Catitru i25

Catitru i25 Wireless Earbuds User Manual

Model: i25 | Brand: Catitru

1. Introduction

Thank you for choosing the Catitru i25 Wireless Earbuds. This manual provides detailed instructions on how to set up, operate, and maintain your earbuds to ensure optimal performance and longevity. Please read this manual carefully before using the product and keep it for future reference.

2. What's in the Box

- i25 Wireless Bluetooth Earbuds (Left and Right)
- Wireless Charging Case
- Type-C Charging Cable (1x)
- Silicone Eartips (S, M, L sizes)
- User Manual

3. Product Overview

The Catitru i25 earbuds are designed for comfort and high-quality audio, featuring a secure earhook design and advanced sound technology.

Figure 3.1: Catitru i25 Wireless Earbuds in their charging case, illustrating the sleek design and charging indicators.

Key Features:

- **3D Stereo Sound:** Equipped with AAC/SBC audio decoder and 14.2mm composite diaphragm for rich, clear audio.
- **Crystal Clear Calls:** Features ENC Noise Cancelling Mic for enhanced call clarity.
- **Bluetooth 5.3:** Ensures fast, stable, and low-latency connection with a transmission speed increase of 150% compared to Bluetooth 5.2.
- **Extended Playtime:** Up to 6-8 hours on a single charge, with a total of 48 hours using the 400mAh charging case.
- **Quick Charge:** 10 minutes of charging provides 2 hours of playback.
- **Comfortable Sports Earhooks:** Soft, ultra-light, and flexible 45° earhook structure for secure fit during activities.
- **IPX7 Waterproof:** Protects against sweat and rain, ideal for workouts and daily use.

- **Smart Touch Control:** Multi-function touch panel for easy control of music, calls, and voice assistants.
- **Dual LED Display:** Charging case shows remaining power percentage (1%-100%), and individual earbud battery levels are displayed.

Figure 3.2: Visual representation of the Catitru i25's core features, including driver size, battery life, controls, noise cancellation, comfort, and Bluetooth version.

4. Setup

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Connect the provided Type-C charging cable to the charging port on the case.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED display on the charging case will show the battery percentage. When fully charged, it will display "100".
4. Place the earbuds into the charging case. Ensure they are correctly seated; the earbuds will automatically begin charging. The individual earbud battery indicators on the case will show their charging status.

A full charge for the case takes approximately 1.5 hours. Earbuds charge quickly, with 10 minutes of charge providing 2 hours of playback.

Figure 4.1: The charging case features a digital LED display for the case's battery percentage and separate indicators for each earbud's charge level.

4.2 Pairing with Your Device (One-step Auto Pairing)

The Catitru i25 earbuds feature automatic pairing for convenience.

1. Open the charging case and remove both earbuds. They will automatically power on and enter pairing mode.
2. On your smartphone, tablet, or computer, enable Bluetooth.
3. Search for available Bluetooth devices and select "i25" from the list.
4. Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.

The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

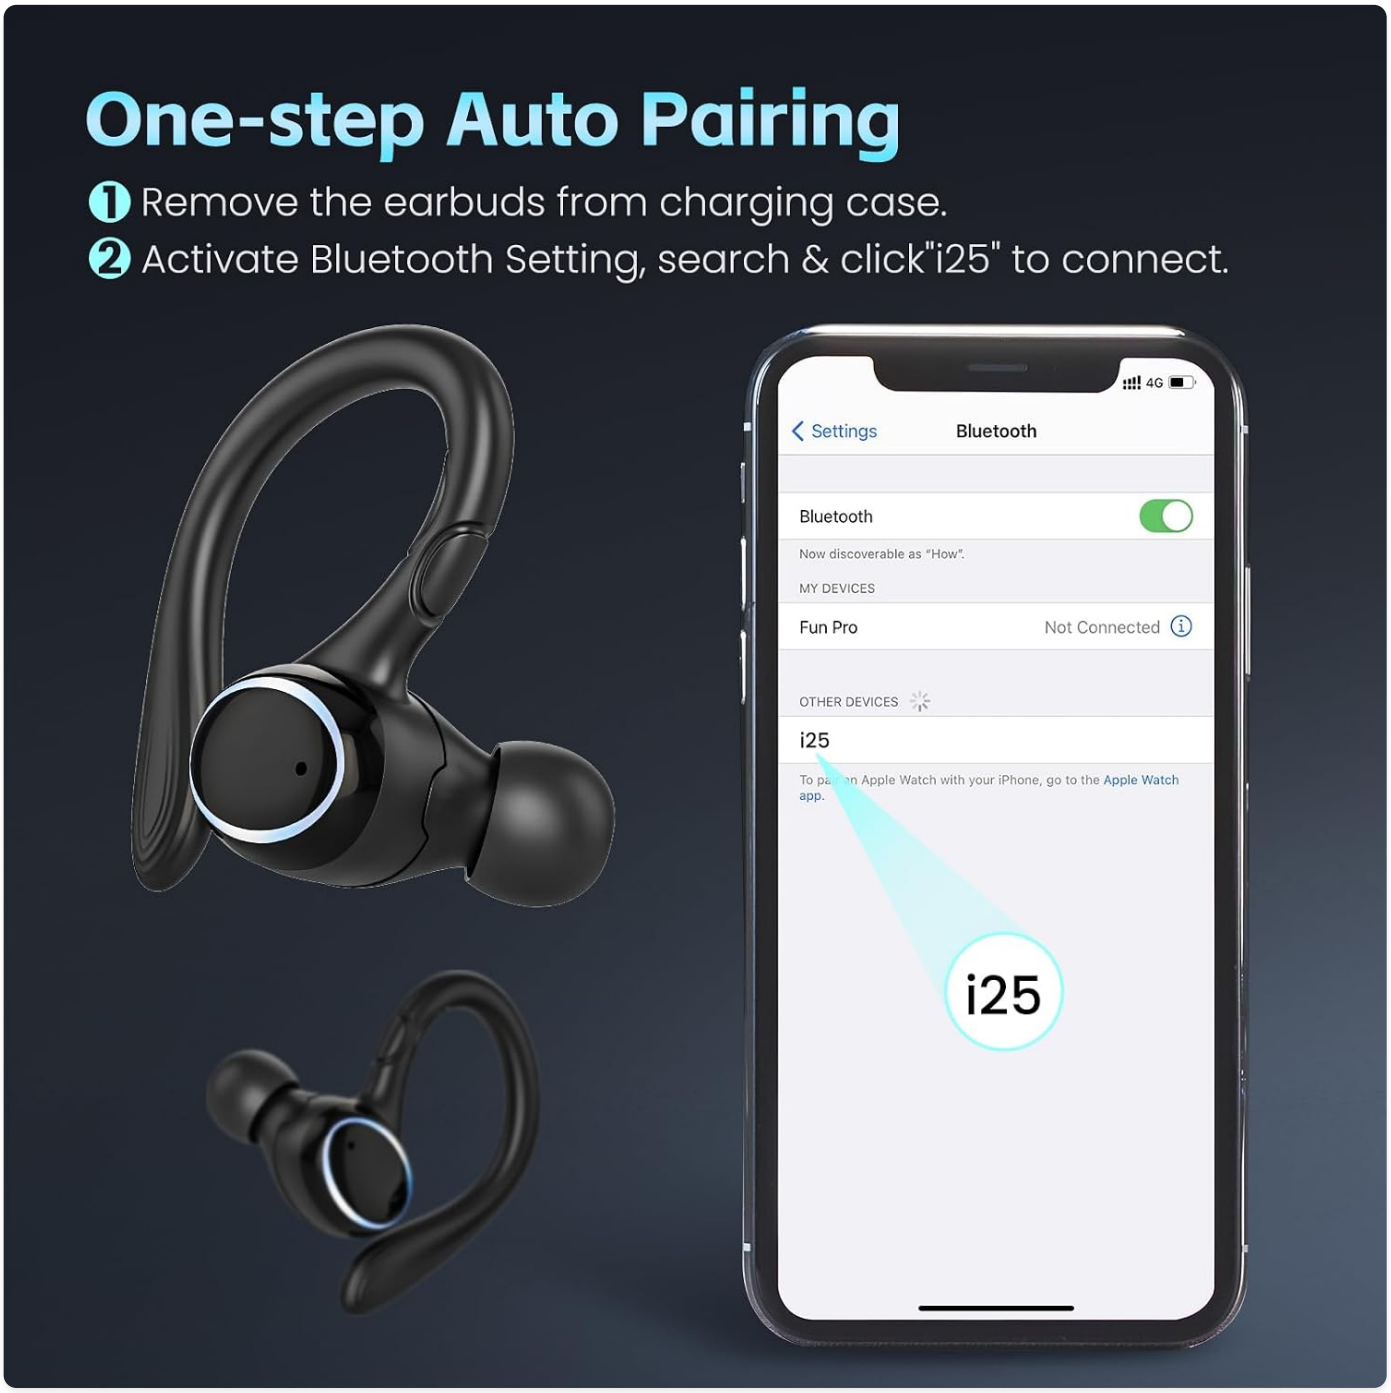

Figure 4.2: Illustration of the simple one-step auto-pairing process, showing the earbuds and a smartphone's Bluetooth settings screen.

5. Operating Instructions

The Catitru i25 earbuds feature intuitive touch controls on each earbud for managing audio playback, calls, and voice assistants.

Figure 5.1: Detailed diagram of the touch control functions for the Catitru i25 earbuds.

5.1 Music Playback Controls

Action	Control
Play/Pause	Double tap either earbud (x2)
Next Song	Tap and hold right earbud for 2 seconds (2s)
Previous Song	Tap and hold left earbud for 2 seconds (2s)
Volume Up	Single tap right earbud (x1)
Volume Down	Single tap left earbud (x1)

5.2 Call Management

Action	Control
Answer Call	Single tap either earbud (x1)
End Call	Tap and hold either earbud for 2 seconds (2s)
Reject Call	Tap and hold either earbud for 2 seconds (2s)

5.3 Voice Assistant

Action	Control

Action	Control
Activate Siri/Google Assistant	Triple tap either earbud (x3)

6. Maintenance

6.1 Cleaning

- Regularly clean the earbuds, especially the eartips and charging contacts, with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Remove eartips and clean them separately with mild soap and water if necessary, ensuring they are completely dry before reattaching.

6.2 Storage

- Always store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store the case and earbuds in a cool, dry place, away from extreme temperatures and direct sunlight.

6.3 Water Resistance (IPX7)

The Catitru i25 earbuds are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This makes them suitable for sports and protection against sweat and rain.

- Do not intentionally submerge the earbuds for extended periods or in depths greater than specified.
- The charging case is not waterproof. Do not expose the charging case to water or moisture.
- Ensure earbuds are completely dry before placing them back into the charging case to prevent damage to the charging contacts.

Figure 6.1: The IPX7 rating ensures the earbuds are resistant to sweat and rain, making them suitable for active use.

7. Troubleshooting

If you encounter issues with your Catitru i25 earbuds, please refer to the following common solutions:

7.1 Earbuds Not Charging

- Ensure the charging cable is securely connected to both the case and the power source.
- Check if the charging contacts on both the earbuds and inside the case are clean and free of debris.
- Verify that the charging case has sufficient battery power.

7.2 Earbuds Not Pairing/Connecting

- Make sure Bluetooth is enabled on your device.
- Ensure the earbuds are fully charged and removed from the charging case.

- Turn off Bluetooth on other nearby devices to avoid interference.
- Forget "i25" from your device's Bluetooth list and attempt to re-pair.
- Place both earbuds back into the charging case, close the lid, wait a few seconds, then open and try pairing again.

7.3 Low Volume or Poor Sound Quality

- Adjust the volume on both your device and the earbuds.
- Ensure the eartips are properly sealed in your ear canal. Try different sizes of eartips for a better fit.
- Clean any earwax or debris from the earbud nozzles.
- Ensure there are no obstructions between your device and the earbuds.

7.4 Only One Earbud Working

- Place both earbuds back into the charging case, close the lid, and then remove them simultaneously.
- Ensure both earbuds are charged.
- Try resetting the earbuds (refer to specific reset instructions if available, otherwise, the re-pairing step above often resolves this).

8. Specifications

Feature	Detail
Model Name	i25
Brand	Catitru
Connectivity Technology	Wireless (Bluetooth 5.3)
Bluetooth Version	5.3
Audio Driver Type	Dynamic Driver (14.2mm composite diaphragm)
