GoAssemb The Poseidon Modern Cruise Ship Building Blocks Instruction Manual

Model: 4807XUGOC14CN

1. PRODUCT OVERVIEW

This instruction manual provides detailed guidance for assembling and maintaining your GoAssemb The Poseidon Modern Cruise Ship Building Blocks set. This large-scale model, designed by bru_bri_mocs, consists of 4380 pieces, offering a comprehensive building experience for enthusiasts.

Upon completion, the model serves as an impressive display piece, showcasing intricate details of a modern cruise ship. The set is crafted from durable ABS material, ensuring a firm structure and quality finish.

2. SAFETY INFORMATION

- **Age Recommendation:** This building block set is suitable for individuals aged 16 and above.
- **Small Parts Warning:** The set contains numerous small parts which may pose a choking hazard. Keep out of reach of young children.
- **Assembly Environment:** Assemble the model in a well-lit, clean, and organized area to prevent loss of pieces.
- **Material Safety:** The building blocks are made from ABS plastic. Avoid ingestion and prolonged exposure to extreme temperatures.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present in your package:

- Building Blocks Set (4380 pieces) x 1
- Digital PDF Instruction Manual (provided electronically or via download link) x 1

Note: The building blocks are typically packed by type into individual bags to facilitate the assembly process.

4. ASSEMBLY INSTRUCTIONS

The assembly of The Poseidon Modern Cruise Ship model is guided by a detailed, easy-to-follow PDF instruction manual. This manual is designed to assist builders of all experience levels.

1. **Access the Manual:** The PDF manual will be sent to you with the package or can be accessed via a provided link. Ensure you have a device capable of viewing PDF files.
2. **Organize Pieces:** Before starting, sort the building blocks by color, size, or type as indicated in the manual. This will significantly streamline the assembly process.
3. **Follow Step-by-Step:** Adhere strictly to the step-by-step instructions and diagrams provided in the PDF manual. Each step builds upon the previous one to ensure structural integrity.
4. **Secure Connections:** Ensure all blocks are firmly connected. Loose connections can compromise the stability of the model.
5. **Patience is Key:** This is a large and detailed model. Take your time and enjoy the building process. Do not force pieces together.

5. OPERATING AND DISPLAY

The GoAssemb The Poseidon Modern Cruise Ship is a static display model designed for exhibition. It does not feature motorized components or interactive functions beyond its structural assembly.

- **Display Location:** Choose a stable, flat surface for display, away from direct sunlight, excessive heat, or high humidity to preserve the integrity of the plastic blocks.
- **Handling:** Handle the assembled model with care, especially when moving it, to prevent accidental disassembly of smaller components.

6. MAINTENANCE AND CARE

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces organized in sealed containers to prevent loss and protect them from dust and damage.

7. TROUBLESHOOTING

- **Missing Pieces:** In the rare event of missing pieces, please contact GoAssemb customer support with details of the missing components.
- **Assembly Difficulties:** If you encounter challenges during assembly, refer back to the PDF instruction manual. Ensure each step is followed precisely. If issues persist, contact customer support for assistance.
- **Loose Connections:** If parts do not fit snugly, ensure they are correctly oriented and aligned. Avoid forcing pieces, as this can cause damage.
