MAINTENANCE AND SAFETY GUIDELINES

To ensure the longevity and safe operation of your FEZIBO Electric Standing Desk, please adhere to the following guidelines:

- Always follow the assembly instructions provided.
- Do not exceed the weight limit of 154 lbs (70 kg) for the desktop.
- Keep the desk away from water and heat sources.
- Always use the desk with caution and follow all safety guidelines.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk stops unexpectedly during adjustment:** The desk features an anti-collision technology. If it encounters an obstacle when lifting or lowering, it will move approximately 2 centimeters in the opposite direction to prevent damage or injury. Clear any obstructions and try again.
- **Control panel unresponsive or needs reset:** To reset the power control, press and hold the "Up" and "Down" arrows together on the control panel until the display indicates a reset.
