2. IMPORTANT SAFETY INFORMATION

- Do not place excessively heavy items on the tables. Refer to the specifications section for weight capacity.
- Avoid standing or sitting on the tables. They are designed for decorative and light functional use only.

4. ASSEMBLY INSTRUCTIONS

Assembly of the Adompacat Glass Coffee Table Set is quick and straightforward, typically taking only 5-15 minutes. A screwdriver is the recommended tool for assembly.

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches. Verify all components listed in Section 3 are present.
- 2. Assemble Metal Frames:** For each table (large and small), connect the metal frame pieces using the provided screws and the installation tool. Ensure all connections are snug but do not overtighten.
- 3. Apply Adhesive Strips:** Locate the designated areas on the top of the metal frames where the glass tops will rest. Apply the provided adhesive strips to these areas. These strips help secure the glass and prevent slipping. *Caution: The adhesive strips are very sticky. Apply them carefully and precisely.*
- 4. Place Glass Tops:** Gently place the tempered glass tops onto their respective metal frames, aligning them with the

adhesive strips. Ensure the glass is centered and stable.

5. **Final Check:** Once both tables are assembled, gently lift and move them to their desired location. Ensure all connections are secure and the tables are stable.

- **Separate Use:** The tables can be used independently as individual end tables, sofa side tables, or tea tables in different areas of a room or even different rooms. Their lightweight design facilitates easy movement.
- **Versatile Placement:** These tables are suitable for various indoor scenarios including living rooms, bedrooms, offices,

and even enclosed balconies.

6. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Adompacat Glass Coffee Table Set.

- **Cleaning the Glass:** The smooth tempered glass surface is easy to clean. Use a soft, lint-free cloth with a glass cleaner or a mixture of water and vinegar. Wipe gently to avoid streaks. Do not use abrasive cleaners or scouring pads, as these can scratch the glass.
- **Cleaning the Metal Frame:** Wipe the gold metal frame with a soft, damp cloth. For tougher spots, a mild soap solution can be used, followed by drying thoroughly. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Spills:** Clean up spills immediately, especially on the metal frame, to prevent staining or corrosion.
- **Protection:** Use coasters under drinks and placemats under decorative items to protect the glass surface from scratches and rings.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your coffee table set.
