SETUP

Your Liu Jo handbag comes ready for immediate use. No assembly is required.

1. **Unpacking:** Carefully remove the handbag from its packaging. Retain any protective dust bags or packaging for future storage.
2. **Strap Adjustment:** Adjust the shoulder strap to your desired length using the buckles. Ensure the strap is securely fastened before carrying the bag.
3. **Initial Inspection:** Before first use, inspect the bag for any signs of damage or manufacturing defects. If any issues are found, contact customer support.

OPERATING

The handbag is designed for carrying personal items. Its main compartment is accessed via a zipper closure.

- **Opening/Closing:** Use the smooth-gliding zipper to open and close the main compartment. Ensure the zipper is fully closed to secure contents.
- **Weight Capacity:** Avoid overloading the bag. While durable, excessive weight can strain the straps and seams, potentially leading to damage.
- **Storage:** Utilize the internal space efficiently. For delicate items, consider using additional protective pouches.

MAINTENANCE

Proper care will extend the life and maintain the appearance of your handbag.

- **Cleaning:** For general cleaning, wipe the exterior with a soft, damp cloth. For stubborn marks, use a mild soap solution, then wipe clean with a damp cloth and dry immediately with a soft, dry cloth. Do not use harsh chemicals, abrasive cleaners, or solvents.
- **Stain Removal:** Address spills immediately. Blot liquids with a clean, dry cloth. For oil-based stains, a small amount of cornstarch or talcum powder can be applied to absorb the oil before gently brushing off.
- **Storage:** When not in use, store the handbag in its original dust bag or a breathable fabric bag in a cool, dry place away from direct sunlight and extreme temperatures. Do not store in plastic bags, as this can trap moisture.
- **Avoid Contact:** Keep the bag away from sharp objects, excessive moisture, direct heat sources, and prolonged exposure to sunlight to prevent fading or material degradation.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:
