3. SETUP AND ASSEMBLY

Assembly of the VINGLI HDPEDiningSet is designed to be straightforward with pre-drilled holes and included tools. For optimal ease and safety, it is recommended that two people assemble the set.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify all table and chair components.
2. **Assemble Chairs:**
 - Attach chair backs to seats using the provided hardware.
 - Secure chair legs to the seat and back assembly.
 - Install crossbars for added stability.
 - Ensure all screws are finger-tight before fully tightening with the included tool.

4. OPERATING INSTRUCTIONS

The VINGLI HDPEDiningSet is designed for outdoor dining and relaxation. Its robust HDPE construction makes it suitable

for various outdoor environments, including patios, gardens, and poolside areas.

- **Seating:** Each chair is designed to comfortably seat one adult, with a weight capacity of 460 lbs.
- **Table Use:** The rectangular table provides ample space for meals and gatherings, supporting up to 320 lbs.
- **Umbrella Integration:** Utilize the central umbrella hole (1.97" diameter) to add a patio umbrella for sun protection (umbrella sold separately).
- **Stability:** The chairs feature crossbar supports for enhanced stability on uneven surfaces.

5. MAINTENANCE AND CARE

The HDPE material of your VINGLI dining set is designed for low maintenance and all-weather durability. Follow these guidelines to ensure its longevity:

- **Cleaning:** Simply wipe surfaces clean with a damp cloth. For stubborn stains, a mild soap solution can be used, followed by rinsing with water. Avoid harsh chemicals or abrasive cleaners.
- **Weather Resistance:** The HDPE material resists fading, cracking, moisture damage, rust, rot, and paint peeling. It is UV-stabilized to prevent sun damage.
- **Storage:** While durable for all seasons, storing the set in a covered area during extreme weather conditions or prolonged periods of non-use can further extend its lifespan. The chairs are lightweight for easy storage.
- **Inspection:** Periodically check all fasteners to ensure they remain tight. Retighten as necessary.

6. TROUBLESHOOTING

If you encounter any issues with your VINGLI HDPEDiningSet, please refer to the following common solutions:

- **Difficulty during Assembly (Misaligned Holes):** While pre-drilled, slight variations can occur. Ensure all parts are correctly oriented before attempting to insert screws. Loosen adjacent screws if necessary to allow for minor adjustments, then retighten. Do not force screws.
- **Loose or Stripped Screws:** If a screw feels loose or stripped, try using a slightly larger screw of the same type if available, or contact customer support for replacement hardware. Avoid overtightening during assembly.
- **Wobbling Chairs/Table:** Ensure all fasteners are fully tightened. Verify that the set is placed on a level surface. The

chairs' crossbar supports are designed to aid stability on slightly uneven ground.

- **Scratches on Surfaces:** Minor scratches may occur during shipping or assembly. HDPE is a durable material, and small imperfections typically do not affect structural integrity or long-term performance.

For issues not covered here, please contact VINGLI customer support.
