust or damage. Touch up any scratches to prevent corrosion.

6. TROUBLESHOOTING

If you encounter any issues with your storage bench, consider the following:

- **Lid not opening/closing smoothly:** Check the gas spring mechanism for any obstructions or damage. Ensure all assembly screws related to the lid and hinges are securely fastened.
- **Bench instability:** Verify that the bench is placed on a flat, level surface. Check all assembly connections to ensure they are tightened properly.
- **Water leakage into storage:** Ensure the waterproof bag is correctly installed and secured with Velcro fasteners. Check the bag for any tears or damage. Ensure the lid closes completely and is not obstructed.

For persistent issues, please refer to the Warranty & Support section.

7. SPECIFICATIONS
