4. SETUP

4.1. Charging the Earbuds and Case

Before first use, ensure both the earbuds and the charging case are fully charged. Place the earbuds into the charging case. Connect the provided USB A to USB C charging cable to the charging case and a compatible USB power source.

- Earbud Charging Time: Approximately 1 hour.
- Case Charging Time: Approximately 1.5 hours.
- Music Playback Time: Approximately 4 hours (at 80% volume).
- Talk Time: Approximately 3 hours (at 80% volume).
- Standby Time: Up to 50 hours.

50 Hours Long Battery Life

4.2. Bluetooth Pairing

Connecting your HGCXING earbuds to your device is a straightforward process:

1. Open the charging case and remove both earbuds. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop, etc.), navigate to the Bluetooth settings.
3. Search for available devices and select "A30" from the list.
4. Once connected, you will hear an audible confirmation, and the earbuds will be ready for use.

Really Easy to Connect

Connecting Bluetooth 5.3 earbuds for the first time is as easy as opening the box, getting them out and then pairing them **A30** with your device

5.2. Single/Dual Earbud Mode

The earbuds support flexible usage, allowing you to use either a single earbud or both simultaneously:

- **Single Earbud Mode:** Simply take one earbud out of the case. It will automatically connect to your device. The other earbud can remain in the case or be turned off.
- **Dual Earbud Mode:** Take both earbuds out of the case. They will automatically pair with each other and then connect to your device.

6. MAINTENANCE

To ensure the longevity and optimal performance of your HGCXING Wireless Earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** Do not expose the earbuds or charging case to water or excessive moisture.
- **Temperature:** Avoid extreme temperatures, both hot and cold, as these can affect battery life and product performance.

7. TROUBLESHOOTING

If you encounter issues with your earbuds, refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are out of the case and fully charged. Turn off and on your device's Bluetooth, then try pairing again.
- **No sound:** Check the volume level on both your device and the earbuds. Ensure the earbuds are properly connected to your device.
- **Charging issues:** Verify that the charging cable is securely connected to both the case and the power source. Ensure the charging contacts on the earbuds and inside the case are clean.
- **Poor sound quality:** Ensure the earbuds are properly seated in your ears. Try cleaning the ear tips.

If problems persist, please refer to the support information provided with your product or contact customer service.
