RAVEMEN AOM02

RAVEMEN AOM02 Aluminum Alloy Cycle Computer Mount Instruction Manual

Model: AOM02 | Brand: RAVEMEN

INTRODUCTION

Thank you for choosing the RAVEMEN AOM02 Aluminum Alloy Cycle Computer Mount. This mount is designed to securely attach your cycle computer and other accessories to your bicycle handlebars, enhancing your cycling experience. Please read this manual carefully before installation and use to ensure proper function and safety.

PRODUCT FEATURES

- **Broad Compatibility:** Supports Garmin standard devices (e.g., XOSS G/G+ GPS computers, Garmin Edge series 530, 830, 1000, 1030, 130 Plus, Explore, Touring 1040) and includes an adapter for Wahoo cycle computers.
- **Versatile Accessory Mounting:** Allows simultaneous attachment of a cycle computer and a headlight or action camera using the integrated GoPro adapter. Compatible with RAVEMEN FR160 and K-series lights.
- **Easy Installation:** Designed for straightforward attachment to 31.8mm road bike handlebars with the included hex wrench.
- **Durable Aluminum Construction:** Made from lightweight yet robust aluminum alloy, weighing approximately 49.7 grams, ensuring secure device placement.
- **Ergonomic Design:** The extended mount's angle is engineered to avoid interference with your cycling posture or view.

PRODUCT DIMENSIONS

Refer to the image below for detailed dimensions of the RAVEMEN AOM02 mount and its components.

製品寸法

Mounting Type	Handlebar (31.8mm diameter)
Device Compatibility	Garmin standard cycle computers, Wahoo cycle computers (with adapter), GoPro-compatible action cameras, RAVEMEN FR160/K-series lights
Country of Origin	China

SETUP AND INSTALLATION

Follow these steps to install the RAVEMEN AOM02 mount on your bicycle handlebars:

- 1. Prepare the Handlebar:** Ensure the handlebar area where you intend to install the mount is clean and free of obstructions. The mount is designed for 31.8mm diameter handlebars.
- 2. Position the Mount:** Open the clamp of the mount and place it around your handlebar. Position it centrally or as desired for optimal viewing and access to your devices.
- 3. Secure the Mount:** Use the included hex wrench to tighten the screws on the clamp. Tighten them evenly to ensure a secure fit without over-tightening, which could damage your handlebar.
- 4. Attach Cycle Computer:** Align your Garmin-compatible cycle computer with the mount's interface and twist it clockwise until it locks securely into place. If using a Wahoo device, first attach the Wahoo adapter to the mount, then attach your Wahoo cycle computer.
- 5. Attach Other Accessories (Optional):** If you wish to attach a GoPro-compatible action camera or a RAVEMEN light, use the GoPro screw to secure it to the adapter located underneath the cycle computer mount.

取付方法

付属の六角レンチで簡単に取り付けできます

OPERATING INSTRUCTIONS

Once installed, the RAVEMEN AOM02 mount provides a stable platform for your devices:

- **Cycle Computer Usage:** Your cycle computer will be positioned optimally for easy viewing during your ride. Ensure it is securely locked before starting.
- **Accessory Use:** Any attached action camera or light can be operated according to its own instruction manual. The mount provides a stable base for these devices.

MAINTENANCE

To ensure the longevity and optimal performance of your RAVEMEN AOM02 mount, follow these maintenance guidelines:

- **Cleaning:** Wipe the mount regularly with a soft, damp cloth to remove dirt and grime. Avoid using harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Re-tighten if necessary, but do not over-tighten.
- **Storage:** When not in use for extended periods, store the mount in a clean, dry place away from direct sunlight and extreme temperatures.

安定 & 丈夫な構造

TROUBLESHOOTING

If you encounter any issues with your RAVEMEN AOM02 mount, consider the following:

- **Mount feels loose:** Ensure the handlebar clamp screws are tightened securely with the hex wrench. Do not overtighten.
- **Device not locking securely:** Check if the device is correctly aligned with the mount interface and twisted fully into place. For Wahoo devices, ensure the Wahoo adapter is properly installed.
- **Incompatibility:** Verify that your cycle computer or accessory is compatible with Garmin standard mounts or the provided Wahoo/GoPro adapters.

If problems persist, please contact RAVEMEN customer support.

WARRANTY AND SUPPORT

The RAVEMEN AOM02 mount comes with a **1-year quality warranty** from the date of purchase. This warranty covers manufacturing defects and material flaws under normal use.

For any questions, concerns, or warranty claims, please contact RAVEMEN customer support. Our team is dedicated to providing assistance and ensuring your satisfaction.

Please retain your proof of purchase for warranty service.
