HOMAVO K2308

HOMAVO Electric Height Adjustable Desk (Model K2308) Instruction Manual

Model: K2308 | Dimensions: 140x60cm | Color: Natural Wood

INTRODUCTION

Thank you for choosing the HOMAVO Electric Height Adjustable Desk. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new desk. Designed for versatility and ergonomic comfort, this desk allows you to easily switch between sitting and standing positions, promoting a healthier work environment.

SETUP AND ASSEMBLY

The HOMAVO desk is designed for quick and straightforward assembly. All necessary tools and clear instructions are included to ensure a smooth setup process, typically completed within 10-15 minutes.

Package Contents:

- Desktop (two parts)
- Desk Frame (legs, crossbar)
- Control Panel
- Motor and Power Adapter
- Assembly Hardware (screws, Allen wrench)
- Cable Management Hooks

Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Attach the desk legs to the crossbar using the provided screws.
3. Secure the motor and power adapter to the frame.
4. Join the two desktop parts and attach them to the assembled frame using the pre-drilled holes.
5. Install the control panel on the underside of the desktop in a convenient location.
6. Connect all cables according to the wiring diagram in the included manual.
7. Attach the cable management hooks to organize wires.

OPERATING INSTRUCTIONS

Your HOMAVO desk features an intuitive control panel for easy height adjustment and memory functions.

Height Adjustment:

- Use the **Up** and **Down** arrow buttons on the control panel to adjust the desk height between 70 cm and 117 cm.
- The digital display will show the current height.

Height range 70–117 cm
Sit/stand, meets various office requirements

Memory Function:

The desk allows you to save up to three preferred height settings for quick recall.

1. Adjust the desk to your desired height using the Up/Down buttons.
2. Press the **M** button (or similar 'Set' button if present) once. The display may flash.
3. Within 3 seconds, press one of the numbered preset buttons (**1**, **2**, or **3**) to save the current height to that position.
4. To recall a saved height, simply press the corresponding numbered button. The desk will automatically move to the stored position.

Anti-Collision System:

For safety, the desk is equipped with an anti-collision system. If the desk encounters an obstacle during adjustment, it will automatically stop and reverse slightly to prevent damage to the desk or objects.

Anti-collision function

Prevents damage to items and extends
the service life of the desk.

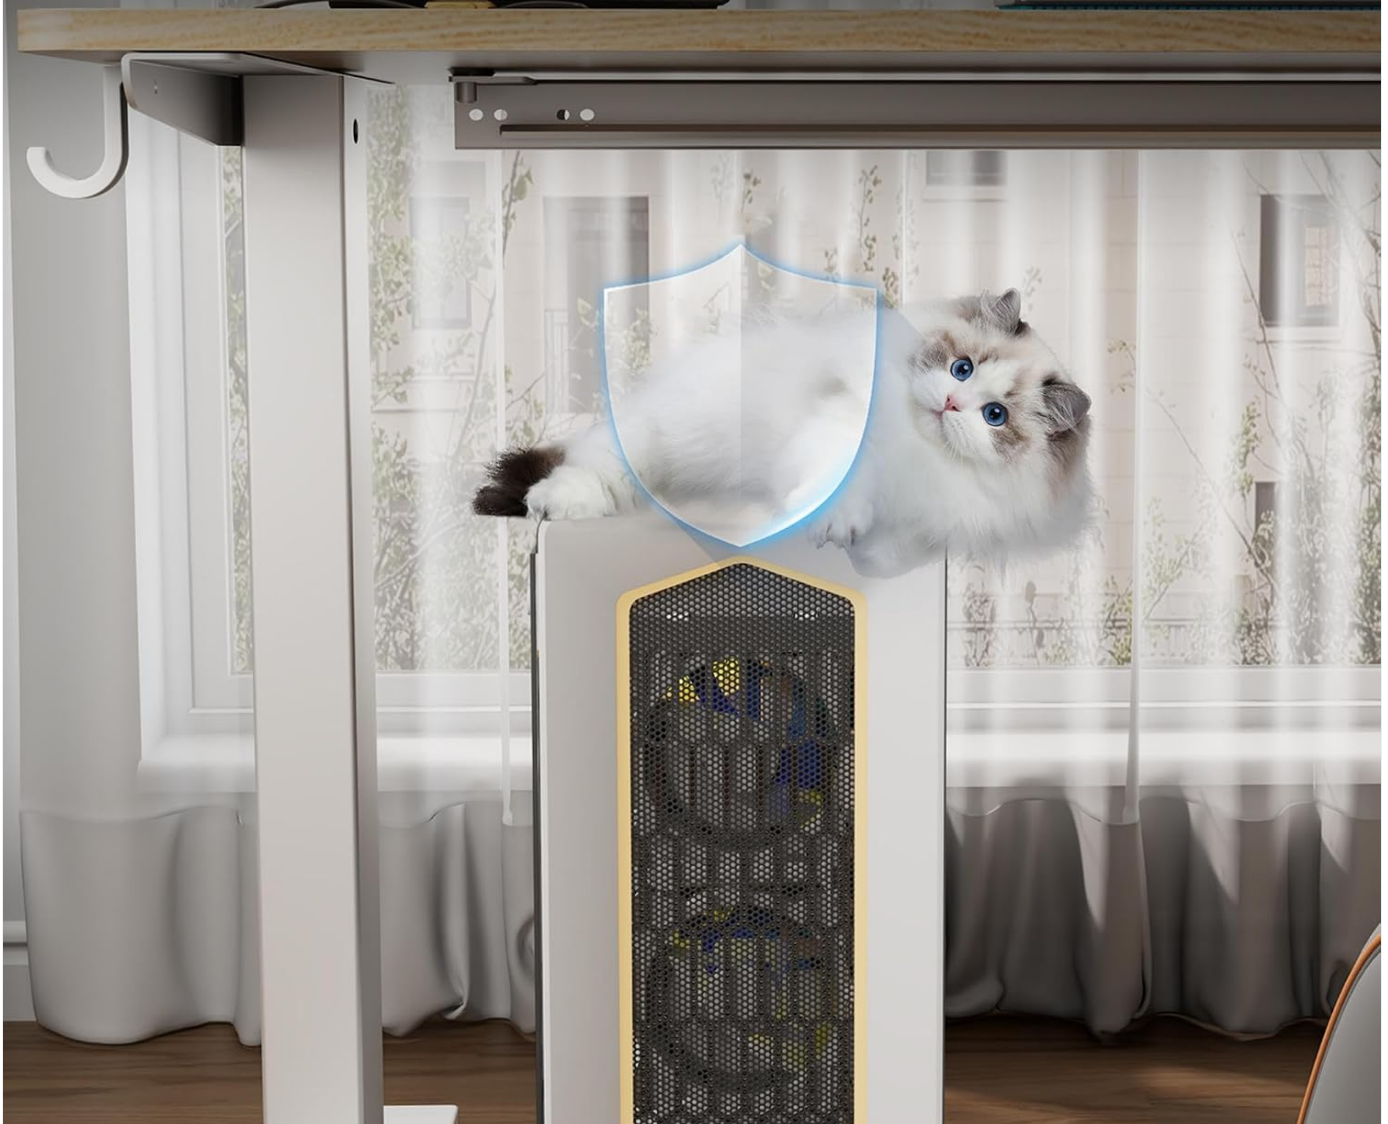

Image: The anti-collision feature demonstrated, showing the desk stopping upon detecting an obstacle.

Quiet Operation:

The powerful motor operates at a low noise level, typically below 48 dB, ensuring a quiet and undisturbed working environment.

MAINTENANCE

To ensure the longevity and optimal performance of your HOMAVO desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desktop and frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cable Management:** Regularly check and organize cables using the integrated cable pass-through and hooks to prevent tangles and damage.
- **Inspection:** Periodically inspect all screws and connections to ensure they are secure. Tighten if necessary.
- **Load Capacity:** Do not exceed the maximum load capacity of 70 kg to prevent damage to the motor and frame.

Metal hook

Can be used to hang headphones and backpacks

TROUBLESHOOTING

If you encounter any issues with your HOMAVO desk, please refer to the following common troubleshooting steps:

- **Desk Not Moving:**

- Check if the power cord is securely plugged into both the desk and the wall outlet.
- Ensure there are no obstructions preventing movement.
- Try resetting the desk (refer to the full manual for specific reset procedures, if available).

- **Error Code on Display:**

- Note down the error code.
- Unplug the desk for 10 minutes, then plug it back in. If the error persists, consult the full product manual or contact customer support with the error code.

- **Uneven Movement:**
 - Ensure the desk is placed on a flat, level surface.
 - Check that all assembly screws are tightened evenly.

SPECIFICATIONS

Feature	Specification
Brand	HOMAVO
