# HUANUO 63x28 Inch Electric Standing Desk Instruction Manual

**Brand:** HUANUO | **Model:** MSED202B-160A-US

## 1. INTRODUCTION

Thank you for choosing the HUANUO 63x28 Inch Electric Standing Desk. This desk is designed to provide a versatile and ergonomic workspace, allowing you to easily switch between sitting and standing positions throughout your day. Featuring a wide height adjustment range, programmable memory presets, and a durable construction, this desk aims to enhance your comfort and productivity. Please read this manual carefully before assembly and operation to ensure safe and efficient use.

## 2. SAFETY INFORMATION

To ensure your safety and prolong the lifespan of your electric standing desk, please observe the following guidelines:

- Keep children and pets away from the desk during operation.
- Ensure all cables are properly managed and secured to prevent tripping hazards or damage during height adjustments.
- Do not overload the desk. The maximum weight recommendation is **176 pounds (80 kg)**.
- Avoid placing liquids directly on the control panel or near electrical components.
- Do not attempt to disassemble or repair the motor or control system yourself. Contact qualified service personnel if issues arise.
- The desk features rounded corners for added safety and includes an anti-collision system to prevent damage or injury during movement.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, please verify that all components are present and undamaged. The package should include:

- High-performance carbon steel frame (legs and crossbeam)
- Environmentally friendly spliced table top (63" x 28")
- Electric lifting mechanism and motor
- Control panel with LED display and memory presets
- All necessary assembly tools and hardware (screws, Allen wrench)
- Power adapter and cables

## 4. ASSEMBLY INSTRUCTIONS

---

The HUANUO Electric Standing Desk is designed for quick and easy assembly with a streamlined process. Follow the steps below for proper setup. An assembly video is also provided for visual guidance.

### 4.1. Assembly Video Guide

Your browser does not support the video tag.

*Video 4.1: Official HUANUO Electric Standing Desk Assembly Guide. This video demonstrates the step-by-step process for assembling the desk frame and desktop.*

### 4.2. Step-by-Step Assembly

1. **Assemble the Frame:** Attach the motor to the designated table legs. Secure the crossbeam between the two legs using the provided screws and Allen wrench. Ensure all connections are firm.
2. **Assemble the Desktop:** The desktop comes in two pieces. Use the wooden dowels and connecting plates to securely join the two desktop halves.
3. **Attach the Frame to the Desktop:** Carefully place the assembled desktop upside down on a soft, clean surface. Position the assembled frame onto the desktop, aligning the pre-drilled holes. Secure the frame to the desktop using the provided screws.
4. **Install Control Panel and Cable Management:** Attach the control panel to the underside of the desktop on your preferred side. Connect the control panel and motor cables to the main control box. Use the included cable ties and clips to manage and secure all wires neatly.
5. **Final Placement:** With assistance, carefully flip the desk upright and place it in its desired location. Adjust the leveling feet if necessary to ensure stability.

*Note: The control panel design may vary slightly by version, but functions and operating stability remain consistent.*

## 5. OPERATING INSTRUCTIONS

---

Your HUANUO Electric Standing Desk features intuitive controls for effortless height adjustment and personalized settings.

### 5.1. Control Panel Overview

# Effortless Controls

## LED Display

Easy-to-read real-time height display

## Up or Down

Smooth up-and-down control with a single press

## 4 Memory Heights

Save your 4 favorite heights for quick switching

## 20mm/s Speed

Fast, efficient lifting in seconds

*Image 5.1: The desk's control panel features an LED display, up/down arrows, and four memory preset buttons.*

## 5.2. Adjusting Height

- **Up/Down Adjustment:** Use the **^** (Up) and **v** (Down) arrow buttons on the control panel to manually raise or lower the desk to your desired height. The LED display will show the current height.
- The desk offers a wide height adjustment range from **28.3 inches to 46.5 inches**.

# Reliable Lifting

Sturdy structure gives you peace of mind

## 5.3. Setting Memory Presets

The desk features four programmable height settings for quick and convenient adjustments:

1. Adjust the desk to your desired height using the Up/Down buttons.
2. Press and hold one of the numbered memory buttons (**1, 2, 3, or 4**) until the LED display flashes or beeps, indicating the height has been saved.
3. To recall a saved height, simply press the corresponding numbered button. The desk will automatically move to that preset position.

## 6. MAINTENANCE

Regular maintenance will help keep your HUANUO Electric Standing Desk in optimal condition:

- **Cleaning:** Wipe the desktop and frame with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.
- **Cable Check:** Periodically inspect all cables and connections to ensure they are secure and free from damage.
- **Stability Check:** Occasionally check that all screws and bolts are tightened to maintain desk stability.

## 7. TROUBLESHOOTING

If you encounter any issues with your electric standing desk, please refer to the following common solutions:

- **Desk Not Moving:** Check if the power cord is securely plugged into both the desk and a working electrical outlet. Ensure no cables are pinched or obstructing movement.

- **Uneven Height:** If the desk appears uneven, perform a reset procedure (refer to the full manual or contact support for specific instructions). Ensure the desk is placed on a level surface.
- **Error Codes:** If the LED display shows an error code, consult the detailed troubleshooting section in the complete product manual or contact customer support for assistance.
