OTTOCAST CA505-T1

OTTOCAST Mini Wireless CarPlay Android Auto Adapter User Manual

Model: CA505-T1 | Brand: OTTOCAST

1. PRODUCT OVERVIEW

The OTTOCAST Mini Wireless CarPlay Android Auto Adapter is designed to convert your vehicle's wired CarPlay or Android Auto system into a wireless experience. This compact dongle offers blazing-fast connectivity, automatic re-connection, and supports both Apple iPhone (iOS 10+) and Android (Android 11+) devices. It aims to provide a seamless and cable-free integration of your smartphone's essential features into your car's infotainment system.

4. SETUP GUIDE

Follow these steps to set up your OTTOCAST Mini adapter:

1. Prepare Your Phone:

- Ensure your phone's Bluetooth and Wi-Fi are turned on.
- Verify that Siri or Google Assistant is enabled.
- If you have previously paired other wireless adapters, remove them from your phone's Bluetooth settings.

2. Plug in the Dongle:

Locate a USB Type-A or USB Type-C port in your car (usually under the dashboard or in the center console). Plug the OTTOCAST Mini adapter into the port. The indicator light on the adapter will glow red when powered on.

Plug & Play
