## WLIVE WLIVE Fabric Dresser Storage Organizer Unit

# WLIVE Fabric Dresser Storage Organizer Unit User Manual

Models: 4-Drawer, 5-Drawer, and 7-Drawer

## IMPORTANT SAFETY INFORMATION

---

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to prevent the unit from tipping over, especially in households with children or pets. Secure the unit to a wall stud according to the instructions.
- **Weight Limits:** Do not exceed the maximum weight capacity for the top surface or individual drawers. Overloading can cause damage or injury.
- **Level Surface:** Assemble and use the dresser on a flat, level surface to ensure stability. Adjust the leveling feet if necessary.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep small parts away from children during assembly.
- **Proper Use:** This unit is designed for indoor use only. Avoid exposure to excessive moisture or direct sunlight.

## PACKAGE CONTENTS

---

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Steel Frame Components
- Wooden Top Board
- Fabric Drawers (Quantity varies by model: 4, 5, or 7)
- Drawer Handles
- Assembly Hardware (Screws, Allen wrench, etc.)
- Adjustable Plastic Feet
- Anti-Tipping Kit
- Instruction Manual

## SETUP AND ASSEMBLY

---

Assembly is straightforward and typically requires one person. Follow the steps below carefully.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the steel frame components using the provided screws and Allen wrench. Ensure all connections are secure but do not overtighten until the frame is fully assembled.
3. **Attach Top Board:** Place the wooden top board onto the assembled frame and secure it with the designated screws.
4. **Install Adjustable Feet:** Screw the adjustable plastic feet into the bottom of the frame. Adjust them to ensure the unit is level on your floor.
5. **Prepare Drawers:** Unfold each fabric drawer. Insert the bottom support panel into the drawer. Attach the drawer handles to the front of each drawer.
6. **Insert Drawers:** Slide the assembled fabric drawers into their respective slots in the frame.
7. **Install Anti-Tipping Kit:** Position the dresser in its desired location. Attach the anti-tipping strap to the back of the dresser and secure the other end to a wall stud using the provided hardware. This step is crucial for safety.

## OPERATING INSTRUCTIONS

---

The WLIVE Fabric Dresser is designed for convenient storage in various rooms.

- **Drawer Use:** Gently pull and push the fabric drawers to open and close. Avoid forcing them.
- **Storage Capacity:** The fabric drawers are suitable for storing clothing, linens, toys, and other lightweight items. Distribute weight evenly within each drawer.
- **Top Surface:** The wooden top provides a stable surface for lamps, books, decorative items, or small electronics. Ensure items placed on top do not exceed the specified weight limit.

*Image: A 7-drawer dresser in a bedroom setting, illustrating its function as a storage unit and a surface for decorative items.*

## MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your WLIVE dresser.

- **Cleaning Frame and Top:** Wipe the steel frame and wooden top with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. Dry immediately.
- **Cleaning Fabric Drawers:** For light cleaning, use a lint roller or a soft brush to remove dust. For stains, spot clean with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash the fabric drawers.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Overloading:** Do not overload drawers or the top surface, as this can stress the frame and fabric.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Dresser is wobbly.	Uneven floor; loose screws.	Adjust the leveling feet at the bottom of the frame. Check and tighten all assembly screws. Ensure the unit is on a flat surface.
Drawers do not slide smoothly.	Drawer is overloaded; fabric is caught; bottom panel not fully inserted.	Reduce the weight in the drawer. Ensure the drawer is properly aligned. Check that the bottom support panel is fully inserted and flat.
Anti-tipping device not secure.	Improper installation; not attached to a wall stud.	Re-read the anti-tipping installation instructions. Ensure the wall anchor is firmly in a wall stud or appropriate wall material.

## SPECIFICATIONS
