SETUP AND ASSEMBLY

Assembly of your Merax sectional sofa requires two adults and approximately 30-60 minutes. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a clean, soft surface to prevent damage. Verify all parts listed in the "Package Contents" section are present.
2. **Attach Legs:** For each sofa section, locate the pre-drilled holes on the underside. Align the plastic legs with these holes and secure them using the provided screws. Ensure all legs are firmly tightened but do not overtighten.
3. **Connect Sofa Sections:** Arrange the individual sofa sections into the desired U-shape configuration. Most sectional sofas use interlocking brackets on the sides or underside to connect the sections. Align these brackets and push the sections together until they lock securely.
4. **Place Cushions:** Position the seat cushions onto the sofa base. Then, place the back cushions against the backrest of each section. Adjust as needed for comfort and appearance.

OPERATING AND USAGE

Your Merax sectional sofa is designed for comfort and functionality. Here are some tips for optimal use:

- **Seating:** The U-shaped design provides ample seating for up to 6 individuals. The chenille fabric offers a soft and comfortable experience.
- **Chaise Lounge:** Utilize the oversized chaise lounge for extended relaxation. Its generous dimensions allow for comfortable lounging.
- **Cup Holders:** Each armrest is equipped with a built-in cup holder. These are designed to securely hold beverages, preventing spills and keeping drinks within easy reach.

Each armrest features a cup holder, keeping your drink close and spill-free.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your Merax sectional sofa.

- **Regular Cleaning:** Vacuum the sofa regularly using a soft brush attachment to remove dust and debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for chenille, testing on an inconspicuous area first.
- **Cushion Care:** Rotate and fluff cushions periodically to maintain their shape and even out wear. The seat cushion covers are removable for cleaning. Follow the care instructions on the fabric label for removable covers.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or solvents, as these can damage the fabric and finish.
- **Leg Maintenance:** Periodically check the sofa legs to ensure they are tight and stable.
