

## Scenta A613

# Scenta Smart Car Air Freshener A613 User Manual

Model: A613 | Brand: Scenta

## 1. INTRODUCTION

Thank you for choosing the Scenta Smart Car Air Freshener A613. This device is designed to enhance your vehicle's interior with a pleasant aroma, featuring smart auto on/off functionality, adjustable mist intensity, and an ambient LED ring. Crafted from premium aluminum, it fits seamlessly into most car cup holders.

## 2. PRODUCT OVERVIEW

The Scenta Smart Car Air Freshener A613 offers a sophisticated solution for maintaining a fresh and inviting car environment. Its compact design and advanced features ensure a user-friendly experience.

### Key Features:

- **Compact Design:** Fits perfectly in standard car cup holders.
- **Auto On/Off:** Automatically activates and deactivates with vehicle motion.
- **Adjustable Mist Intensity:** Customize the fragrance strength to your preference.
- **LED Ambient Lighting:** Features an adjustable LED ring with multiple color options (blue, yellow, purple) to complement your car's interior.
- **Rechargeable:** Equipped with a USB-C charging port for convenience.
- **Durable Construction:** Made with premium aluminum for a modern aesthetic and temperature resistance.

## 3. SETUP

---

### 3.1 Installing Essential Oil

The Scenta Smart Car Air Freshener requires 10ml essential oil bottles for operation (not included). Empty bottles are provided in the box if you wish to transfer oil from larger bottles.

1. Pull out the atomizer vertically from the device.
2. Screw the essential oil bottle tightly onto the atomizer.
3. Take the assembled atomizer and oil bottle back into the device.
4. Long press the power button to start the device after installation.

## 3.2 Placement

Place the Scenta Smart Car Air Freshener into your car's cup holder. Its design ensures a secure fit. Alternatively, some models may include a clip for air vent installation, suitable for 99% of car air outlets.

*Figure 3.2: The device fits securely in a car cup holder.*

### **3.3 Charging**

The device is rechargeable via a USB-C cable (included). A full charge typically provides up to 30 days of use, depending on usage settings. The device does not need to be plugged in for continuous operation.

Your browser does not support the video tag.

## 5.2 Cleaning

To clean the device, gently wipe the exterior with a soft, damp cloth. Ensure the device is powered off and unplugged before cleaning. Do not submerge the device in water.

## 6. TROUBLESHOOTING

If you encounter any issues with your Scenta Smart Car Air Freshener, please refer to the following common solutions:

- **No Mist Production:**
  - Ensure the essential oil bottle is correctly installed and contains oil.
  - Check if the device is charged.
  - Verify the atomizer is clean and not clogged.
- **Device Not Turning On:**
  - Ensure the device is fully charged.
  - Perform a long press on the power button to activate.
- **Weak Scent:**
  - Adjust the mist intensity to a higher setting.
  - Ensure the essential oil bottle is not empty.

For further assistance, please contact Scenta customer support.
