1. INTRODUCTION

This instruction manual provides detailed guidance for assembling and maintaining your HOGOKIDS Black Roses Botanical Collection Building Set. This set allows you to construct a bouquet of artificial black roses and gypsophila using building blocks. Please read all instructions carefully before beginning assembly.

2. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger users (recommended age 6+).

3. PACKAGE CONTENTS

Verify that all components are present before starting assembly. The HOGOKIDS Black Roses Botanical Collection Building Set includes approximately 330 pieces to construct the following:

- 12 Black Roses (various stages of bloom)
- 3 Gypsophila (baby's breath) stems
- Instruction Manual

A vase is not included with this set.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step diagrams provided in the included instruction manual to assemble each flower. The general process involves:

1. **Prepare Components:** Sort the building blocks by type and color to facilitate assembly.
2. **Assemble Flower Heads:** Construct the petals for each rose, starting from the inner layers and working outwards. The set includes roses in various stages: buds, blooming, and full bloom.
3. **Attach Leaves:** Secure the green leaf pieces to the base of each flower head.
4. **Build Stems:** Assemble the green stem pieces. These are modular and can be adjusted in length.
5. **Combine:** Attach the assembled flower heads and leaves to the stems.
6. **Assemble Gypsophila:** Construct the small red berry-like clusters for the gypsophila stems.

5. CUSTOMIZATION

The design of this building set allows for personalization of your bouquet:

- **Adjust Stem Length:** The stems are designed with modular pieces, allowing you to connect or disconnect sections to achieve your desired height.
- **Adjust Leaves:** The leaves can be rotated and positioned along the stem to create a natural appearance.
- **Adjust Flower Shapes:** Petals can be gently adjusted to modify the overall shape and openness of each rose.

6. DISPLAY AND ARRANGEMENT

Once assembled and customized, your HOGOKIDS Black Roses Botanical Collection can be displayed in various settings:

- Place the bouquet in a vase (not included) on a coffee table, desk, or bookshelf.
- Arrange individual roses or smaller clusters in multiple smaller containers to create different decorative accents.
- The artificial flowers are suitable for home decor in living rooms, bedrooms, studies, or as a centerpiece.

7. MAINTENANCE

This artificial flower set requires minimal maintenance:

- **Cleaning:** Dust the flowers periodically with a soft, dry cloth or a soft brush. For more stubborn dust, a slightly damp cloth can be used, followed by immediate drying.
- **Storage:** If disassembling or storing, keep all pieces in a secure container to prevent loss of small parts.
- **Avoid Direct Sunlight:** While the colors are treated for durability, prolonged exposure to direct sunlight may cause fading over time.

8. TROUBLESHOOTING

Issue: Petals or leaves do not stay in place.

Solution: Ensure that the pieces are firmly pressed together during assembly. The unique buckle design is intended to keep parts secure. If a piece consistently loosens, check for any debris in the connection point or try gently rotating the piece until it clicks into place.

Issue: Missing or damaged parts.

Solution: Carefully check the packaging and surrounding area for any small pieces. If parts are

genuinely missing or damaged upon arrival, please contact HOGOKIDS customer support for assistance.
