

KEIKI LH00094

KEIKI Full Size L-Shape Velvet Upholstery Daybed with 2 Drawers Instruction Manual

Model: LH00094

1. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use of the KEIKI Full Size L-Shape Velvet Upholstery Daybed.

- Always follow the assembly instructions provided. Incorrect assembly can lead to instability and injury.
- Do not exceed the weight capacity of **300 lbs**. Overloading can damage the frame and cause collapse.
- Keep the area around the sofa bed clear of obstructions to prevent tripping hazards.
- This product is not intended for children under 3 years of age.
- Always use appropriate bedding materials and ensure there are no gaps or openings that could pose an entrapment risk.
- Regularly check all bolts and screws to ensure they remain tight. Retighten as necessary.
- Avoid placing the daybed near heat sources or in direct sunlight for prolonged periods, as this may damage the upholstery and frame.

2. SETUP AND ASSEMBLY

The KEIKI Daybed is designed for easy assembly. It is recommended that two adults assemble this product. Ensure all parts are present before beginning assembly.

2.1 Unpacking and Part Identification

1. Carefully unpack all components from the packaging.
2. Lay out all parts on a clean, soft surface (e.g., a carpet or blanket) to prevent scratches.
3. Identify all hardware and components using the included instruction manual's parts list. Contact customer support immediately if any parts are missing or damaged.

2.2 Assembly Steps

Follow the detailed, step-by-step guidance provided in the separate assembly manual included with your product. General steps typically include:

1. Attach the backrest and armrests to the main frame.

2. Install the support slats onto the frame.
3. Assemble and insert the two storage drawers into their designated compartments.
4. Ensure all connections are secure and tightened. Do not overtighten.

3. OPERATING INSTRUCTIONS

The KEIKI Daybed functions as both a comfortable seating area and a full-size bed, featuring integrated storage.

3.1 Using as a Daybed/Sofa

Position the daybed in your desired location. The L-shape design with backrest and armrests provides a comfortable seating arrangement. Add pillows for enhanced comfort.

3.2 Using as a Bed

The daybed accommodates a full-size mattress (not included). Simply place your mattress on the integrated slat support

system. No box spring is required.

3.3 Utilizing Storage Drawers

The daybed includes two spacious storage drawers located beneath the bed frame. These drawers are ideal for storing bedding, clothing, books, or other personal items.

- To open: Gently pull the drawer handle outwards.
- To close: Push the drawer inwards until it is fully recessed under the daybed.
- Avoid overloading the drawers to ensure smooth operation and prevent damage.

4. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your KEIKI Daybed.

4.1 Velvet Upholstery Care

- **Regular Cleaning:** Gently vacuum the velvet upholstery using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can damage the pile. For stubborn stains, use a mild, water-free solvent or dry-cleaning product. Test on an inconspicuous area first.
- **Avoid Moisture:** Do not saturate the velvet with water or cleaning solutions.
- **Protect from Sunlight:** Prolonged exposure to direct sunlight can cause fading.

4.2 Frame Care (Plywood + MDF)

- **Cleaning:** Wipe the frame surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.

- **Hardware Check:** Periodically check and tighten all screws and bolts to ensure structural integrity.
- **Weight Distribution:** Ensure weight is evenly distributed on the daybed to prevent stress on the frame.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your KEIKI Daybed.

Problem	Possible Cause	Solution
Daybed feels unstable or wobbly.	Loose hardware (screws, bolts). Uneven floor surface.	Check and tighten all assembly hardware. Ensure the daybed is on a level surface; use furniture glides or shims if necessary.
Drawers do not slide smoothly.	Overloaded drawer. Obstruction in the drawer track. Misaligned drawer.	Reduce the weight in the drawer. Check for any objects blocking the track. Re-align the drawer on its runners.
Squeaking noises.	Loose connections. Friction between parts.	Tighten all bolts and screws. Apply a small amount of silicone lubricant to contact points if the noise persists (avoiding upholstery).
Upholstery appears flattened or matted.	Prolonged pressure. Lack of regular care.	Gently brush the velvet pile with a soft brush to restore its texture. Avoid sitting in the same spot for extended periods.
