## Key Features:

- **Spacious & Cozy Play Tent:** Offers a private and comfortable space with soft, breathable polyester fabric for proper airflow.
- **Magical Star Lights Included:** Creates a dreamy atmosphere to spark imagination.
- **Upgraded Padded Mat for Extra Comfort:** A soft, quilted mat provides additional cushioning for comfortable play.
- **Sturdy & Built to Last:** Designed with a strong frame and durable construction for stability and long-term use.
- **Versatile Use:** Ideal for play, reading, or as a sleeping area.

## SETUP INSTRUCTIONS

Follow these steps to assemble your Tiny Land Kids Tent:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components are present.
2. **Assemble Frame:** Connect the frame poles according to the diagram. Ensure all connections are secure. The

frame is designed for stability.

3. **Attach Tent Fabric:** Drape the tent fabric over the assembled frame. Secure the fabric to the frame using the designated ties or loops. Ensure the fabric is taut and evenly distributed.
4. **Position Mat:** Place the soft, quilted mat inside the tent. The mat is designed to fit the tent's dimensions and provide a comfortable floor.
5. **Install Star Lights:** Arrange the star string lights around the tent's interior or exterior as desired. Ensure the battery pack (if applicable) is placed in an accessible but secure location, away from small children.
6. **Adjust Curtains:** The tent features tie-up door curtains and three ventilation windows. Adjust these as needed for light and airflow.

## MAINTENANCE

Proper care will extend the life of your Tiny Land Kids Tent:

- **Tent Fabric:** The tent fabric is machine washable. For best results, wash on a gentle cycle with cold water and mild detergent. Air dry or tumble dry on low heat. Do not bleach.
- **Padded Mat:** The quilted mat can be spot cleaned with a damp cloth and mild soap. For deeper cleaning, check the care label on the mat for specific washing instructions.
- **Star Lights:** The star lights are for decorative purposes. Keep them dry and clean. If battery operated, replace batteries as needed.
- **Frame:** Wipe down the frame poles with a damp cloth if they become dirty. Ensure all connections remain

secure.

- **Storage:** When not in use, disassemble the tent and store all components in a dry, cool place, preferably in its original packaging or a suitable storage bag to protect it from dust and damage.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Tent is unstable or wobbly.	Frame poles not fully connected or fabric not taut.	Ensure all frame poles are securely clicked into place. Adjust fabric to be evenly stretched and tied down.
Star lights are not working.	Batteries are dead or incorrectly inserted. Connection issue.	Check and replace batteries if necessary, ensuring correct polarity. Verify all connections are secure.
Fabric appears wrinkled after washing.	Improper drying or folding.	Air dry flat or tumble dry on low. Smooth out wrinkles before storing. A low-heat iron can be used if necessary, avoiding direct contact with printed areas.
