AIPER Aiper Caddy

Aiper Caddy User Manual

Brand: **AIPER** | Model: **Aiper Caddy**

This manual provides essential information for the setup, operation, and maintenance of your Aiper Caddy, designed for Aiper Scuba X1 Pro Max, Scuba X1 Pro, and Scuba X1 Robotic Pool Cleaners.

PRODUCT OVERVIEW

The Aiper Caddy is an essential accessory designed to enhance the convenience and longevity of your Aiper Scuba X Series robotic pool cleaner. It offers a seamless solution for charging, storing, and transporting your device.

- **Charge & Store with Ease:** Features a charging dock-compatible design, allowing seamless charging while storing. This caddy is specifically designed for Aiper Scuba X1, Scuba X1 Pro, and Scuba X1 Pro Max models.
- **Effortless Mobility:** Easily transport your Aiper Scuba X Series robotic pool cleaner with its sturdy and ergonomic design.
- **With Protective Cover:** Includes a protective cover to shield your robotic pool cleaner from dust, debris, and weather, ensuring it remains clean and dry.
- **Built-In Storage Slots:** Provides convenient built-in slots to keep accessories neatly organized for quick access and clutter-free storage.
- **Reliable & Durable:** Constructed from durable plastic, ensuring long-lasting performance.

SETUP

The Aiper Caddy is designed for minimal setup. It comes pre-assembled, requiring no additional assembly. Simply unbox the caddy and it is ready for use.

Compatibility

This caddy is compatible with the following Aiper Scuba X Series robotic pool cleaners:

- Aiper Scuba X1
- Aiper Scuba X1 Pro
- Aiper Scuba X1 Pro Max

OPERATING INSTRUCTIONS

Transporting Your Cleaner

To transport your Aiper Scuba X Series cleaner, simply place it securely onto the caddy's base. Utilize the ergonomic handle to push or pull the caddy to your desired location. The robust wheels ensure smooth movement across various surfaces.

Effortless Mobility, Ultimate Convenience

Exclusively designed for Aiper Scuba X Series

Charging and Storage

The Aiper Caddy is designed to be charging dock-compatible. This allows you to charge your robotic pool cleaner directly on the caddy, eliminating the need to remove it for charging. The built-in storage slots provide a dedicated space for the charging cable and other small accessories, keeping everything tidy and accessible.

Charge & Store with Ease

MAINTENANCE

To ensure the longevity of your Aiper Caddy and the robotic pool cleaner it holds, regular maintenance is recommended.

- **Cleaning:** Wipe down the caddy with a damp cloth as needed to remove any dirt or debris. Avoid harsh chemicals that may damage the plastic material.
- **Protective Cover:** Always use the provided protective cover when storing your robotic pool cleaner on the caddy, especially outdoors. This shields the cleaner from dust, leaves, rain, and other environmental elements, keeping it clean and dry.
- **Storage:** Store the caddy and cleaner in a cool, dry place when not in use for extended periods.

Keeps Your Robot Clean & Dry

TROUBLESHOOTING

If you encounter any issues with your Aiper Caddy, please refer to the following common solutions:

- **Difficulty Moving:** Ensure the wheels are free of debris and rotate smoothly. Check that the caddy is on a flat, even surface.
- **Accessories Not Fitting in Slots:** Verify that you are using the correct accessories for the designated slots. Do not force items into slots.
- **Charging Issues:** If your cleaner is not charging while on the caddy, ensure the charging cable is properly connected to both the cleaner and the power source. Refer to your Aiper Scuba X Series cleaner's manual for specific charging instructions.

For further assistance, please contact Aiper Customer Support.
