

## BEBIRD R37R/D39R/B31R/R1Ultra

# Bebird Earsight Plus Ear Cleaner Replacement Tips Instruction Manual

Official Guide for Models R37R, D39R, B31R, and R1 Ultra

## 1. PRODUCT OVERVIEW

The Bebird Original Earsight Plus Ear Cleaner Replacement Tips are genuine and safe accessories designed for use with specific Bebird ear cleaning devices. These tips are crafted from medical-grade materials to ensure comfort, durability, and safe ear cleaning. The kit provides a comprehensive set of tools for various earwax removal needs.

This accessory kit is designed exclusively for the following Bebird Earsight Plus models: **R37R**, **D39R**, and **B31R**. It is also compatible with the Bebird **R1 Ultra**. Please note that these tips are *not* compatible with Bebird R1 or other Bebird devices not listed.

### Designed for BeBird EarSight Plus R37R/D39R/B31R

## 2. KIT COMPONENTS

This 14-piece accessory kit includes a variety of specialized cleaning tips to address different types of earwax and cleaning requirements. The kit is suitable for use by the entire family, offering gentle options for children and effective solutions for adults.

The kit typically includes:

- **Tweezers:** For removing stubborn earwax.
- **Scooper:** For general earwax removal.
- **Scraper:** For extracting debris.
- **Sponge:** For removing wet earwax.
- Additional assorted tips and accessories for comprehensive ear care.

### 3. SETUP AND INSTALLATION

To replace or install a cleaning tip on your Bebird Earsight Plus device, follow these steps:

1. **Remove the Current Tip:** Gently unscrew and remove the existing ear spoon head or tip from the device.
2. **Attach the New Tip:** Select the desired replacement tip. Align the new tip with the lens of your Bebird device and carefully screw it into place until it is securely fastened. Ensure it is snug but do not overtighten.

## 4. OPERATING INSTRUCTIONS

The Bebird replacement tips are designed for precision cleaning, catering to various earwax types. Always use the Bebird device as per its primary instructions and select the appropriate tip for the task.

### 4.1. Matching Tips to Earwax Types

Different tips are optimized for specific earwax conditions:

- **Large Earwax:** May require initial loosening or specific tools for removal.
- **Stubborn Earwax:** Best addressed with the tweezer tip for secure gripping and extraction.
- **Earwax Debris:** The scraper tip is effective for gently dislodging and removing small particles.
- **Dry Earwax / Wet Earwax:** The sponge tip is suitable for absorbing and removing wet earwax, while other tips can manage dry earwax.

## 4 Types of Cleaning Tips

### Precision Cleaning for Every Earwax Type

Large  
earwax

Stubborn  
earwax

Earwax  
debris

Dry ear  
wet ear

Image 4.1: Visual representation of different earwax types, illustrating the need for specialized cleaning tips.

### 4.2. Tip-Specific Usage

Refer to the following guide for the intended use of each primary tip:

- **Tweezers:** Use for grasping and removing stubborn or larger pieces of earwax. Position the tweezers around the earwax and gently pull it out.
- **Scooper:** Ideal for general earwax removal. Carefully scoop out earwax along the ear canal walls.
- **Scraper:** Designed to extract earwax debris. Gently scrape along the ear canal to dislodge and remove small particles.
- **Sponge:** Best for wet earwax. The sponge material absorbs and helps remove moist earwax.

## Match Tips to Your Earwax

### 4.3. Safety and Family Use

The tips are designed to be soft, safe, and sanitary for all ages, including seniors, adults, and children. Always exercise caution and gentle movements when cleaning ears. Consult a medical professional if you experience discomfort or have pre-existing ear conditions.

# Soft, Safe & Sanitary Perfect for All Ages

Seniors

Adults

Kids

## 5. MAINTENANCE AND CARE

To ensure hygiene and prolong the life of your Bebird replacement tips, it is recommended to clean them after each use. The tips are designed to withstand multiple sterilizations.

- **Cleaning:** After each use, remove the tip from the device. Clean the tip thoroughly with an appropriate disinfectant or sterilizing solution.
- **Drying:** Allow the tips to air dry completely before storing them.
- **Storage:** Store the cleaned and dried tips in their original container or a clean, dry place to prevent contamination.

## 6. TROUBLESHOOTING

If you encounter any issues with the Bebird Earsight Plus Ear Cleaner Replacement Tips, consider the following:

- **Tip Not Attaching Securely:** Ensure the tip is correctly aligned with the device's lens and screwed in straight. Do not force it.
- **Ineffective Cleaning:** Verify that you are using the correct tip for the type of earwax you are attempting to remove. Ensure the tip is clean and free of previous debris.
- **Discomfort During Use:** Immediately cease use if you experience any pain or discomfort. Ensure gentle movements and do not insert the device too deeply into the ear canal.

For persistent issues or questions, please refer to the support information in Section 8.

## 7. SPECIFICATIONS

Package Dimensions	3.15 x 2.36 x 0.55 inches
Item Weight	0.16 ounces
Manufacturer	Heifeng Zhizao (Shenzhen) Technology Co., Ltd
ASIN	B0DX2BJWF2
Date First Available	February 13, 2025
