## IRONCK HK-TS-TV03

# IRONCK Entertainment Center with Power Outlet and LED Lighting (70.9 Inches)

Model: HK-TS-TV03

## INTRODUCTION

---

This manual provides essential information for the assembly, operation, and maintenance of your IRONCK Entertainment Center. Please read these instructions carefully before beginning assembly or use to ensure proper function and safety. This entertainment center is designed to accommodate various media devices and televisions up to 75 inches, featuring integrated LED lighting and a convenient power outlet.

## SAFETY INFORMATION

---

Adherence to the following safety guidelines is crucial for preventing injury and damage to the product:

- Always ensure cables are properly managed and not left exposed to prevent tripping hazards.
- This product requires assembly. Follow the provided instructions carefully to ensure stability and prevent injuries.
- Do not exceed the weight limit of the product to maintain its structural integrity.
- Place the entertainment center on a flat, stable surface.
- Keep small parts and packaging materials away from children during assembly.

## PACKAGE CONTENTS

---

Verify that all components are present before beginning assembly. The package typically includes:

- Carbon fiber board panels
- 3 height-adjustable glass shelves

- LED light strips with remote control
- Built-in charging station (2 USB ports, 2 standard sockets)
- Assembly hardware (screws, dowels, etc.)
- Instruction manual

## ASSEMBLY

---

The IRONCK Entertainment Center is designed for straightforward assembly. Detailed, numbered instructions and all necessary hardware are included in the package. Please follow these instructions step-by-step to ensure correct and secure construction.

1. Unpack all components and verify against the parts list.
2. Identify each panel and hardware piece using the provided labels.
3. Follow the graphical and written instructions for each assembly step.
4. Ensure all connections are tightened securely, but do not overtighten.
5. Install the LED light strips and charging station as directed.

For assistance during assembly, refer to the contact information in the Warranty and Support section.

## SETUP

---

### Placement Considerations

The entertainment center measures 13.6"D x 70.9"W x 24.6"H. Choose a location in your living room or entertainment area that provides adequate space and is away from direct sunlight or heat sources. The raised base provides added stability.

### TV Placement

This entertainment center is suitable for flat-screen TVs ranging from 50 to 75 inches. Ensure your TV's base fits securely on the top surface. If your TV has wide legs, consider a center-stand TV or wall-mounting the TV above the unit for optimal stability and aesthetics.

## **Device Connections**

The unit features 11 compartments and 3 height-adjustable glass shelves, ideal for organizing gaming consoles, media players, soundbars, and other accessories. Cable holes at the back of the unit help manage wires for a tidy setup.

## Large Storage with 9 Shelves

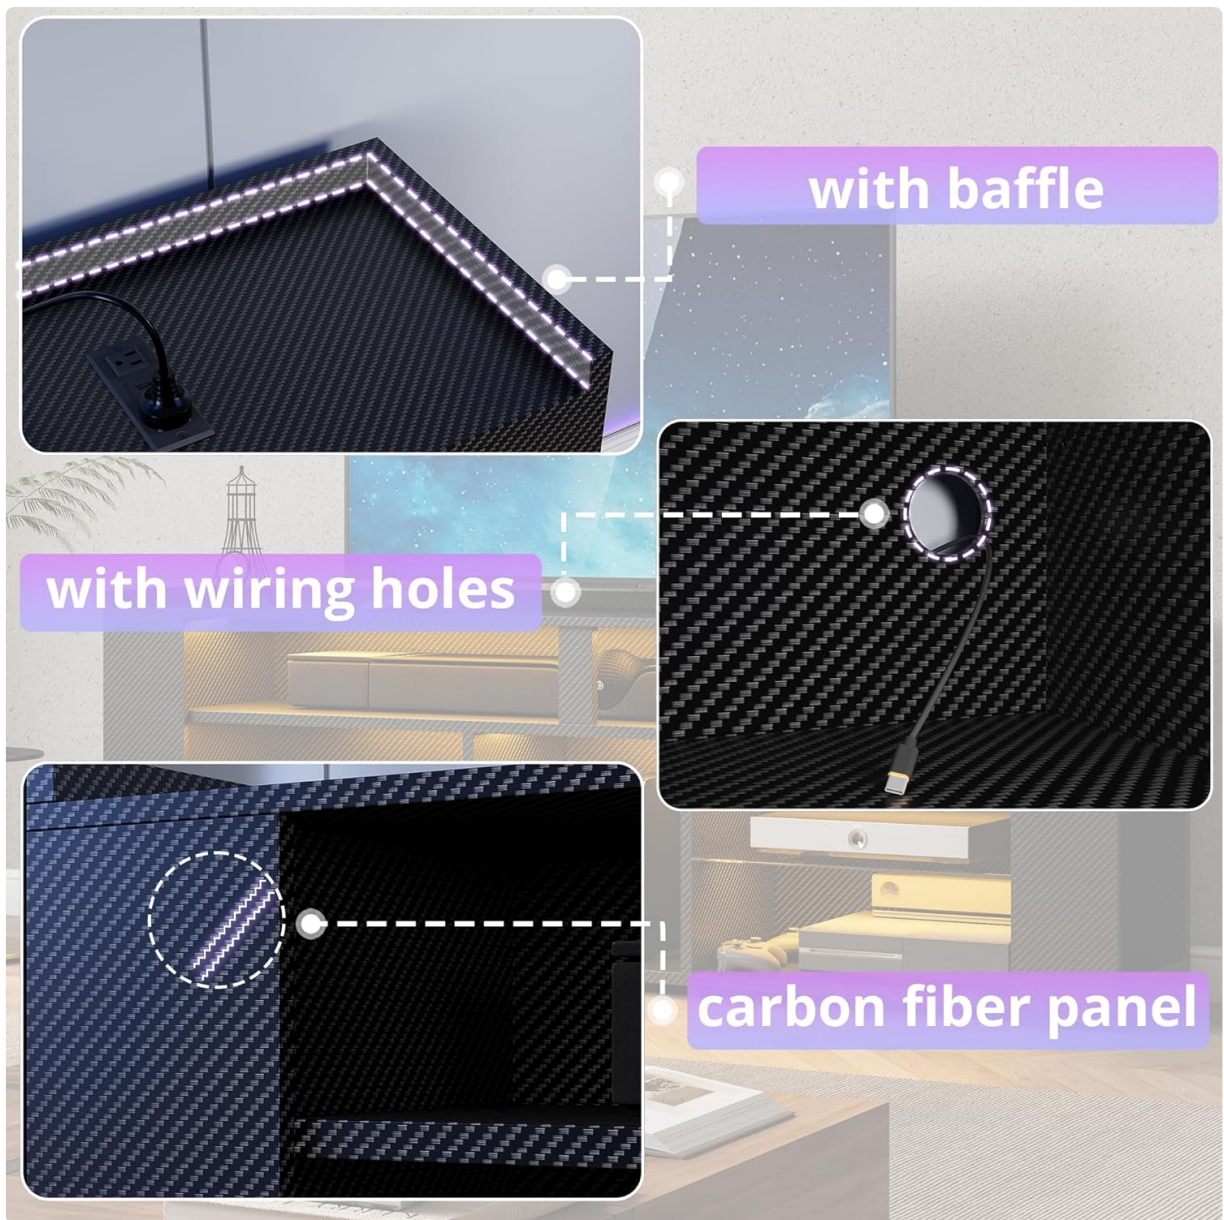

- Ample storage for daily items
- Keep media devices organized
- Separate storage for different stuff

## OPERATING INSTRUCTIONS

### LED Lighting

The integrated LED light strips enhance the ambiance of your entertainment area. Use the included remote control to adjust colors, brightness, and lighting modes. The remote allows for selection of 7 main colors, as well as dynamic RGB effects.

## Multifunctional dynamic RGB LED lights

## MAINTENANCE

To maintain the appearance and longevity of your entertainment center:

- The waterproof surface can be easily wiped clean with a damp cloth. Avoid abrasive cleaners.
- Regularly check all hardware connections and tighten if necessary.
- Keep the unit away from excessive moisture and direct heat.

## TROUBLESHOOTING

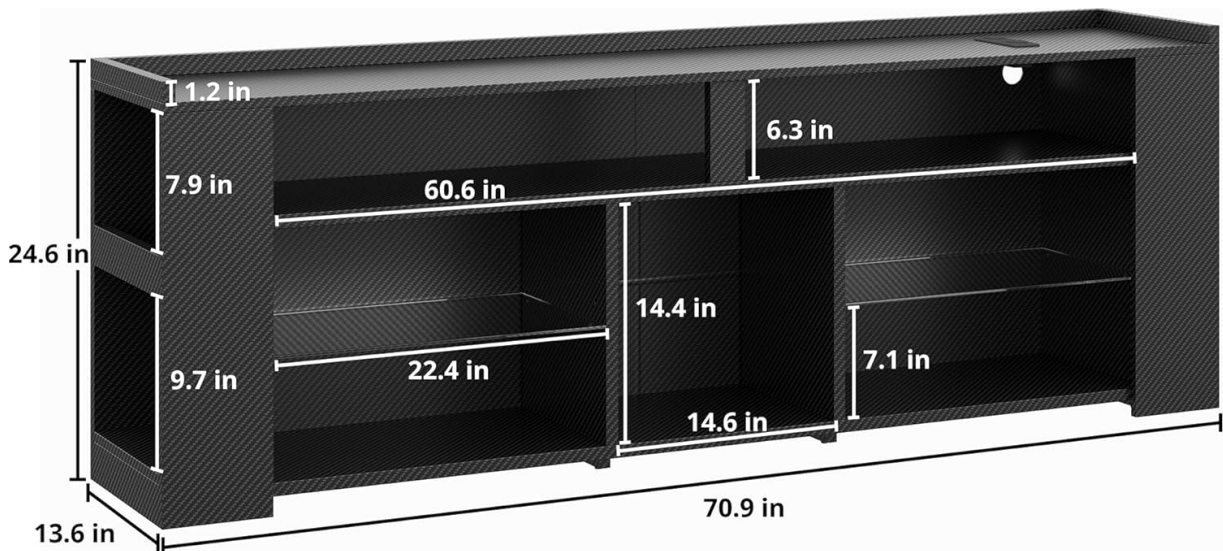

If you encounter issues with your IRONCK Entertainment Center, consider the following:

- **LED Lights Not Functioning:** Ensure the power connection is secure and the remote control batteries are functional. If the adhesive for the LED strips is insufficient, use additional double-sided tape.

- **TV Stability:** For TVs larger than 55 inches, especially those with wide-set legs, ensure the TV base is fully supported. Consider using a TV with a central stand or wall-mounting the TV above the unit.
- **Gaming Console Fit:** Verify the dimensions of your gaming console against the internal shelf dimensions. Some larger consoles may need to be placed horizontally or in specific compartments.
- **Missing Parts/Damage:** If parts are missing or damaged upon arrival, contact customer support immediately.
