

WLIVE B0DX7DDZ6W

WLIVE 4-Drawer and 9-Drawer Dresser Set Instruction Manual

Model: B0DX7DDZ6W

Brand: WLIVE

IMPORTANT SAFETY INSTRUCTIONS

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to prevent accidental tipping, especially in households with children or pets. Secure the dresser to a wall stud using the provided hardware.
- **Weight Limits:** Do not exceed the recommended weight capacity for the top surface or individual drawers. Overloading can compromise stability and cause damage.
- **Level Surface:** Assemble and place the dresser on a flat, level surface to ensure stability. Adjust the leveling feet as necessary.
- **Proper Assembly:** Ensure all screws and fasteners are securely tightened during assembly. Periodically check and re-tighten as needed.
- **Children's Safety:** Do not allow children to climb on or play with the dresser. Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact WLIVE customer service.

- Steel Frame Components (various sizes)
- Fabric Drawers (4 for the smaller unit, 9 for the larger unit)
- Wooden Top Panels
- Adjustable Leveling Feet
- Drawer Handles
- Assembly Hardware (screws, bolts, Allen wrench)
- Anti-Tipping Kit (wall anchor, strap, screws)

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. Follow these steps carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Steel Frame:** Connect the steel frame components according to the diagrams provided in the separate assembly guide (usually included in the box). Ensure all screws are finger-tightened initially.
3. **Attach Wooden Top:** Secure the wooden top panel(s) to the assembled steel frame using the designated screws. Tighten all frame screws fully once the top is in place.
4. **Install Leveling Feet:** Screw the adjustable leveling feet into the bottom of the frame. Adjust them to ensure the dresser is stable and level on your floor.
5. **Prepare Fabric Drawers:** Unfold each fabric drawer. Insert the bottom support panel into the base of each drawer to give it shape and rigidity.
6. **Attach Drawer Handles:** Secure the handles to the front of each fabric drawer using the provided screws.
7. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots within the steel frame.
8. **Install Anti-Tipping Kit:** Locate a suitable wall stud behind the dresser. Attach the wall bracket to the wall stud and the other bracket to the dresser frame. Connect them with the provided strap, ensuring it is taut. This step is crucial for safety.

OPERATING INSTRUCTIONS

The WLIVE dresser set is designed for organized storage in various rooms.

- **Drawer Use:** Gently pull and push the fabric drawers to open and close. Avoid forcing them, especially if they feel stuck, to prevent damage to the fabric or frame.
- **Weight Distribution:** Distribute items evenly within the drawers to maintain balance and prevent strain on the drawer structure. Place heavier items in lower drawers if possible to enhance stability.
- **Top Surface:** The wooden top is suitable for placing lamps, clocks, books, or decorative items. Ensure items placed on top do not exceed the maximum weight capacity and are stable to prevent falling. The top surface is water-resistant, but spills should be wiped promptly.

MAINTENANCE

- **Cleaning the Frame:** Wipe the steel frame with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Cleaning Fabric Drawers:** Spot clean fabric drawers with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash or bleach.
- **Wooden Top Care:** Wipe the wooden top with a dry or slightly damp cloth. For spills, wipe immediately. Avoid placing hot items directly on the surface without protection.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary to maintain stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Dresser is wobbly or unstable.	Uneven floor; loose screws; leveling feet not adjusted.	Ensure dresser is on a flat surface. Tighten all assembly screws. Adjust the leveling feet until stable.
Drawers do not slide smoothly.	Drawer bottom not fully inserted; drawer overloaded; frame slightly misaligned.	Ensure the bottom support panel is fully inserted into the fabric drawer. Reduce contents if overloaded. Check frame alignment and re-tighten screws.
Missing parts or damaged components.	Packaging error; shipping damage.	Do not proceed with assembly. Contact WLIVE customer service immediately for replacement parts.

SPECIFICATIONS

- **Model:** B0DX7DDZ6W
- **Brand:** WLIVE
- **Materials:** Steel frame, non-woven synthetic fabric drawers, wooden top
- **4-Drawer Unit Dimensions:**
 - Overall: Approximately 15.7" (W) x 11.8" (D) x 38.7" (H)
 - Drawer Interior: Approximately 15" (W) x 11.8" (D) x 8.3" (H)
- **9-Drawer Unit Dimensions:**
 - Overall: Approximately 39.6" (W) x 11.8" (D) x 40.2" (H)
 - Small Drawer Interior: Approximately 12.0" (W) x 11.8" (D) x 8.5" (H)
 - Large Drawer Interior: Approximately 18.2" (W) x 11.8" (D) x 8.5" (H)
- **Weight Capacity:** Top surface and individual drawers have specific weight limits (refer to product packaging or contact manufacturer for precise figures).
