## 3. SAFETY INFORMATION

---

- Carefully follow all assembly instructions to prevent injury.
- Do not stand on the side table.
- Keep the product clean and dry to prevent damage from weather conditions.
- Always supervise children when they are near or using the product.

- Ensure all bolts and connections are securely tightened before use.
- Avoid placing excessively heavy items on the table or chairs.

## 4. ASSEMBLY INSTRUCTIONS

Assembly of the Yaheetech Patio Conversation Set typically takes approximately one hour. All necessary tools and hardware are included. Each component is labeled to facilitate the assembly process.

### 4.1 Unboxing and Part Identification

Carefully unbox all components. Verify that all parts listed in the 'What's Included' section are present. Refer to the included instruction manual for a detailed list of parts and corresponding labels.

### 4.2 General Assembly Steps

1. Begin by identifying the main frame pieces for each chair, ottoman, and the side table.
2. Connect the side panels to the back and front panels using the provided bolts and the hex key. Do not fully tighten bolts until all pieces are aligned.
3. For the side table, attach the top and bottom shelves to the leg frames.
4. Once all components are loosely assembled, place the furniture on a flat surface and gradually tighten all bolts until secure. Avoid over-tightening.
5. Place the cushions and pillows onto the chairs and ottomans.

## 5. OPERATING INSTRUCTIONS (USAGE)

This patio set is designed for versatile use in various outdoor environments such as balconies, porches, gardens, and poolside areas.

### 5.1 Ottoman Functionality

The included ottomans serve as comfortable leg rests. For space-saving, they can be conveniently tucked underneath the chairs when not in use. Simply slide them out when you wish to extend your seating comfort.

## 6. MAINTENANCE

### 6.1 General Cleaning

- Wipe the PE rattan and steel frames with a dry cloth to remove dust and debris.
- For deeper cleaning, use a mild soap solution and a soft brush or cloth. Rinse thoroughly with water and allow to air dry completely.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.

### 6.2 Cushion Care

The cushions are made from water-resistant polyester fabric. The covers are removable via zippers for easy cleaning.

- To clean cushion covers, unzip and remove them. Machine wash on a gentle cycle with cold water and mild detergent, or hand wash.
- Air dry the covers completely before reattaching them to the foam inserts. Do not tumble dry.
- Store cushions indoors during prolonged periods of rain or harsh weather to extend their lifespan.

## 7. TROUBLESHOOTING

### 7.1 Wobbly Furniture

- Ensure all bolts are securely tightened. If a part feels loose, re-tighten the corresponding bolts.
- Check that the furniture is placed on a flat, even surface. Uneven ground can cause wobbling.

### 7.2 Cushions Sliding

- If cushions tend to slide, consider placing non-slip pads or mats underneath them to keep them in place.

### 7.3 Difficulty During Assembly

- If you encounter difficulty aligning screw holes, try loosening other bolts slightly to allow for more

flexibility, then re-tighten all bolts once aligned.

- Refer to the numbered labels on each part and the detailed diagrams in the assembly manual.
