Felicità SLCH-10WHGY

Felicità Ergonomic Office Chair SLCH-10WHGY Instruction Manual

Model: SLCH-10WHGY | Brand: Felicità

1. INTRODUCTION

Thank you for choosing the Felicità Ergonomic Office Chair SLCH-10WHGY. This chair is designed to provide optimal comfort and support for long hours of work, featuring a breathable mesh back, adjustable lumbar support, a 3D headrest, and convenient flip-up armrests. Please read this manual carefully before assembly and use to ensure proper function and longevity of your chair.

2. PACKAGE CONTENTS AND ASSEMBLY

Before beginning assembly, please ensure all parts are present and undamaged. Refer to the parts diagram below. Tools for assembly are included in the package.

人間工学に基づいた設計

長時間の作業でも疲れにくく、
姿勢をサポート

Assembly Steps:

1. **Install Casters:** Insert the five rollers into the legs of the chair base.
2. **Insert Gas Rod:** Place the gas rod vertically into the center hole of the chair base.
3. **Attach Armrest and Backrest:** Connect the armrest and backrest using 4 screws (M6*25mm).
4. **Connect Armrest and Seat Cushion:** Attach the armrest to the seat cushion using 4 screws (M6*30mm).
5. **Install Tray:** Secure the tray to the underside of the seat cushion using 4 screws (M6*20mm).
6. **Attach Seat to Gas Rod:** Insert the gas rod into the tray hole.
7. **Install Armrests (Side):** Install the armrests to the side of the seat/backrest assembly using 2 screws (M8*25mm).
8. **Install Headrest:** Attach the headrest to the top of the backrest using two screws (M6*25mm).

3. OPERATING INSTRUCTIONS

Your Felicita office chair offers several adjustable features to customize your seating experience.

3.1 Lumbar Support Adjustment

The lumbar support can be adjusted vertically and horizontally to fit the curve of your lower back, providing optimal support and reducing strain during prolonged sitting.

- **Vertical Adjustment:** The lumbar support can be moved up and down by 3cm.
- **Horizontal Adjustment:** The lumbar support can be moved forward and backward by 3cm.

3.2 Headrest Adjustment

The 3D headrest can be adjusted to support your head and neck comfortably.

- **Height Adjustment:** The headrest can be moved up and down by 5cm.
- **Angle Adjustment:** The headrest offers a 45-degree adjustable range to fit various head positions.

3.4 Height Adjustment

Adjust the chair's height to find your ideal ergonomic position. The chair offers an 8cm height adjustment range.

- To raise the chair: Pull the lever upwards while taking your weight off the seat.
- To lower the chair: Pull the lever upwards while seated.

3.5 Rocking Function

The chair features a rocking function for relaxation. You can also adjust the tension of the rocking mechanism.

- **Activate/Deactivate Rocking:** Pull the lever outwards to enable rocking, push it inwards to lock the backrest in an upright position.
- **Adjust Rocking Tension:** Turn the round knob located under the seat to increase (clockwise) or decrease (counter-clockwise) the rocking tension.

4. MAINTENANCE

Regular maintenance will help prolong the life of your Felicita office chair.

- **Cleaning:** For the mesh backrest and fabric seat, use a soft cloth dampened with mild soap and water. Avoid harsh chemicals or abrasive cleaners.
- **Casters:** Periodically check the casters for hair or debris and clean them to ensure smooth movement.
- **Screws:** Occasionally check all screws and tighten them if necessary to maintain stability.

5. TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common problems and solutions:

- **Chair does not adjust height:** Ensure the gas rod is correctly inserted and the height adjustment lever is fully engaged. Check for any obstructions.
- **Chair wobbles:** Verify that all assembly screws are securely tightened.
- **Casters are not rolling smoothly:** Clean any debris (hair, dust) from the caster wheels.
- **Rocking function is too stiff/loose:** Adjust the rocking tension knob located under the seat.

If the problem persists, please contact customer support.
