## SETUP

---

### Charging the Headphones

Before first use, fully charge your Monster Open Ear AC600 Headphones. Connect the provided Type-C charging cable to the charging case and a power source. The charging indicator lights on the case will provide status updates. A full charge of the case provides up to 21 hours of additional playtime for the earbuds.

For quick charging, a 10-minute charge can provide approximately 1 hour of listening time.

## Pairing with a Bluetooth Device

1. Ensure the headphones are charged and inside the charging case.
2. Open the charging case. The headphones will automatically enter pairing mode.
3. On your device (smartphone, tablet, computer), enable Bluetooth.
4. Search for "Monster Open Ear AC600" in the list of available Bluetooth devices.
5. Select the headphones to connect. Once connected, you will hear an audio prompt, and the indicator light on the case will confirm successful pairing.

## WEARING THE HEADPHONES

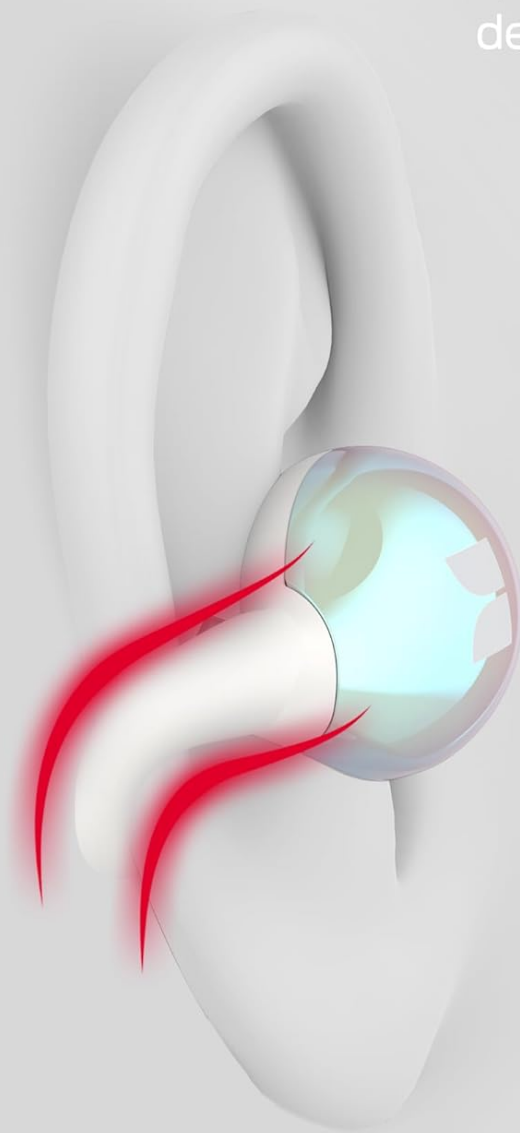

The Monster Open Ear AC600 Headphones feature an ergonomic clip-on design for a comfortable and secure fit, allowing you to remain aware of your surroundings.

1. Identify the Left (L) and Right (R) earbuds.

2. Gently clip each earbud onto your ear, ensuring the speaker is positioned near your ear canal without fully sealing it.
3. Adjust the earbud for a comfortable and stable fit. The lightweight design (0.2 oz) and non-deforming material ensure comfort during extended wear.

## MAINTENANCE

---

### Cleaning

To maintain optimal performance and hygiene, regularly clean your headphones. Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. Do not use abrasive cleaners or solvents.

### Water Resistance (IPX6)

The Monster Open Ear AC600 Headphones are IPX6 water resistant, meaning they are protected against high-pressure water jets from any direction. This makes them suitable for active lifestyles and various weather conditions, including rain and sweat. However, they are not designed for submersion in water.

## TROUBLESHOOTING

- **No Sound/Connection Issues:**

- Ensure headphones are charged.
- Verify Bluetooth is enabled on your device.
- Try unpairing and re-pairing the headphones with your device.
- Ensure headphones are within the Bluetooth range of your device.

- **Poor Sound Quality:**

- Check the volume level on both the headphones and your connected device.
- Ensure the earbuds are positioned correctly on your ears.
- Move closer to your device to avoid interference.

- **Charging Problems:**
  - Ensure the charging cable is securely connected to both the case and the power source.
  - Try a different charging cable or power adapter.
  - Clean the charging contacts on the earbuds and inside the case.
