MAINTENANCE

To maintain the appearance and longevity of your OKD Wine Bar Cabinet, follow these simple care instructions:

- **Cleaning:** The 3D woodgrain paper surface is designed to be smooth and easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or moisture damage.
- **Dusting:** Regularly dust with a dry, soft cloth.
- **LED Lights:** Ensure the LED light strip and remote control are kept dry.

TROUBLESHOOTING

If you encounter any issues with your cabinet, consider the following:

- **Assembly Difficulty:** If assembly seems challenging, double-check the instruction manual for any missed steps or incorrect part orientations. Ensure all parts are correctly identified using the labeled stickers.
- **Loose Components:** Periodically check and tighten all screws and fasteners to ensure the cabinet remains stable.
- **LED Light Strip Adhesive:** If the adhesive on the LED light strip is weak, utilize the provided clips to secure the strip in place at various points.
- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unboxing, please contact customer support immediately for assistance.
