MAINTENANCE

- **Cleaning:** Wipe the desktop and frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Cable Management:** Periodically check and re-organize cables to prevent tangles and ensure smooth operation during height adjustments.
- **Regular Inspection:** Ensure all screws and connections are secure. Do not overtighten.

TROUBLESHOOTING

- **Desk Not Adjusting:** Check all power connections. Ensure the power cable is securely plugged into both the desk and the wall outlet.
- **Error Codes:** If the control panel displays an error code, refer to the full user manual for specific instructions or contact customer support.
- **Uneven Movement:** Ensure the desk is placed on a flat, stable surface. Check for any obstructions

under the desk that might impede movement.
