Paladone Stitch LED Neon Light Bulb Instruction Manual

MODEL: PP14114LS

1. INTRODUCTION

Thank you for purchasing the Paladone Stitch LED Neon Light Bulb. This manual provides essential information for the safe and proper use of your new decorative light bulb. Please read these instructions carefully before installation and retain them for future reference.

2. PRODUCT OVERVIEW

The Paladone Stitch LED Neon Light Bulb is a decorative LED bulb designed to enhance your living space with a unique Disney theme. It features a filament shaped like Stitch's head, emitting a vibrant blue glow when illuminated. This bulb is designed to fit into standard E27 lamp bases.

3. SAFETY INFORMATION

- **Indoor Use Only:** This product is designed for indoor use in dry locations. Do not expose to water or high humidity.
- **Electrical Safety:** Always ensure the power supply to the lamp is switched off before installing or removing the bulb.
- **Voltage Compatibility:** Ensure your lamp fixture's voltage matches the bulb's specifications (100-240V AC).
- **Handle with Care:** The bulb is made of glass. Handle it gently to prevent breakage.
- **Heat:** While LED bulbs generate less heat than incandescent bulbs, allow the bulb to cool before handling after prolonged use.
- **Disposal:** Dispose of the bulb according to local regulations for electronic waste.

4. SETUP

4.1 Unpacking

Carefully remove the Paladone Stitch LED Neon Light Bulb from its packaging. Inspect the bulb for any visible damage before proceeding with installation.

4.2 Installation

1. **Ensure Power is Off:** Before installation, make sure the power switch to the lamp fixture is in the 'OFF' position and, if possible, unplug the lamp from the wall outlet.
2. **Identify Compatible Base:** This bulb is designed for an E27 screw-in lamp base. Confirm your lamp fixture has a compatible base.
3. **Screw in the Bulb:** Gently screw the Paladone Stitch LED Neon Light Bulb into the E27 lamp base until it is snug. Do not overtighten.
4. **Restore Power:** Once the bulb is securely installed, plug the lamp back into the wall outlet (if

unplugged) and switch on the power.

5. OPERATING INSTRUCTIONS

To operate the Paladone Stitch LED Neon Light Bulb, simply turn on the power switch of the lamp fixture it is installed in. The bulb will illuminate with a blue glow, showcasing the Stitch design. To turn off the bulb, switch off the lamp fixture's power.

6. MAINTENANCE

- **Cleaning:** To clean the bulb, ensure the power is off and the bulb is cool. Wipe gently with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Replacement:** When the bulb reaches the end of its lifespan, ensure the power is off and the bulb is cool before carefully unscrewing it from the lamp base. Replace with a new, compatible bulb.

7. TROUBLESHOOTING

- **Bulb does not light up:**
 - Check if the lamp fixture is plugged in and the power switch is on.
 - Ensure the bulb is securely screwed into the lamp base.
 - Test the lamp fixture with another working bulb to confirm the fixture is functional.
- **Light is dim or flickers:**
 - Ensure the bulb is fully screwed in.
 - Check for stable power supply to the lamp.
 - If the bulb has been in use for a very long time, it may be nearing the end of its operational life.

8. SPECIFICATIONS

Feature	Specification
Brand	Paladone
Model Number	PP14114LS
Light Type	LED
Bulb Base	E27
Voltage	100-240 Volts AC, 50-60 Hertz
Power Consumption	5 kWh (Energy Efficiency Class A)
Brightness	60 Lumens
Light Color	Blue
Material	Glass
Product Dimensions	5.31 x 5.31 x 7.09 inches

Item Weight	7.3 ounces (0.21 Kilograms)
Usage Environment	Indoor Only
Special Feature	Energy Efficient

9. WARRANTY AND SUPPORT
