4. SETUP INSTRUCTIONS

1. Unfolding the Chair:

Place the folded chair on a flat, stable surface. Gently pull the frame apart until it fully extends into the lounge position. Ensure all three sets of legs are fully deployed and stable.

2. Attaching the Cushion:

Unfold the padded cushion. Align it with the lounge frame. The cushion typically has ties or straps to secure it to the frame. Fasten these securely to prevent the cushion from shifting during use.

3. Attaching the Headrest and Face Pillow:

The detachable headrest pillow can be positioned along the backrest for neck support. The reversible face pillow is designed to fit into the face hole for comfortable face-down lounging. Place it as desired.

4. Attaching the Storage Side Pocket:

Hook or tie the storage side pocket to the side of the lounge frame for convenient access to personal items.

5. OPERATING INSTRUCTIONS

1. Adjusting the Backrest Position:

To adjust the backrest, slightly lift the backrest section and move it to your desired angle. There are 5 available positions. Ensure the support bar clicks securely into place at the chosen notch before applying full weight.

3. Folding for Storage/Transport:

To fold the chair, ensure the backrest is in its lowest position. Carefully lift the middle section of the frame and bring the ends together. Secure any straps or latches to keep it in a compact, folded state. Use the integrated shoulder strap or handle for carrying.

6. MAINTENANCE

• Cleaning the Frame:

Wipe the iron frame with a damp cloth and mild soap. Rinse thoroughly and dry completely to prevent rust. Avoid abrasive cleaners.

• Cushion Care:

The removable padded cushion can be spot cleaned with mild detergent and water. Allow it to air dry completely. Refer to the cushion's care tag for specific washing instructions if available. The tufted design helps maintain even filling distribution.

- **Textelene Fabric Care:**

The Textelene fabric is breathable and wear-resistant. Clean with a soft brush and mild soapy water. Rinse well and air dry. This fabric is designed to be resistant to fading and UV exposure.

- **Storage:**

When not in use, especially during inclement weather or off-season, store the folded lounge in a dry, protected area to prolong its lifespan.

7. TROUBLESHOOTING

Issue: Chair feels unstable or wobbly.

Solution: Ensure all three sets of legs are fully extended and resting on a flat, level surface. Check that the backrest adjustment mechanism is securely locked into position.

Issue: Difficulty adjusting the backrest.

Solution: Slightly lift the backrest to release tension before attempting to move the support bar to a different notch. Do not force the mechanism.

Issue: Cushion slides off the chair.

Solution: Verify that all ties or straps on the cushion are securely fastened to the chair frame. Adjust as needed.
