

## Hbada P2

# Hbada P2 Ergonomic Office Chair User Manual

Model: P2

## IMPORTANT SAFETY INFORMATION

**WARNING: This product contains a gas lift mechanism. Always follow the instructions for proper use and assembly to prevent injury. Be cautious of sharp edges during assembly. Do not exceed the maximum weight capacity of 264 lbs. Keep away from heat sources and open flames. Always use the chair on a stable surface.**

- Ensure all screws and bolts are securely tightened before use.
- Do not stand on the chair.
- Avoid placing heavy objects on the chair that could cause instability.
- Regularly inspect the chair for loose parts or damage.

## PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer service.

- Hbada P2 Ergonomic Office Chair components
- Assembly hardware kit
- Welcome guide (this manual)

## ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Hbada P2 Office Chair. It is recommended to assemble the chair on a soft, clean surface to prevent damage.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out.
2. **Attach Casters to Base:** Insert the casters into the holes at the end of each leg of the chair base. Push firmly until they click into place.
3. **Insert Gas Lift:** Place the gas lift cylinder into the center hole of the chair base.
4. **Assemble Seat Mechanism:** Attach the seat mechanism to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
5. **Attach Armrests:** Secure the armrests to the seat cushion using the designated screws.
6. **Connect Backrest to Seat:** Attach the backrest to the seat assembly.
7. **Mount Seat Assembly to Gas Lift:** Carefully place the assembled seat and backrest onto the gas lift cylinder.
8. **Attach Headrest:** Slide the headrest into the slots at the top of the backrest.
9. **Final Check:** Verify all connections are secure and the chair functions correctly.

## OPERATING INSTRUCTIONS

Your Hbada P2 Office Chair offers several adjustable features to customize your seating experience.

### 1. Seat Height Adjustment

To adjust the seat height, locate the lever on the right side beneath the seat. Pull the lever up while seated to lower the seat, or pull it up while standing to raise the seat. Release the lever at the desired height.

### 2. Reclining Function

The chair can recline and lock into three positions: 90° (upright), 110° (relaxed), and 135° (nap). To recline, pull the lever on the left side beneath the seat. Lean back to your desired angle and push the lever down to lock it. To return to an upright position, pull the lever up and lean forward.

# 2D Adjustable Neck Pillow

Robust Supports Head and Neck

**13cm**  
Seat Height Adjustment

**40°**  
Swivel

*Image: Illustration showing the 90°, 110°, and 135° reclining angles of the chair.*

## 3. 3D Adjustable Lumbar Support

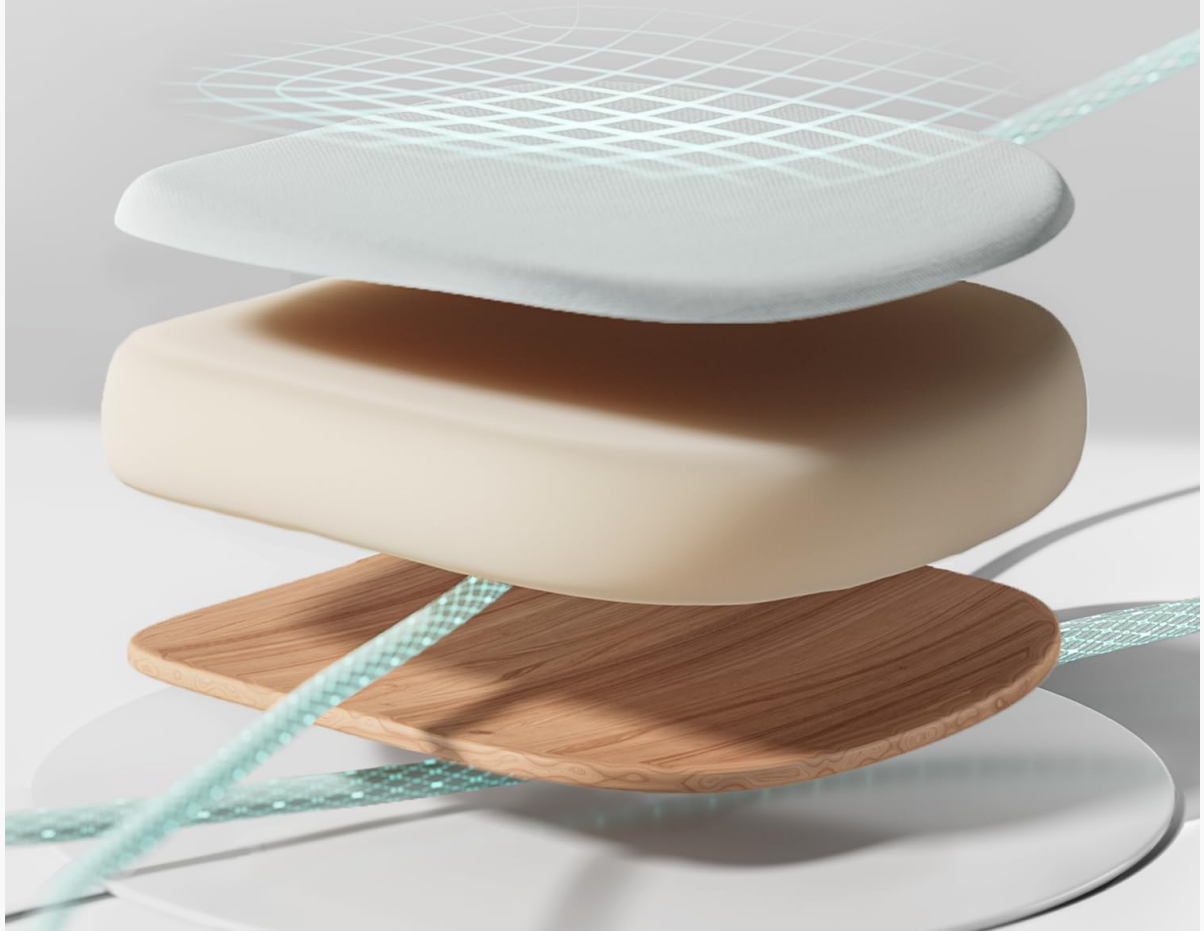

The lumbar support can be adjusted in height, depth, and width to conform to your lower back. Locate the adjustment controls on the backrest. Adjust the support until it provides optimal comfort and alignment for your spine.

- **Height Adjustment:** Push the lumbar support up or down.
- **Depth Adjustment:** Rotate the knob (if present) or push the support forward/backward.
- **Side-to-Side Motion:** The lumbar support offers 10° side-to-side motion for dynamic support.

# Elastic Foam Cushion

Offers Long-Lasting, Non-Sagging Support for Hips and Legs

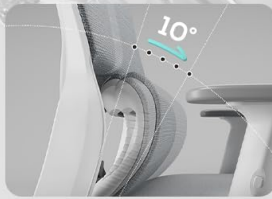

*Image: Detailed view of the 3D adjustable lumbar support, showing height, depth, and side-to-side adjustments.*

## 4. 2D Adjustable Headrest

The headrest can be adjusted in height and swivel angle. Grasp the headrest and move it up or down to your preferred height. It also swivels 40° to provide neck support.

# 3D Adjustable Lumbar Support

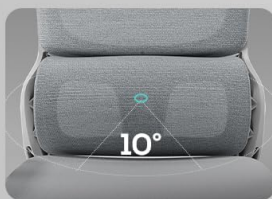

Maintain a healthy sitting posture

4-Position Height Adjustment

**10°**  
Side-to-Side Motion

*Image: Close-up of the 2D adjustable headrest, highlighting its height and swivel capabilities.*

## 5. Armrest Adjustment

The armrests are height-adjustable with a 7.5 cm (approximately 3 inches) range. Locate the button or lever on the side of each armrest. Press it and move the armrest up or down to your desired height. Release the button/lever to lock it in place.

# High-Range Lifting Armrests

Provides Superior Arm Support in Various Settings

*Image: View of the armrest, indicating the mechanism for height adjustment.*

## MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Hbada P2 Office Chair.

- **Cleaning:**
  - For mesh and fabric surfaces, use a soft cloth dampened with mild soap and water. Avoid harsh chemicals.
  - For plastic and metal parts, wipe with a clean, damp cloth.
  - Do not saturate the chair with water.
- **Inspection:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary.
- **Casters:** Keep casters clean from hair and debris to ensure smooth movement.
- **Gas Lift:** Do not attempt to disassemble or repair the gas lift cylinder yourself. Contact customer service if it malfunctions.

# Generous 135° Reclining Angle

Perfect for Work, Study, and Napping

## TROUBLESHOOTING

If you encounter any issues with your Hbada P2 Office Chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair does not adjust height	Gas lift malfunction or lever not engaged.	Ensure the height adjustment lever is fully engaged. If the issue persists, contact customer service.
Chair wobbles or is unstable	Loose screws or uneven assembly.	Check and tighten all assembly screws. Ensure the chair is on a flat, stable surface.
Casters do not roll smoothly	Debris caught in casters.	Clean any hair, dust, or debris from the caster wheels.
Backrest does not recline or lock	Recline mechanism not engaged or damaged.	Ensure the recline lever is fully engaged. If the mechanism is stuck, try gently rocking the chair while adjusting. Contact customer service if it remains unresponsive.
