ODK 53 Inch L Shaped Desk with LED Lighting - Instruction Manual

Model: B020217SPD01004USDF | Brand: ODK

INTRODUCTION

Thank you for choosing the ODK 53 Inch L Shaped Desk. This versatile desk is designed to enhance your workspace with integrated storage, convenient power outlets, and adjustable LED lighting. Its reversible design allows for flexible placement in various room configurations. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure optimal use and longevity of your desk.

SAFETY INSTRUCTIONS

- Always follow assembly instructions carefully. Two people are recommended for assembly for ease and safety.
- Ensure all parts are present and in good condition before beginning assembly.
- Do not overtighten screws during assembly to prevent damage to components.
- Keep small parts and packaging materials away from children.
- Only use the provided power outlets and USB ports for compatible devices. Do not overload the power strip.
- Place the desk on a flat, stable surface. Use the adjustable foot pads to ensure stability on uneven floors.
- Avoid exposing the desk to excessive moisture or direct sunlight.

PACKAGE CONTENTS

Before assembly, verify that all components listed in the packing list are present and undamaged. The package includes all necessary hardware, tools, and pre-labeled parts for convenient assembly.

Note: A detailed parts list is typically included in the physical packaging. Refer to that list for specific component identification.

SETUP & ASSEMBLY

The ODK L Shaped Desk is designed for straightforward assembly, typically taking 45 minutes to 1 hour. The desk features a reversible design, allowing you to configure the L-shelf on either the left or right side to best suit your space.

Assembly Steps Overview:

- 1. Install Foot Pads:** Attach the adjustable foot pads to the base frames (A, B, C).
- 2. Assemble Main Frames:** Connect the main desk frames (B and C) using support bars (F and G). Pay close attention to the orientation of screw holes for proper alignment.
- 3. Connect L-Section:** Attach the L-shaped section frame (A) to the main frame using support bars (D and E). Ensure all connections are secure.
- 4. Install Stability Braces:** Secure the X-shaped stability braces (S and R) to the assembled frame using screws and nuts. These braces enhance the desk's sturdiness.
- 5. Attach CPU Stand:** Install the CPU stand (T) to its designated position on the frame (L). Do not install foot pads on this part.
- 6. Place Desktop Panels:** Carefully place the main desktop panels (M and N) onto the assembled frame and secure them with screws.
- 7. Install Fabric Bag & Iron Hook:** Attach the fabric storage bag (U) and the iron hook (11) to the side of the desk. Screw directly into the steel frame.
- 8. Assemble Desktop Shelf Supports:** Install the vertical supports (J) for the desktop shelf.
- 9. Install Horizontal Bar:** Attach the horizontal bar (K) to the top of the desktop shelf supports.
- 10. Assemble Shelf Panels:** Secure the shelf panels (O and P) to the desktop shelf supports. These can be mounted at different heights.
- 11. Install Top Shelf Panel:** Place the top shelf panel (Q) and secure it.
- 12. Install Light Strip & Socket:** Attach the power outlet strip (12) and the LED light strip (13) to the desk. The light strip can be placed according to personal preference, and straps (14) are used to manage its wires.

OPERATING INSTRUCTIONS

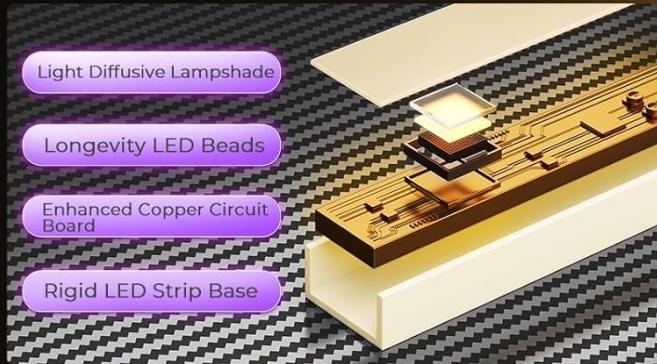

LED Lighting:

The desk features an integrated RGB LED strip to enhance your gaming or work environment. The lighting system offers:

- **10 Color Presets:** Choose from a variety of static colors to match your mood or setup.
- **8 Brightness Grades:** Adjust the intensity of the light from subtle to vibrant.
- **10 Dynamic Modes:** Explore various lighting effects and transitions.
- **Memory Function:** The system remembers your last setting when powered off.
- **Switching Controls:** Easily manage settings via the integrated controller.

Storage Features:

The desk offers multiple storage solutions to keep your workspace organized:

- **Dual Shelves:** Located on the L-shaped section, perfect for books, decor, or additional monitors.
- **CPU Stand:** A dedicated elevated platform to keep your computer tower off the floor, protecting it from dust and improving airflow.
- **Accessory Hook:** A convenient iron hook for hanging headphones, bags, or other items.
- **Tool Bag:** A fabric bag attached to the side for easy access to small tools, stationery, or documents.

MAINTENANCE

- Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.
- Cable Management:** Regularly organize cables to prevent tangles and reduce wear on the power cord and device cables.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Desk is wobbly	Loose screws; uneven floor; foot pads not adjusted	Ensure all screws are tightened. Adjust the foot pads to stabilize the desk on uneven surfaces.

Problem	Possible Cause	Solution
LED lights not working	Power cord not connected; faulty connection; LED strip damage	Check if the power cord is securely plugged into a working outlet. Ensure the LED strip is properly connected to the power source. Contact customer support if damage is suspected.
Power outlets/USB ports not working	Power cord not connected; overloaded circuit; internal wiring issue	Verify the desk's power cord is fully plugged into a live wall outlet. Unplug some devices if the circuit is overloaded. If the issue persists, contact customer support.
Parts do not align during assembly	Incorrect orientation of parts; screws not fully loosened	Double-check the instruction diagrams for correct part orientation. Loosen all screws slightly before attempting to align parts, then tighten once aligned. Ensure you are building the correct left/right configuration.

SPECIFICATIONS

Feature	Detail
Brand	ODK
Product Dimensions	53.15"D x 39.37"W x 58.27"H
