

Mirightone B0DWSH878W

Mirightone Full Size Metal Loft Bed with Desk and Stairs

MODEL: B0DWSH878W - INSTRUCTION MANUAL

1. INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your Mirightone Full Size Metal Loft Bed with Desk and Stairs. Please read all instructions carefully before beginning assembly and retain this manual for future reference. This loft bed is designed to provide a functional sleeping and workspace solution with integrated features such as LED lighting, a charging station, and storage.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 400 lbs (181 kg) on the top bunk.
- **Stair Use:** Exercise caution when using the integrated stairs. Ensure a firm grip and stable footing.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened securely before use. Regularly check and re-tighten fasteners as needed.
- **Anti-Tipping:** Utilize the provided Anti-Tipping Nails to securely fasten the bed to the wall for added safety and stability.
- **Mattress Thickness:** The recommended mattress thickness for this bed is 6 inches.
- **Children:** This product is intended for use by children, girls, boys, and teens. Adult supervision is recommended during initial use.

3. PARTS LIST

Your Mirightone Full Size Metal Loft Bed package includes the following components:

- Bed Frame components (metal tubing, bed slats)
- Desk and Staircase components (metal and MDF)
- LED Light system
- Charging Station (2 USB ports, 2 outlets)

- Storage Bags and Hooks
- All necessary Hardware (screws, bolts, tools)
- Detailed Assembly Manual (separate document)

Note: This metal loft bed will be delivered in two separate boxes. Please ensure both boxes have arrived before commencing assembly.

4. SETUP AND ASSEMBLY

Assembly of the Mirightone Full Size Metal Loft Bed requires careful attention to detail. Refer to the separate, detailed assembly manual included in your package for step-by-step instructions and diagrams. All parts are numbered for easy identification.

1. **Unpack Components:** Carefully unpack all parts from both boxes and verify against the parts list in the assembly manual.
2. **Frame Assembly:** Begin by assembling the main metal frame structure according to the manual's instructions.
3. **Staircase Installation:** The staircase is designed to be convertible and can be installed on either the left or right side of the bed frame to best suit your room layout. Follow the specific instructions for your desired orientation.
4. **Desk and Shelves:** Attach the desk and staircase shelves as indicated in the manual.
5. **LED and Charging Station:** Install the LED light system and charging station into their designated positions. Ensure all electrical connections are secure.
6. **Final Checks:** Once assembled, double-check all screws and bolts to ensure they are tightly secured. Attach the anti-tipping hardware to the wall.

5. OPERATING INSTRUCTIONS AND FEATURES

5.1. LED Light and Charging Station

The loft bed is equipped with an integrated LED light system and a convenient charging station. The charging station includes two USB ports and two standard electrical outlets, ideal for powering and charging electronic devices. The LED light provides comfortable illumination for reading or working.

6. MAINTENANCE

- **Cleaning:** Wipe down metal surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Fasteners:** Periodically check all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Electrical Components:** Ensure the LED light and charging station cables are not pinched or damaged. If any electrical component malfunctions, discontinue use and contact customer support.

7. TROUBLESHOOTING

- **Bed Wobbles:** Check all assembly bolts and screws. Ensure they are fully tightened. Verify the bed is placed on a level surface. Ensure anti-tipping hardware is properly installed.
- **LED Light Not Working:** Check the power connection to the outlet. Ensure the light strip is properly connected.
- **Charging Station Not Working:** Verify the power cord is securely plugged into a functional wall outlet. Test with different devices and cables.

- **Missing Parts:** If any parts are missing upon delivery, refer to the customer support section for assistance.
