Hzuaneri Tocador con bombillas

Hzuaneri LED Vanity Table with Power Outlets and Hair Dryer Holder

Model: Tocador con bombillas

Brand: Hzuaneri

Introduction

This manual provides instructions for the assembly, operation, and maintenance of your Hzuaneri LED Vanity Table. Please read this manual thoroughly before assembly and use to ensure safe and correct operation. Keep this manual for future reference.

Safety Information

- Ensure all parts are present and undamaged before assembly.
- Assemble the vanity table on a soft, clean surface to prevent scratches.
- Do not overtighten screws during assembly to avoid damaging the material.
- Keep electrical components (power outlets, USB ports, LED lights) away from water.
- Do not exceed the maximum load capacity of the drawers and shelves.
- Always unplug the vanity table from the power source before cleaning or maintenance.
- This product is intended for indoor use only.

Package Contents

Your order contains two separate packages. Please wait to receive both packages before beginning assembly. Verify that all components listed in the assembly guide (not provided here, but implied) are present and undamaged.
Key components include:

- Vanity table frame and panels
- Mirror with LED bulbs
- Drawers and cabinet doors
- Power strip with 2 outlets and 2 USB ports
- Hair dryer holder

- Assembly hardware (screws, dowels, etc.)

Setup and Assembly

Assembly is required for this vanity table. Please refer to the separate assembly instructions provided in your package for detailed, step-by-step guidance. Ensure you have all necessary tools (e.g., screwdriver) before starting.

Key Assembly Points:

- **Unpacking:** Carefully unpack all components and check against the parts list.
- **Base Assembly:** Begin by assembling the main desk frame.
- **Drawer and Cabinet Installation:** Install the two large drawers, two slim drawers with jewelry organizers, and two cabinets.
- **Mirror and Shelf Attachment:** Secure the mirror unit with LED lights and the surrounding shelves to the main desk.
- **Electrical Connections:** Install the power strip with outlets and USB ports. Connect the LED lights according to the instructions.
- **Hair Dryer Holder:** Attach the hair dryer holder to the side of the vanity table.

Figure 1: Overview of the Hzuaneri Multifunctional Vanity Table. This diagram highlights the various storage compartments, the LED mirror, and integrated power features.

Figure 2: Detailed view of necklace hooks, hair dryer holder, and jewelry organizers. The individual hook design prevents tangling, and the velvet-lined compartments keep jewelry secure.

Operating Instructions

LED Mirror Lighting

The integrated LED lights offer three color temperatures and adjustable brightness. To operate:

- **Power On/Off:** Press the touch sensor on the mirror to turn the lights on or off.
- **Change Color Temperature:** Short press the touch sensor to cycle through the three light modes:
  - **Warm Light (3000K):** Ideal for creating a soft, natural makeup look.
  - **Natural Light:** Balanced light for everyday application.
  - **Cool Light (6000K):** Suitable for precise makeup application, mimicking bright daylight.
- **Adjust Brightness:** Long press the touch sensor to continuously adjust the brightness level. Release when the desired brightness is reached.

Figure 3: LED lighting control and integrated charging ports. The image illustrates the three light color options and how to adjust brightness and color temperature. It also details the power outlet and USB port specifications.

Integrated Power Outlets and USB Ports

The vanity table includes a built-in power strip for convenience:

- **Power Outlets:** Two standard power outlets (230-250V/16A) are available for plugging in hair dryers, curling irons, or other beauty tools.

- **USB Ports:** Two USB ports (5V/2.1A) are provided for charging mobile phones, tablets, or other USB-powered devices.
- Ensure the vanity table is properly plugged into a wall socket before using the power outlets or USB ports.

Storage Features

The vanity table is designed with various storage options:

- **Large Countertop:** Provides ample space for cosmetics, aromatherapy, and decorative items.
- **Open Shelves:** Three-level open shelves on both sides for frequently used items like lipsticks, blushes, skincare products, and perfumes.
- **Deep Drawers:** Two large drawers for storing bulkier items.
- **Slim Drawers with Jewelry Organizers:** Two slim drawers feature velvet-lined compartments and hooks for organizing rings, earrings, bracelets, and necklaces, preventing tangling.
- **Cabinets:** Two cabinets with two levels of divisions are ideal for storing larger beauty tools, bags, or boxes.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the LED bulbs or electrical components.
- **Electrical Components:** Ensure the power strip and LED lights are dry before use. Do not attempt to repair electrical components yourself; contact qualified personnel.
- **Tighten Fasteners:** Periodically check and tighten all screws and fasteners to ensure stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or damage to the material.

Troubleshooting

Problem	Possible Cause	Solution
LED lights do not turn on.	Power cable not connected; power outlet not working; faulty connection.	Ensure the vanity table is plugged into a working power outlet. Check all electrical connections.
Power outlets/USB ports not working.	Vanity table not plugged in; device not properly connected; power surge protection tripped.	Verify the main power connection. Ensure devices are correctly plugged in. Try a different device to confirm the port functionality.
Drawers/cabinets do not close smoothly.	Obstruction; misaligned runners; loose hardware.	Check for any items blocking the movement. Ensure drawer runners are correctly installed and lubricated if necessary. Tighten any loose screws.
Vanity table feels unstable.	Loose assembly hardware; uneven floor.	Retighten all assembly screws. Place the vanity table on a level surface or use shims if necessary.

Specifications

Model: Tocador con bombillas

Brand: Hzuaneri
