yifaeux Kids Study Desk and Chair Set (Model B0DWZYP9LC) - Instruction Manual

Model: B0DWZYP9LC | Brand: yifaeux

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your new yifaeux Kids Study Desk and Chair Set. Please read this manual thoroughly before assembly and use to ensure proper function and safety. This set is designed to provide a comfortable and adjustable learning environment for children.

SAFETY INFORMATION

Important Safety Instructions:

- Always assemble the product according to the instructions provided.
- Use the desk and chair under adult supervision.
- Do not overload the desk, especially on the reading stand.
- Keep heavy objects away from the edges to prevent tip-overs.
- Always use the chair with the backrest to ensure proper support.
- Keep small parts away from children to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use and periodically check for looseness.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present:

- 1 x Kids Desk
- 1 x Kids Chair
- 1 x Installation Tools Kit
- 1 x LED Table Light

If any parts are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY

Follow these steps to assemble your yifaeux Kids Study Desk and Chair Set. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Identify all components against the package contents list.
2. **Assemble Desk Frame:** Attach the desk legs to the main desk frame using the provided screws and the installation tools kit. Ensure all connections are secure.
3. **Install Desk Top:** Secure the desk top to the assembled frame. Pay attention to the orientation for the drawer and reading stand placement.
4. **Attach Drawer and Reading Stand:** Slide the large capacity drawer into its designated slot. Attach the tiltable reading stand to the desk top.
5. **Assemble Chair:** Connect the chair seat, backrest, and legs. Ensure the chair's height adjustment mechanism is correctly installed.
6. **Install LED Table Light:** Mount the LED table light onto the designated port on the desk. Connect it as per the instructions for the light unit.
7. **Final Check:** Once assembled, gently shake the desk and chair to ensure stability. Tighten any loose screws.

Figure 2: Rear view of the desk and chair, pointing out the eye-protection lamp, reading stand, learning area, big book hopper (drawer), and lift control for height adjustment.

OPERATING INSTRUCTIONS

1. Height Adjustment (Desk and Chair)

Both the desk and chair are designed with adjustable heights to accommodate children of various ages and sizes. This feature ensures ergonomic posture and comfort.

- **Desk Height Adjustment:** Locate the lift control mechanisms on the desk legs (refer to Figure 2). Loosen the locking knobs, adjust the desk to the desired height (between 62cm and 73cm), and then securely tighten the knobs.
- **Chair Height Adjustment:** Similar to the desk, the chair has adjustment points on its legs. Loosen the fasteners, set the chair to a comfortable height (between 41cm and 48cm) where the child's feet can rest flat on the floor or footrest, and then tighten the fasteners.

Note: Always ensure the child is not on the chair or leaning on the desk when adjusting heights to prevent injury.

2. Tilttable Reading Stand

The integrated reading stand can be adjusted to an optimal angle for reading or holding a tablet, reducing neck strain.

- **Adjusting Angle:** Gently lift the reading stand to release its locking mechanism. Adjust it to the preferred tilt angle and ensure it clicks into place securely.
- **Securing Items:** Use the clips or ledge at the bottom of the stand to hold books or tablets in place.

3. LED Table Light

The eye-protection LED lamp provides soft, uniform illumination for studying, protecting your child's eyes.

- **Power On/Off:** Use the power button located on the lamp base to turn the light on or off.
- **Adjusting Brightness/Color Temperature:** If applicable, use the touch controls on the lamp base to cycle through brightness levels or color temperatures.
- **Positioning:** The flexible arm allows you to adjust the light's direction to illuminate the work area effectively.

**Soft light eye
protection lamp**

Meet the children at
all times to learn

Figure 3: The soft light eye protection lamp, designed to meet children's learning needs at all times.

4. Storage Drawer

The large capacity drawer (also referred to as "big book hopper") provides convenient storage for books,

pencils, crayons, and other study materials.

- **Accessing:** Simply pull the drawer out from underneath the desk surface.
- **Organization:** Utilize the space to keep study essentials organized and within reach.

MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your study set.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild soap solution and immediately dry with a clean cloth. Avoid abrasive cleaners or harsh chemicals.
- **Material Care:** The desk features a waterproof and scratch-resistant surface with a diffuse reflection layer over a healthy wood layer and furniture veneer. Avoid sharp objects that could scratch the surface.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary.
- **LED Light Care:** Do not attempt to disassemble the LED light unit. If it malfunctions, contact customer support.

Figure 4: Illustration of the desk's material composition, including the waterproof and scratch-resistant diffuse reflection layer, surface paving layer, healthy wood layer, and furniture veneer.

TROUBLESHOOTING

If you encounter any issues with your yifaeux Kids Study Desk and Chair Set, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk/Chair is wobbly	Loose fasteners; uneven floor.	Check and tighten all assembly screws. Ensure the set is on a flat, even surface.
Height adjustment is difficult	Locking knobs not fully loosened; mechanism obstructed.	Ensure locking knobs are completely loosened before adjusting. Check for any debris obstructing the mechanism.
LED light not turning on	Power connection issue; faulty lamp.	Verify the lamp is securely plugged into the desk's power port. If issues persist, contact customer support.
Reading stand does not tilt smoothly	Mechanism stiff or obstructed.	Ensure no objects are blocking the tilt mechanism. Apply gentle, even pressure when adjusting.

SPECIFICATIONS

Feature	Detail
Brand	yifaeux
Model Number	B0DWZYP9LC
Material	Metal frame, multi-layered desk surface (waterproof, scratch-resistant, wood layer, veneer)
Desk Dimensions (L x W x H)	73cm x 70cm x 46cm (28.74" x 27.56" x 18.11") (Approx.)
