Marsail B0DWSBZZD7

Marsail Standing Desk Frame User Manual

Brand: Marsail | Model: B0DWSBZZD7

1. INTRODUCTION

Thank you for choosing the Marsail Electric Standing Desk Frame. This manual provides essential information for the assembly, operation, and maintenance of your new height-adjustable desk frame. Designed for ergonomic comfort and versatility, this frame allows you to customize your workspace with a desktop of your choice, promoting better posture and productivity.

Image: Overview of the Marsail Standing Desk Frame components, including the two main leg assemblies, the adjustable crossbar, the digital control panel, and accessory hooks.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and operation. Failure to follow these instructions may result in injury or damage to the product.

- Always follow the assembly instructions carefully.
- Keep fingers and other body parts away from the moving parts of the desk while adjusting the height.
- Ensure the desk is properly anchored to the floor to prevent tipping.
- Do not exceed the maximum weight limit of 176 lbs (80 kg).
- Always unplug the desk when not in use or when leaving the workspace.
- Do not allow children to operate the desk without adult supervision.

- Avoid placing liquids directly on the control panel or motor housing.

3. PRODUCT FEATURES

- **Sturdy & Stable Support:** Reinforced metal frame supports up to 176 lbs (80 kg), ensuring stability even at maximum height.
- **Powerful & Quiet Motor:** High-performance motor provides smooth and stable height adjustments with less than 55 dB noise output.
- **Adjustable Crossbar:** Accommodates desktops from 39.4" to 62.9" in length and 19.7" to 31.5" in width.
- **Seamless Sit-Stand Transitions:** Height adjustable range from 28.3" to 46.5".
- **4 Memory Presets:** Program and recall your preferred sitting and standing heights with a single touch.
- **Hassle-Free Assembly:** Designed for quick and easy installation with clear instructions and all necessary hardware included.
- **Integrated Cable Management:** Features a cable management tray to keep your workspace tidy.
- **Accessory Hooks:** Includes headphone hooks for convenient storage.

Feature Highlights:

Fits Larger Desktops

Image: The desk frame is designed to fit a wide range of desktop sizes, offering flexibility for various workspace needs.

Image: The desk operates with smooth and quiet movement, ensuring minimal disruption in your work environment.

Elevate Work Comfort

Image: The desk frame allows for easy height adjustment to elevate work comfort, supporting various user heights and postures.

5. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the Marsail Standing Desk Frame is designed to be straightforward. It is recommended to have a second person

assist with certain steps due to the weight and size of the components.

1. **Prepare Workspace:** Clear a spacious area for assembly. Lay out all components and hardware.
2. **Assemble Legs and Crossbar:** Attach the two leg assemblies to the adjustable crossbar. Ensure all screws are securely tightened.
3. **Attach to Desktop:** Carefully place your chosen desktop (not included) upside down on a soft, protected surface. Position the assembled desk frame onto the desktop, ensuring it is centered and aligned. Mark the screw holes. **Note:** A drill may be required to create pilot holes in your desktop for secure attachment.
4. **Install Control Panel and Accessories:** Mount the control panel to the underside of the desktop in an easily accessible location. Attach the headphone hooks and cable management tray as desired.
5. **Connect Wiring:** Connect the motor cable(s) to the control box, and then connect the control box to the power adapter. Route all cables neatly using the cable management tray and included cable ties.
6. **Final Placement:** Carefully flip the desk upright and move it to its desired location. Adjust the leveling feet on the bottom of each leg to ensure the desk is stable and level on uneven floors.

Clean Cable Management

Image: Proper cable management ensures a clean and organized workspace.

6. OPERATING INSTRUCTIONS

The Marsail Standing Desk Frame features an intuitive control panel for easy height adjustment and memory functions.

Control Panel Functions:

- **Up/Down Arrows (▲/▼):** Press and hold to manually adjust the desk height. Release to stop at the desired height.

- **LED Display:** Shows the current height of the desk in inches.
- **Memory Presets (1, 2, 3, 4):**
 - a. **To Set a Preset:** Adjust the desk to your desired height using the Up/Down arrows. Press the "M" button (if present, or a dedicated "Set" button) followed by the desired number button (1, 2, 3, or 4). The display may flash to confirm the setting.
 - b. **To Use a Preset:** Simply press the corresponding number button (1, 2, 3, or 4). The desk will automatically move to the saved height.

7. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your Marsail Standing Desk Frame.

- **Cleaning:** Wipe the frame and control panel with a soft, damp cloth. Avoid abrasive cleaners or solvents. Ensure the desk is unplugged before cleaning.
- **Check Connections:** Periodically inspect all electrical connections and cables to ensure they are secure and undamaged.
- **Lubrication:** The internal mechanisms are pre-lubricated and generally do not require additional lubrication. If you notice unusual friction or noise, consult troubleshooting or contact support.
- **Weight Distribution:** Distribute weight evenly across the desktop to prevent strain on the motor and frame.

8. TROUBLESHOOTING

If you encounter issues with your Marsail Standing Desk Frame, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
Desk does not move or respond to controls.	Power cable disconnected; motor cable loose; overload protection activated.	Check power connection to wall outlet and desk. Ensure all motor cables are securely plugged in. Reduce weight on the desk. Unplug for 10 minutes, then plug back in to reset.
Desk moves unevenly or makes unusual noise.	Uneven weight distribution; loose screws; obstruction.	Ensure weight is evenly distributed. Check and tighten all assembly screws. Inspect for any obstructions under or around the desk.
Coil whine from power supply.	Normal electronic noise; specific power supply characteristic.	This can sometimes occur with electronic components. If it is excessively loud or disruptive, contact customer support.
Desk reaches maximum/minimum height but display shows error.	Calibration issue.	Refer to the specific calibration instructions in your detailed assembly manual (PDF). Often involves holding down a specific button until the desk cycles through its full range.

If the problem persists after attempting these solutions, please contact Marsail customer support for further assistance.

9. SPECIFICATIONS

Attribute	Value
Brand	Marsail
Model Number	B0DWSBZZD7
Material	Alloy Steel
Color	Black
Max Load Capacity	176 lbs (80 kg)

Attribute	Value
Height Adjustment Range	28.3" - 46.5" (71.9 cm - 118.1 cm)
Compatible Desktop Length	39.4" - 62.9" (100 cm - 160 cm)
Compatible Desktop Width	19.7" - 31.5" (50 cm - 80 cm)
Lifting Speed	20 mm/s
Noise Level	< 55 dB
Item Weight (Frame Only)	27.56 Pounds (12.5 kg)
Assembly Required	Yes
Included Components	Headphone Hook, Cable Management Tray
