MAINTENANCE

To maintain the appearance and durability of your nightstand, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage

the wood finish.

- **Spills:** Although the material is waterproof, promptly wipe up any spills to prevent watermarks or damage.
- **Protection:** Use coasters under drinks and protective pads under hot items to prevent heat or moisture damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood.

TROUBLESHOOTING

If you encounter any issues with your nightstand, please refer to the following common solutions:

- **Wobbly Nightstand:** Ensure all assembly screws are tightened. If the floor is uneven, place a small shim under one of the legs.
- **Sticking Drawers:** Check that the drawer glides are properly aligned and free of obstructions. A small amount of silicone spray on the glides can improve smoothness.
- **Scratches/Minor Damage:** For minor scratches, a wood repair marker or furniture polish matching the walnut finish can be used.
