3. SETUP AND ASSEMBLY

Assembly of the OKD Wine Bar Cabinet is required. The product comes with straightforward instructions, labeled parts, and necessary tools. It is recommended to have a second person assist with assembly, especially when handling larger components.

1. Unpack all components and verify against the parts list provided in the assembly manual.
2. Follow the step-by-step instructions for attaching hardware and assembling the frame.
3. Install shelves, drawers, and doors as indicated. Ensure all soft-close hinges are correctly aligned.
4. Secure the upper hutch to the bottom buffet.
5. Install the wine glass racks and LED light strip.
6. Connect the built-in charging station to a power source.

Important: Do not overtighten screws during initial assembly. Tighten all fasteners securely once the unit is fully assembled.

4. OPERATING INSTRUCTIONS

4.1. RGB LED Lights

The integrated RGB LED light strip is controlled via a remote control. Ensure the light strip is properly connected to a power source.

- **Power On/Off:** Use the 'ON' and 'OFF' buttons on the remote.
- **Color Selection:** Choose from 16 static colors using the color buttons.
- **Flashing Modes:** Select from 4 dynamic flashing modes (e.g., Flash, Strobe, Fade, Smooth) using the dedicated buttons.
- **Brightness Adjustment:** Use the brightness up/down buttons to adjust the intensity of the lights.

4.2. Built-in Charging Station

The charging station provides convenient access to power outlets and USB ports for small appliances or device charging. Ensure the cabinet is plugged into a wall outlet for the charging station to function.

- Plug the cabinet's power cord into a standard wall outlet.
- Use the AC outlets for small kitchen appliances like coffee makers or blenders.

- Use the USB ports to charge mobile phones, tablets, or other USB-powered devices.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your OKD Wine Bar Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean spills immediately to prevent staining or damage to the wood finish.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads. Keep the cabinet away from excessive moisture or direct sunlight.
- **Hardware:** Periodically check and tighten any loose screws or hardware.

6. TROUBLESHOOTING

- **Assembly Difficulties:** If you encounter issues during assembly, re-check the instruction manual steps and ensure all parts are correctly oriented. Contact customer support if problems persist.
- **LED Lights Not Working:** Verify the power connection to the light strip and ensure the remote control batteries are functional. Check if the cabinet's main power cord is securely plugged in.
- **Charging Station Not Functioning:** Ensure the cabinet's main power cord is properly plugged into a live wall outlet. Test with different devices or outlets.
- **Doors/Drawers Not Closing Smoothly:** Check hinges and drawer slides for proper alignment. Adjust as needed according to assembly instructions.
