## XFHDHR MFB07M

# XFHDHR MFB07M 3L Rice Cooker Inner Pot Instruction Manual

Model: MFB07M

## INTRODUCTION

This instruction manual provides essential information for the proper use, care, and maintenance of your XFHDHR MFB07M 3L Rice Cooker Inner Pot. This inner pot is designed as a compatible accessory for Xiaomi Home Quick rice cookers, specifically model MFB07M. Please read this manual thoroughly before first use to ensure optimal performance and longevity of the product.

## IMPORTANT SAFETY INFORMATION

- Always handle the inner pot with care, especially when hot. Use oven mitts or heat-resistant gloves.
- Ensure the inner pot is correctly seated in the rice cooker before operation.
- Do not use abrasive cleaners or metallic scouring pads, as these can damage the non-stick coating.
- Avoid sharp utensils that could scratch the inner pot's surface. Use plastic, silicone, or wooden utensils.
- Keep out of reach of children.
- Do not heat the inner pot directly over an open flame or on a stovetop burner. It is designed for use within a compatible rice cooker.

## PRODUCT OVERVIEW

The XFHDHR MFB07M 3L Inner Pot features a food-grade non-stick coating for easy cooking and cleaning. It includes internal measurement markings for precise rice and water ratios.

# 适用型号: **MFB07M**

Figure 1: Interior view of the inner pot with measurement lines for rice and porridge, indicating capacity up to 5 units for rice and 2.5 units for porridge.

适用型号：**MFB07M**

**型号在电饭煲底部，请注意核对**

**不确定型号的，请咨询在线客服**

Figure 2: Side view of the inner pot, highlighting its design and confirming compatibility with Xiaomi Home Quick rice cooker model MFB07M.

## SETUP

1. **Unpacking:** Carefully remove the inner pot from its packaging. Inspect for any damage.
2. **Initial Cleaning:** Before first use, wash the inner pot thoroughly with warm water and mild dish soap. Rinse completely and dry with a soft cloth.
3. **Compatibility Check:** Ensure your rice cooker is the Xiaomi Home Quick model MFB07M. The model number is

typically located on the bottom of your rice cooker.

4. **Placement:** Gently place the clean and dry inner pot into the rice cooker housing, ensuring it sits flat and securely.

Figure 3: Bottom view of the inner pot. Remember to verify your rice cooker's model number, usually found on its base, to ensure compatibility.

## OPERATING INSTRUCTIONS

This inner pot functions as a direct replacement or spare for your compatible Xiaomi Home Quick MFB07M rice cooker. Refer to your rice cooker's original manual for specific cooking instructions.

- **Adding Ingredients:** Place desired ingredients (e.g., rice, water) into the inner pot. Use the internal markings as a guide for water levels.
- **Cooking:** Close the rice cooker lid and select the appropriate cooking program on your rice cooker.
- **Serving:** Once cooking is complete, allow the rice cooker to switch to "Keep Warm" mode for a few minutes before serving. Use a non-scratching spatula to serve.

## MAINTENANCE AND CLEANING

---

- **After Each Use:** Allow the inner pot to cool down completely before cleaning.
- **Washing:** Wash the inner pot with warm water and a mild dish soap using a soft sponge or cloth. The non-stick coating makes cleaning easy.
- **Stubborn Residue:** If food sticks, soak the pot in warm soapy water for 10-15 minutes before gently scrubbing.
- **Drying:** Dry the inner pot thoroughly with a soft cloth to prevent water spots.
- **Storage:** Store the inner pot in a dry place.
- **Avoid:** Do not use metal utensils, abrasive cleaners, or steel wool, as these will damage the non-stick surface.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Food sticks to the pot.	Non-stick coating damaged or insufficient oil/water.	Ensure proper cleaning and avoid abrasive tools. If coating is severely damaged, replacement may be necessary. Ensure correct water-to-rice ratio.
Pot does not fit correctly in the rice cooker.	Incorrect model or debris in the rice cooker housing.	Verify your rice cooker is model MFB07M. Clean the rice cooker housing of any food particles or debris.
Scratches on the inner pot surface.	Use of metal utensils or abrasive cleaning.	Always use plastic, silicone, or wooden utensils. Clean with a soft sponge.
